44 – 73
The new California.

74 – 77
Van care &
Merchandise.

78 – 79
Service.

Go anywhere. Do anything.

Load up. Chill out. Take off. In the new Caravelle and new California, anything is possible. Whether you want to take a day trip, go on holiday, visit the beach or discover the countryside – with the kids, your parents or your mates – each offers you the opportunity to escape, follow your dreams and discover what freedom really means. Now, quieter, smarter and with even greater flexibility, the exceptional new Caravelle and remarkable new California offer endless possibilities and effortless escaping in total luxury and style. So what are you waiting for? The adventure starts here.

Both the new Caravelle and new California are equipped with the latest generation, fuel efficient 2.0 litre TDI engines, and optional DSG gearbox and 4MOTION® four wheel drive, putting power, responsiveness and capability at your fingertips.

TDI engines

The new 2.0 litre TDI diesel engines, with common rail technology, are not only highly responsive and fun to drive, but also cleaner, quieter and incredibly efficient and refined. Choose from 140PS and 180PS variants, each offering superior performance and car-like agility.

DSG Direct Shift Gearbox

Driving is all about thinking ahead, which is just what the award-winning new 7-speed DSG dual clutch transmission does. DSG operates almost as two separate systems, one engaging the odd-numbered and the other the even-numbered gears. So when you're accelerating in second, it has third gear ready and waiting for you. And as soon as you've made the switch, it's already thinking about fourth. With two clutches working together, it enables you to change gears almost instantly and experience smooth, uninterrupted power with minimal effort – giving you the freedom to enjoy the ride and admire the scenery.

4MOTION®

4MOTION® four wheel drive is a technology that delivers ultimate control in any conditions, while enhancing the sporty characteristics that make the new Caravelle and new California so great to drive. The principle behind 4MOTION® is simple: in the same way that four brakes ensure better deceleration, four driven wheels deliver better acceleration and road-holding – pushing or pulling the vehicle as needed, for a driving experience that's both dynamic and safe.

The image shows the interior of a white van, likely a Mercedes-Benz Caravelle, with a view of a marina. The van's interior is finished in white leather. On the left, there is a long, padded bench seat with two black seatbelts. In the center, a round, white table is mounted on a pedestal. On the table, there is a brown leather folder or notebook and a red pen. To the right of the table, a red and white striped bag is hanging. The van's side door is open, revealing a concrete dock and a body of water filled with numerous sailboats. The sky is blue with some light clouds. The overall atmosphere is one of luxury and leisure.

The new Caravelle.

Travel in style with the new Caravelle.

Unique amongst people carriers, the new Caravelle makes a statement about freedom and independence. Designed to get you to your destination in style, it takes the concepts of space and flexibility into a new dimension, and few vehicles are able to challenge its high levels of comfort and variety of uses. In fact, wherever you plan to go in your new Caravelle, you'll find the only limit to its ability is your imagination. With seating for seven people, the highly innovative interior features a rail system that enables seats to be easily repositioned or removed, depending on where you're going, who you're taking and what you're carrying.

Enter a world of possibilities.

The new Caravelle's floor-mounted rail system is designed to let you tailor the interior layout to your own specific requirements, opening up a world of possibilities. The stylish seating area is comfortable and inviting, with both of the single rear seats featuring folding and swivelling mechanisms, ISOFIX child seat mountings, adjustable head restraints and integrated three-point seat belts. The three-seater rear bench offers similar levels of comfort and practicality, while the multi-functional table not only folds and swivels, but also conveniently slides along the rail system.

Throughout the interior you'll find amazing attention to detail, demonstrated by such features as multiple interior lights with reading lamps, heat reflective glass, roller blinds for the side windows and overhead air vents, helping to create atmosphere and increase passenger pleasure. With plenty of rear luggage space and numerous storage drawers, trays, bins and compartments, there's ample room for everything – even when you're carrying seven people.

01

02

03

04

05

- 01 Multi-functional table folded.
- 02 Multi-functional table with integral storage compartments.
- 03 Spacious luggage compartment.
- 04 Rear bench seat slid fully forward to maximise load carrying.
- 05 Flexible rail system.

Driving pleasure.

Everything about the new Caravelle is geared towards driving pleasure. Comfortable, supportive front seats feature height, lumbar, reach and rake adjustments, as well as armrests and head restraints, ensuring the driver and front passenger feel totally at home. Sports suspension gives a ride that is both comfortable and agile, while air conditioning, electric windows, heated exterior mirrors, remote central locking, and a RCD 310 Radio/CD player with eight speakers, all fitted as standard, further enhance the driving experience.

An ergonomically designed dashboard ensures all switches and controls are conveniently to hand, and features such as vanity mirrors in both sun visors, time delay interior lights and reading lamps provide the kind of detail you'd expect to find in any Volkswagen vehicle. Safety, of course, is paramount, and the new Caravelle has a whole range of active safety features, including Anti-lock Braking System (ABS), Electronic Stabilisation Programme (ESP), Active Rollover Protection (ARP), and Traction Control System (TCS), while passive safety features include head restraints and driver and passenger airbags to minimise injury in the event of an accident.

New Caravelle standard equipment.

Body.

- 2 front doors
- Body coloured exterior mirror housings and door handles
- Bumpers, body coloured
- Chrome trim on radiator grille
- Clear glass headlights
- Covered sliding door guide
- Fuel tank, lockable (80 litre capacity)
- Heat reflective glass
- Jack and tool kit
- Mirrors: convex on passenger's side, aspherical with outer wide angle section on driver's side
- Self supporting and galvanised full steel body
- Side sliding doors left and right with sliding windows
- Tailgate
- Towing eyes, front screw-in and rear fixed to body
- Underbody made up of long and cross members

Interior.

- 6 folding silicone-damped grab handles, with coat hooks
- Carpet floor covering
- Front:**
- 2 storage compartments in dash panel beneath outer air vents
- 2 storage compartments in driver and passenger door, lower holds 1.5 litre bottle
- 2 sun visors, folding and pivoted
- Air vent in driver's door – bottom right
- Dash mounted gear lever
- Drinks holder
- Driver and passenger seats with height, lumbar reach and rake adjustment and armrests
- Grab handle at 'A' pillar, left and right
- Hook on lower dash on front passenger side
- Illuminated vanity mirror and document pocket in both sun visors
- Interior entry steps, illuminated
- Interior light and two reading lamps in overhead console, with switch off delay and contact switches in all doors
- Leather covered steering wheel, handbrake grip and manual gear knob
- Lockable glove compartment
- Open storage compartment in dash panel including mobile phone holder
- Storage compartments in outer side of driver and passenger seats
- Storage net on lower dash passenger side
- Storage pockets on front seat backrests
- Rear:**
- 2 longitudinally adjustable single seats in 1st row, drawers in base, folding, integrated seat belts, removable, swivelling
- 2 luggage compartment lights
- 3-seater bench seat in 2nd rear row with bed function, folding backrest, integrated seat belts, removable
- 4 interior lights and 4 reading lamps
- Aluminium decorative inlays in rear passenger compartment
- Drinks holders
- Interior entry steps, illuminated
- Luggage compartment cover (only with 3-seater bench seat, deleted with optional Sleep Pack) (Short wheelbase only)
- Multi-functional table: ashtray, drinks holder, running in rails, storage compartments
- Rail system for unlimited seat configuration
- Roller blinds for side windows
- Vented moulded roof trim

Functional.

- 3 12V sockets
- Air conditioning – see model specific features
- Electric windows
- Electric, heated exterior mirrors
- Heated rear window and wash/wipe
- Heater, fresh air system with dust and pollen filter, 4-stage fresh air blower and air re-circulation flap
- Heater, rear
- Instrument illumination, dimmable
- Instrument panel includes brake pad wear indicator, coolant temperature display, digital clock, fuel gauge, rev counter, trip computer, speedometer with total mileage and trip counter, warning lamps for handbrake applied and door/tailgate opening, windscreen washer fluid level indicator
- RCD 310 Radio/CD player with 8 speakers
- Remote central locking with deadlocking and internal locking button, 2 remote keys supplied
- Side sliding doors, power latching
- Warning buzzer for lights left on
- Windscreen wiper with 2-speed operation, variable intermittent delay and wash/wiper system (including touch/sweep function)

Running gear.

- 16" running gear (17" on 180PS engines)
- Front and rear axle: anti-roll bars, front and rear, front McPherson strut suspension, independent suspension, rear miniblock springs, telescopic shock absorbers
- Hydraulic brake system with ventilated disc brakes and ABS: Anti-lock Braking System
- Power steering
- Sports suspension (not on SE long wheelbase)

Safety and security.

- 2 reversing lights
- 3rd brake light
- 6 securing points in passenger and luggage compartment
- ABS: Anti-lock Braking System
- Airbag for driver and passenger with passenger airbag deactivation
- Airbags, side and front curtain
- Anti-theft protection: alarm with interior (front and passenger compartment) and tow away protection, deactivation switch for both functions on 'B' pillar, breaksafe steering wheel lock, electronic immobiliser 'Transponder', locking wheel bolts
- Childlocks in rear
- Dual tone horn
- EBC: Engine Braking Control (MSR)
- EBD: Electronic Brakeforce Distribution
- EDL: Electronic Differential Lock
- ESP: Electronic Stabilisation Programme including Active Rollover Protection (ARP), brake assist system, maximum brake support, prefill and fading brake support and Rain Brake Support
- First aid bag and warning triangle
- Fog lights, rear and front with cornering lights
- Halogen main headlights with daylight running function
- Headlight range control
- Head restraints, height and tilt adjustable, centre rear 'L' type for optimised view
- Hill hold control
- ISOFIX child seat mountings in single seats of passenger compartment and 3-seater bench seat (outer seats)
- Laminated glass – windscreen with tinted border between sun visors
- Rear door interior release lever
- Rear view mirror, anti-dazzle function
- Safety steering column, height and rake adjustable
- Seat belts, 3 point inertia reel integrated into rear seats
- Seat belts, height adjustment and tensioners for front seats
- Side mounted indicators
- TCS: Traction Control System

RCD 310 Radio/CD player.

Steering wheel.

Storage drawers under seats.

ESP: Electronic Stabilisation Programme.

Multi-function table.

Roller sunblinds.

New Caravelle standard equipment. (continued)

New Caravelle SE specific features.

- Air conditioning with dashboard vents, manually controlled
- Alloy wheels, 'Cartagena' 16" 6.5J x 16 on 140PS short wheelbase models, 'Thunder' 17" 7J x 17 on long wheelbase and 180PS short wheelbase models
- 'Cheyenne' fabric seat covers
- Steel spare wheel
- Tyres: 215/65 R16 on 140PS short wheelbase models, 235/55 R17 on long wheelbase and 180PS short wheelbase models

Air conditioning - 'Climatic'.

16" 'Cartagena' alloy wheels.

17" 'Thunder' alloy wheels.

⁶ **Alcantara®/leather and Nappa leather upholstery:** Seat material in contact with passengers is leather, other areas are leatherette.
⁷ **Seat pack 1:** Swivel seats include lumbar support and armrests but do not have height adjustment.
⁸ **Seat pack 3:** 2 individual and removable seats with armrests, integral seatbelts and ISOFIX mountings for childseats, in lieu of rear bench.
⁹ **Seat pack 3:** 2 individual and removable seats with armrests, integral seatbelts and ISOFIX mountings for childseats in 2nd rear row. 3-seat bench in 3rd rear row deleted.
¹⁰ **Child seat:** includes ISOFIX mountings.
¹¹ 3-seat bench in 3rd rear row replaced with 2 single seats with armrests.

Lane change assist.

Sleep pack.

Net partition for luggage.

Folding mirrors.

Headlamp washers.

Rain sensors.

Options subject to availability.

Caravelle accessories.

Sport and Styling.

17" 'Suez' alloy wheel.
7.5J x 17 alloy wheel requires
235/55 R17 tyres.

18" 'Dakar' alloy wheel.
8J x 18 alloy wheel requires
235/50 R18 tyres.

18" 'Sportline' alloy wheel.
8J x 18 alloy wheel requires
235/50 R18 tyres.
Tyres not included.

Designed for freedom and independence.

For comfort, space and sheer versatility, few vehicles can match the Caravelle. And with a little creative thought on your part, you can increase its flexibility still further, by selecting from a wide choice of accessories, and individualising it to your exact requirements.

Alloy wheels will enhance its already stylish looks, while luxurious leather seats create a truly exclusive interior. A selection of touring accessories, such as a ski and snowboard holder and tailgate bicycle holder, gives you and your family even greater holiday freedom, and a towbar increases load capability.

Media accessories, such as a combined DVD/CD/MP3 system, will keep young travellers happy, while safety accessories, such as a dog guard or luggage net help protect passengers and contents, and protective items, such as a bootliner, carpet mats or mudflaps, keep your Caravelle in pristine condition. Once you've selected the accessories that best suit your lifestyle, simply visit your nearest Van Centre for a fully fitted quotation.

Chrome side rails.
The chrome side rails not only look good, they also protect the sills from damage.
Available for short and long wheelbase models.

18" 'Dakar bi-colour' alloy wheel.
8J x 18 alloy wheel requires
235/50 R18 tyres.
Tyres not included.

Sport and Styling. (continued)

Tailgate trim.

Finish off your Caravelle with a chrome tailgate trim.

Rear tailgate spoiler.

Add a rear tailgate spoiler for that sporty look. Available in black, red, silver and primed ready for painting.

Caravelle headrest covers.

Add a personal touch to your van with removable personalised headrest covers.

Map pockets.

Add more flexibility to your storage with matching leather map pockets. Perfect for storing maps or books.

Lowering springs. (Not illustrated)

Reduce the ride height of your Caravelle by 30mm with the lowering springs.

Leather pack 1.

Add not only a touch of luxury but also durability and practicality to your van with single colour, smooth and high quality leather with matching stitching and your choice of pillow or flat cushioning.

Leather pack 2.

Your choice of two tone upholstery, with either the side 'fillet' panels or the mid centre back and seat panels in complementary colours. Both designs are stitched in the contrasting colour and you can also choose between flat or pillow-effect cushioning.

Leather pack 3.

Add an extra touch of luxury with single colour leather with unique diamond quilted centre panels.

Caravelle Executive pack.

Add luxurious 'Nappa' leather and velvety perforated Alcantara® diamond quilted centre panels. With leather map pockets on driver and passenger seats.

Touring.

Roof bar set.

Adding roof bars to your van can help increase your load capacity by 100kg/220lbs. Used in conjunction with other roof bar accessories you can easily meet your individual requirements.

Kayak holder.

Must be used in conjunction with the slotted roof bars.

For use in conjunction with the roof bar set.

Caravelle folding bed.

Can be used with either rotary seats or the Multiflex board (sold separately). Folds up into 4 sections and can be held with straps behind the rear bench seat.

Front window wind deflectors.

To help deflect wind or objects from the front windows.

Thule Pacific 100 roof box.

370 litre capacity, 1,390mm long, 900mm wide, 390mm high.

For use in conjunction with the roof bar set.

Pullout ski and snowboard holder.

Used in conjunction with the roof bar set, this addition features a practical 'pull out' function making loading and unloading easier. Holds 6 pairs of skis or 4 snowboards.

Tailgate bicycle holder.

For transporting up to four bicycles. 60kg load limit. Cannot be used in conjunction with rear roof spoilers.

Touring. (continued)

Surfboard holder.

For use in conjunction with the roof bar set.

Ezetil cool box.

Available with a 27 litre or 40 litre capacity, the Ezetil cool box cools up to 20° below ambient temperature. Connects via the cigarette lighter and features AES-system battery discharge protection. Must be stored in luggage area whilst in transit.

Ezetil converter. (Not illustrated)

Enables the Ezetil cool box to be used in the home.

Ezetil 12V battery guard.

(Not illustrated)
Connects via the cigarette lighter, with built-in battery protection, to avoid flattening the vehicle battery whilst the engine is not running.

Multiflex board.

Use the boards to divide the existing storage space into two levels in no time at all.

Mini cool/warm box.

Secured using a standard seat belt, the mini cool/warm box has a 6 litre capacity, built in storage compartments, a removable strap and cools up to 20° below ambient temperature. It also heats up to 65° when you need to keep things warm.

Towing.

Towbar – detachable swan neck.

Adding a detachable towbar can increase your load capability without making it a permanent feature. The detachable swan neck towbar is only compatible with 13 pin towing electrics.

Towbar – fixed swan neck.

Adding a fixed towbar can increase your load capability. The fixed swan neck towbar will require 13 pin electrics (available separately) suitable for your vehicle.

13 pin towing electrics. (Not illustrated)

The electrical installation kit is pre-assembled for fitting a towing hitch. To be used in conjunction with relevant fixed and detachable towbars.

For use with Caravelle towbars.

Media.

Nokia HF 310 portable Bluetooth® device.

Connect this stylish speakerphone wirelessly with Bluetooth® to your phone and enjoy the comfort and freedom of hands free communication in your vehicle.

Key features:

- Manage your calls from the comfort of your driving seat
- Take control with the convenient one-touch keys
- Enjoy superior audio with digital signal processing (DSP)
- Choose the right position with three included mounts
- Pair your device wirelessly via a Bluetooth® connection
- Talk for longer with up to 30 hours of talk time
- 2 years manufacturer warranty

Suitable for all vehicles.

iPod adaptor.

Using the original Volkswagen iPod adaptor, you can connect your iPod 3G, iPod 4G, iPod 5G, iPod classic, iPod mini, iPod nano (1st to 3rd generation), iPod photo or 1st generation iPod touch. The iPod is controlled and audio output is via the car radio or navigation system. Please ask your Van Centre for compatibility details.

Media-in interface.

Connect external audio sources such as MP3 Players, iPods, and USB-Sticks via the MEDIA-IN interface. Track listings can be viewed and selected via the vehicle's audio system. The unit also provides power to your media device and for iPods, charges your iPod whilst connected. Cables are purchased separately to suit your individual requirements.

Bluetooth® Touch Phone kit.

Enjoy safe hands free calling throughout your journey. The Bluetooth® Touch Phone kit operates through voice recognition with its quick and accurate text-to-speech function. The system can read out text messages in a clear and easy to understand manner providing all the information you need without looking at the screen.

Will require two Quadlock leads. Please see price list for details.

Blueconnect hands free system.

Fully integrated voice activated Bluetooth® phone system. The system allows you to pair up to seven phones and it can store up to 32 names, holding up to four phone numbers per name. Available in grey.

Media. (continued)

Rosen 10.2" overhead all-in-one DVD/CD/MP3 system.

Play DVD movies, CD audio discs, your homemade MP3 music discs, and the family photo album in JPEG format on the integrated drive with lighted disc guide. The DVD formatted 10.2" wide-screen, 16:9 flat-panel LCD presents ultra-crisp images for optimum viewing pleasure. The Z10 also features 25 action packed, 16-bit, built-in video games with wireless games controller and an auxiliary mini-jack w/RCA adaptor to connect a game console, video camera or MP3 player. The unit is neatly mounted in the headlining behind the front seats.

Stylish remote control.

2 x wireless stereo headsets.

Wireless games controller.

Nextbase Click 7 Duo DVD Player. (Not illustrated)

- Dual-screen DVD player with seven-inch digital TFT screens, with a resolution of 480 RGB (W) x 234 (H)
- Plays films, music and photo slideshows
- Anti-vibration technology
- LED backlight technology
- Stanchion mounts enable you to adjust the screens' viewing angles

- Can be powered by the car, battery, or by a mains socket
- The only portable DVD on the market that has passed European crash tests
- Screens have round edges and are plastic coated, so there will be no broken glass in the event of an accident
- Supplied with AC/DC adaptor, remote control, two sets of earphones and a carry bag

Safety and Security.

Full length load separator grille/dog guard.

To prevent forward movement of luggage. Can be fitted at either 'B' post or 'C' post positions, 3rd row seat needs to be removed to enable fitting at 'B' post position.

Dividing grille/dog guard separator.

Suitable for use only with full length separator grille/dog guard when fitted at 'C' post position, as shown in image.

First aid kit.

Pocket-sized safety: this small and handy first aid pouch is an ideal companion on holidays. Fully compliant and equipped in accordance with DIN 13164. The pouch measures only 26 x 15cm and is made from water-resistant material.

Warning triangle.

It is now a legal requirement to carry a warning triangle in your vehicle in Europe – make sure you have yours.

Anti-theft wheel bolt set.

Set of 4 bolts with key and identification codes.

Anti-theft spare wheel bolt.

(Not illustrated)
Additional security for the spare wheel.

Alarm system. (Not illustrated)

The alarm system comes in x 3 parts; the alarm module, alarm harness and interior monitoring sensor for maximum security.

Reversing aid kit.

This kit includes four sensors which can be painted to match the body colour of your vehicle.

Only suitable for use with towbars 7H0092101A and 7H0092155A.

High visibility safety vest.

One size fits all.

Protection.

Rear bumper cover.

To help protect your rear bumper from daily wear and tear.

One-piece front carpet mat.

Available in grey. Protect your vehicle floor with this one-piece mat.

Foldable bag.

This high quality bag increases the flexibility of your load area and keeps items secure during transit. The integrated straps attach to the vehicle's lashing points and the bag folds away neatly when not in use.

Front and rear mudflaps.

To help protect your vehicle from what the road throws up. Opt to add just front mudflaps, rear or both.

Two-piece tailored rear carpet mats.

Available in grey. Preserve the rear floor of your vehicle with these tailored carpet mats.

Trailer nose weight is 100kg.

Roof load limit is: maximum 150kg (with 4 roof bars)
maximum 100kg (with 2 roof bars)

Tailgate load limit is maximum 75kg.

¹ For 12% gradient.

² Unladen weight and payload includes approximately 90% fuel load and 75kg for driver.

Payload = gross vehicle weight - unladen weight.

The new California.

Escaping is easy in the new California.

Anyone who likes to go in search of wide open spaces will feel happy in the new California. It's high tech, innovative interior gives you maximum flexibility, ensuring escaping is easy, whether you want to follow the surf or the sun, or take to the open road and sleep where you like. A rail system ensures the rear bench moves easily and smoothly to the rear of the vehicle, and quickly converts into a bed measuring 114 x 200cm, while the electrically powered roof rises at the touch of a button to reveal the spacious upper berth and second double bed. With mosquito nets to give you all the fresh air you need, and a blind to separate the upper berth from the lower cabin area, you can be sure of a great night's sleep in the new California – leaving you refreshed for the next adventure.

Home from home.

The new California is a real home from home, with everything you need for cooking ready to hand – including a two-burner hob, sink with a drawer and cutlery tray beneath, and handy fridge. There's also plenty of useful storage space providing lots of room for your pots, pans, dishes and plates. In addition, the kitchen unit also comes with a movable and folding worktop, fitted as standard, which is designed for use as a table.

Swivelling front seats and an adjustable free-standing table (conveniently stored in the sliding door) ensure that mealtimes in the new California are always a sociable affair. And during those warm, summer evenings, two standard folding seats, cleverly stored in the tailgate, enable you to sit outside and watch the sun go down at your leisure.

As you'd expect, the interior of the new California meets the highest expectations, with innovative ideas and high quality materials throughout. For example, the wood-trimmed cupboard fittings are made of lightweight material to reduce the overall weight of the vehicle and reduce fuel consumption, while the corrugated inner core of the aluminium panels maintains the stability of the cupboard surfaces, which feature curves rather than sharp edges. The fresh water and waste tanks are protected against frost and each has a capacity of 30 litres. There's also an AC inverter, with a 230V socket, conveniently located behind the 'B' pillar trim, allowing you to use electrical equipment up to a maximum of 150W, without having to connect to the external 230V mains hook-up.

01

02

03

04

- 01** Cooker and sink combination featuring a two-burner hob with Piezo-ignition, situated on the left next to the high-grade steel sink. Both feature a glass cover.
- 02** This compact 42 litre fridge is top-loading with a basket insert.
- 03** The lower cupboard is equipped with two sliding doors, these can still be opened when the bed/bench is pulled out.
- 04** The standard folding table and folding chairs are suitable for internal or external use. The table can be stored in the side door whilst the seats stow neatly in the tailgate.

You couldn't ask for greater comfort or safety.

The new California offers you complete motoring comfort. Driver and front passenger swivelling seats feature lumbar support and armrests, and are also heated, while such features as air conditioning, front electric windows, heated exterior mirrors, remote central locking and a RCD 310 Radio/CD player with eight speakers ensure total comfort and convenience.

This exceptional vehicle is sure-footed, too, with high body rigidity, large anti-roll bars, McPherson suspension struts and independent rear suspension combining to ensure a dynamic driving experience. Naturally, safety is paramount, which is why an Anti-lock Brake System (ABS), Electronic Differential Lock (EDL), Traction Control System (TCS), Engine Braking Control (EBC) and Electronic Stabilisation Programme (ESP), not to mention driver, passenger, side and front curtain airbags, all come as standard, providing you and your passengers with the highest levels of protection.

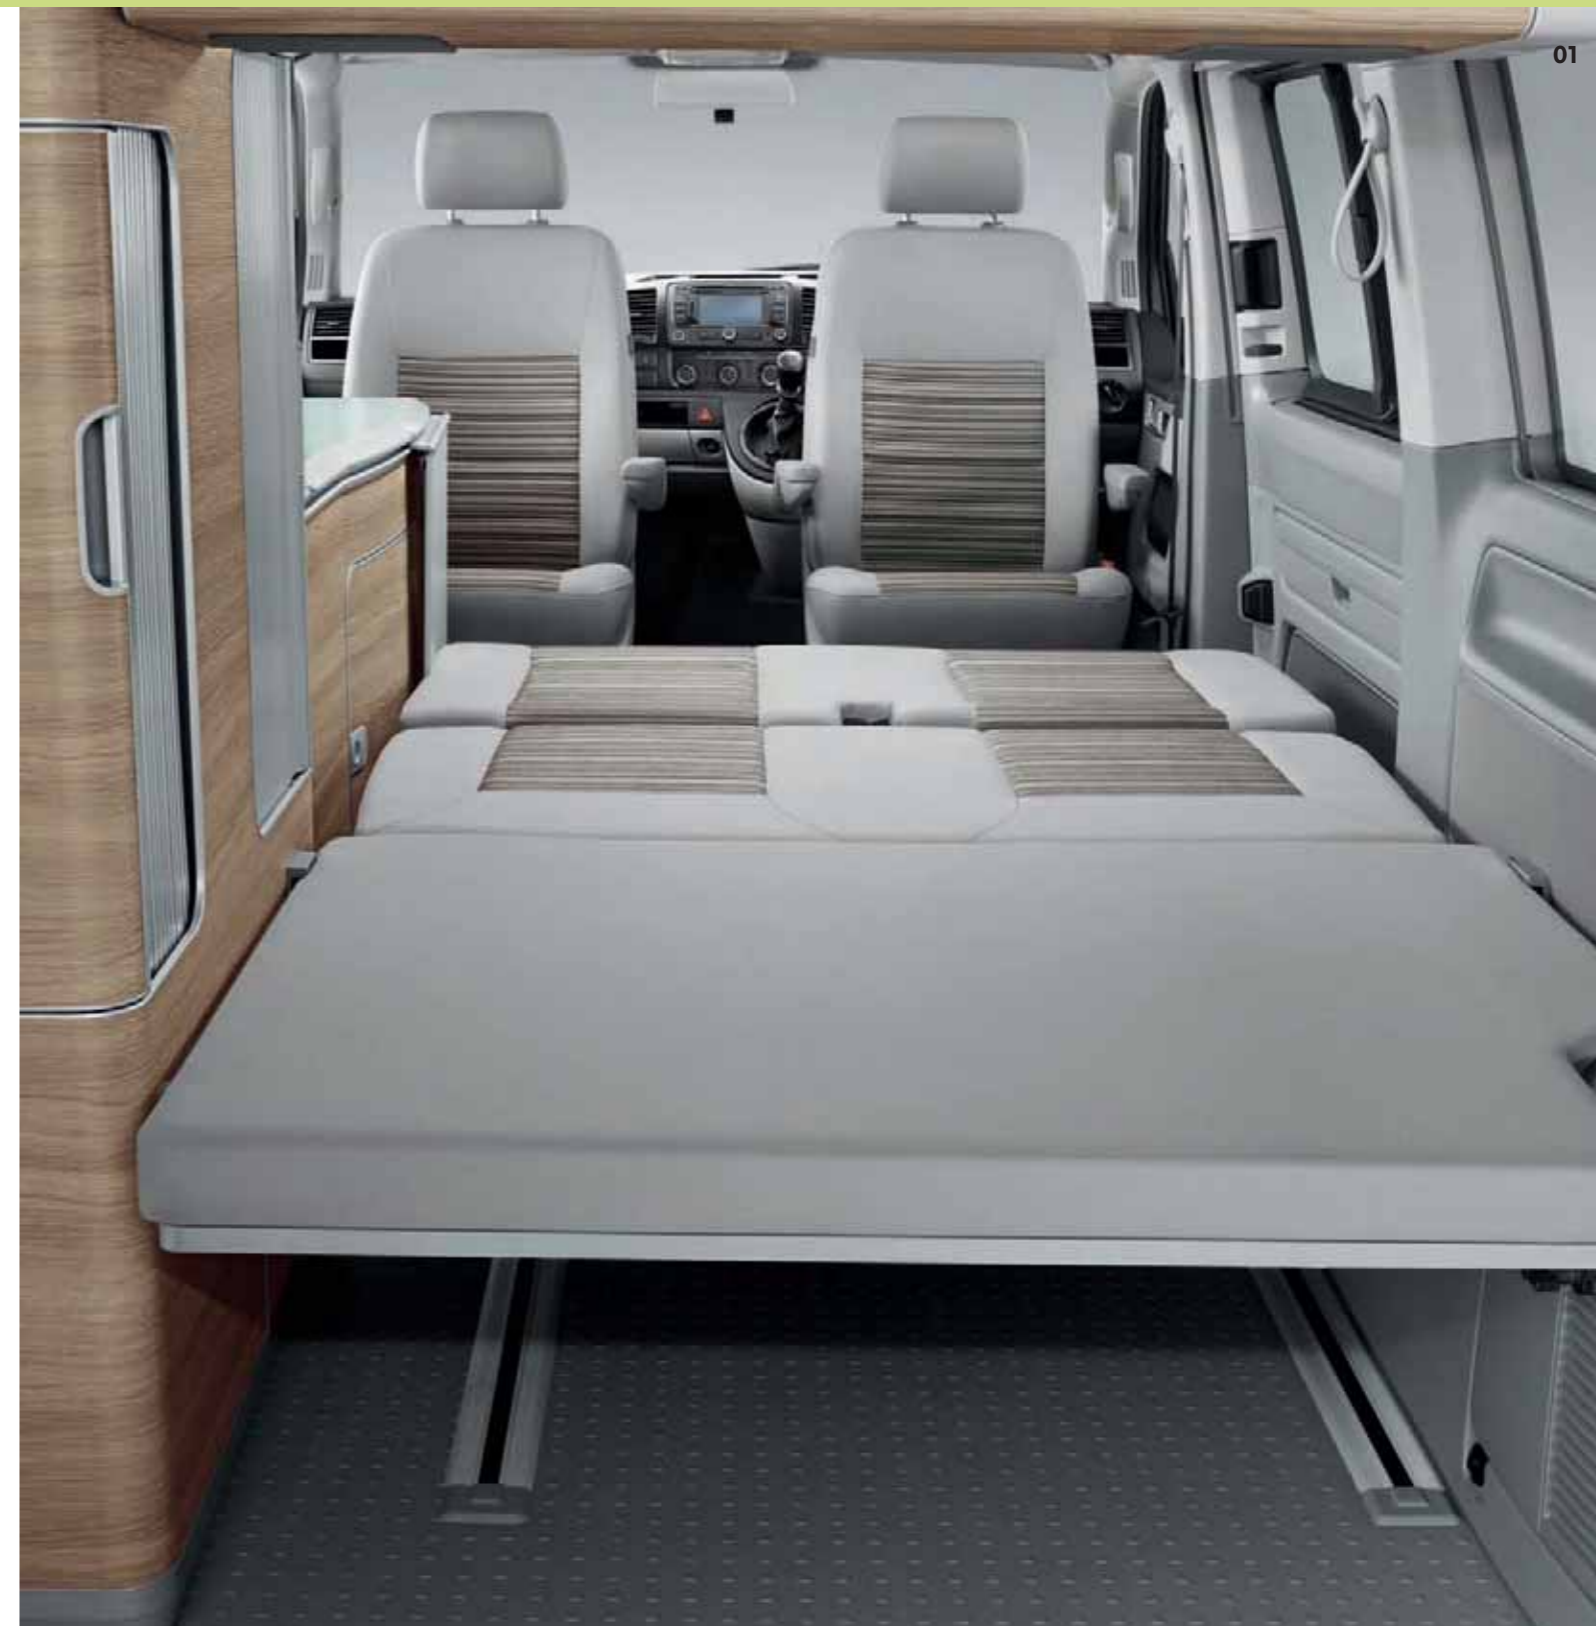

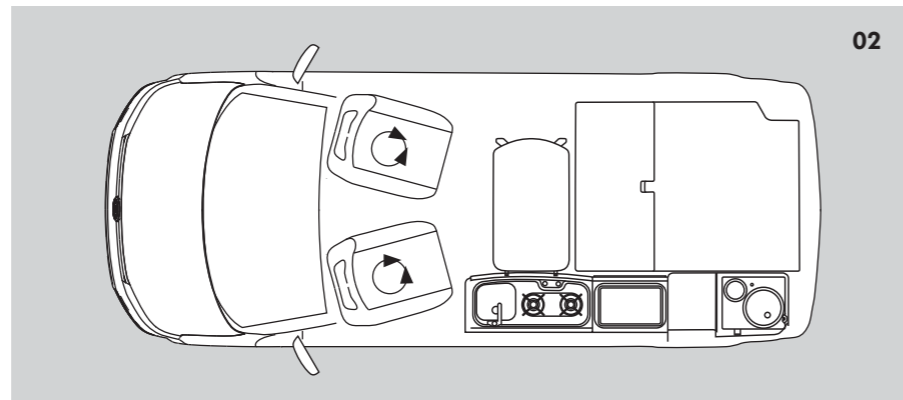

01 The rear bench seat in the living area converts into a bed measuring 114 x 200cm. To enlarge the luggage space, the cover can also be locked in a higher position.

02 Layout shows the lower cabin area with bench seat folded flat and bed cushion in place to create sleeping area.

03 The bed in the roof area measures 120 x 200cm. The slatted frame has a padded mattress for comfort.

04 A safety net can be attached to the upper berth.

05 The cab access to the roof space can be closed off with a blind.

New California standard equipment.

Body.

- 2 front doors
- 80 litre fuel tank with secure flap
- Body coloured bumpers, exterior mirrors and protective side moulding
- Chrome trim on radiator grille
- Clear glass headlights
- Covered sliding door guide
- Insulating double glazed glass in living area (except sliding window)
- Jack and tool kit
- Mirrors: convex on passenger's side, aspherical with outer wide angle section on driver's side
- Pop-up aluminium roof (electro-hydraulically activated) with 2 attachment rails for roof luggage rack system (roof load max 50kg), exterior mounted stay arm and self-furling bellows
- Right side sliding door
- Roof load rack preparation
- Self supporting and galvanised full steel body
- Tailgate, double glazed
- Tinted cab windows
- Towing eyes, front screw-in and rear fixed to body
- Underbody made up of long and cross members

Interior front.

- 2 silicone-damped grab handles above cab doors and grab handle at 'A' pillar, left
- 2 storage compartments in driver and passenger door, lower holds 1.5 litre bottle
- 2 sun visors, folding and pivoted with vanity mirror and document pocket
- Blackout for night use on windscreen and cab doors
- Carpet floor covering
- Centre console
- 'Crete' fabric seat covers
- Dash mounted gear lever
- Drinks holder
- Driver and passenger swivelling seats with lumbar support and armrests
- Fabric push-on frame insert to shade door window
- Front floor mats
- Hook on lower dash on front passenger side
- Interior entry steps, illuminated
- Interior light and two reading lamps in overhead console, with switch-off delay
- Leather covered steering wheel, handbrake grip and manual gear knob
- Lockable glove compartment
- Open storage compartment in dash panel including mobile phone holder
- Storage compartments in dash panel beneath outer air vents
- Storage compartments in outer side of driver and passenger seats
- Storage net on lower dash passenger side
- Storage pockets on front seat backrests

Interior living area.

- 2 folding chairs (stored in tailgate)
- Clothes cupboard and storage compartment, rear left
- Fridge 'Waeco': 42 litre capacity, cooling system compression unit
- Draw curtains for side windows, rear left
- Drinks holder
- Flexible worktop (attached to kitchen cabinet, adjustable)
- Floor with plastic safety cover
- Fluorescent light and 5 LED spotlights, switched individually
- Folding table (stored in sliding door)
- Fresh water container, approx 30 litres: filling outside vehicle, rear left, with access for cleaning; with electric pump
- Gas cooker: 2 burners, burner power approx 1000W/1800W, power from 2.8kg gas cylinder (not supplied), energy consumption rated approx 140g/hr
- Interior entry step with automatic illumination switch-off
- Kitchen unit: sink/cooker combination with height adjustable safety cover, sink: stainless steel with height adjustable single tap (with switch for water pump) and removable washing-up bowl, drawer for cutlery, storage space with 2 sliding doors
- Light in luggage compartment (tailgate activated)
- Reclining bench/bed, adjustable and tilting: backrest adjustable to 3 positions, folding, articulated and adjustable headrests, storage compartment under bench seat, removable integrated seat belts, sleeping area 114 x 200cm, together with bed cushions
- Roof bed (120 x 200cm) with gas-spring supported pivoting mechanism: ventilation windows in sides (closable) on left and right, mosquito net, comfort slatted frame, foamed plastic padding (55mm), insertable child safety net and flexible halogen lamp
- Safety tank valve: gas pressure regulator, shut-off valve for gas feed
- Sliding windows with flyscreens
- Waste water tank: protected against freezing in passenger compartment, capacity approx 30 litres

Functional.

- 4 12V sockets in living area
- Air conditioning dashboard, manually controlled, with dust and pollen filter
- Electric windows, front
- Electrically adjustable, heated and folding exterior mirrors
- Heated front seats
- Heated washer jets, front
- Instrument illumination, dimmable
- Instrument panel includes: brake fluid level, brake pad wear indicator, coolant temperature display, digital clock, fuel gauge, rev counter, trip computer, speedometer with total mileage and trip counter, warning lamps for handbrake applied and door/tailgate opening, windscreen washer fluid level indicator
- Parking heater with radio remote control
- RCD 310 Radio/CD player with 8 speakers and AUX-IN socket
- Remote central locking with deadlocking and internal locking button, 2 remote keys supplied
- Separately controlled heating system for living area
- Side sliding door with power latching
- Steering column, height and rake adjustable
- Tailgate with power latching
- Vented moulded trim above side windows in passenger compartment
- Warning buzzer for lights left on
- Windscreen wiper with 2-speed operation and variable intermittent delay

Running gear.

- 16" running gear (17" with 180PS models)
- Alloy wheels: 'Miyato' 16" 6.5J x 16 on 140PS models 'Thunder' 17" 7J x 17 on 180PS models
- Front and rear axle: anti-roll bars, front and rear, front McPherson strut suspension, independent suspension, rear miniblock springs, telescopic shock absorbers
- Hydraulic brake system with ventilated disc brakes and ABS: Anti-lock Braking System
- Power steering
- Rear differential lock (4MOTION® only)
- Steel spare wheel
- Tyres: 215/65 R16 on 140PS models 235/55 R17 on 180PS models

Safety and security.

- 2 reversing lights
- 3rd brake light
- ABS: Anti-lock Braking System
- Airbag for driver and passenger with passenger airbag deactivation
- Airbags, side and front curtain
- Anti-theft protection: alarm with interior and tow away protection, deactivation switch for both functions on 'B' pillar, breaksafe steering wheel lock, electronic immobiliser, locking wheel bolts
- Childlock on sliding door
- Dual tone horn
- EBC: Engine Braking Control (not with 4MOTION®)
- EBD: Electronic Brakeforce Distribution
- EDL: Electronic Differential Lock
- ESP: Electronic Stabilisation Programme including Active Rollover Protection (ARP), brake assist system, maximum brake support, prefill and Rain Brake Support
- First aid bag and warning triangle
- Fog lights, rear and front with cornering lights
- Halogen main headlights with daytime running function
- Headlight range control
- Head restraints, height and tilt adjustable for all seats
- Hill hold control
- Rear view mirror anti-dazzle function
- Seat belts, 3 point inertia reel integrated into rear seats
- Seat belts, 3 point with height adjustment and tensioners for front seats
- Side mounted indicators
- TCS: Traction Control System

Electrical.

- 12V system
- 12V to 230V adapter (in kitchen cupboard)
- 230V system with battery charger
- AC inverter with 230V socket
- Alternator 180Ah
- Batteries: 72Ah, 2 auxiliary batteries (maintenance free) with cut-off relay for powering living area (fridge etc.)
- Battery charger (current and voltage regulated)
- Central electronic system with waking alarm function in cab above interior mirror for control and status check of: battery charge level, battery capacity, fridge (digital temperature setting), outside temperature, fresh water supply (3 settings), waste water level (3 levels), charger display, activation of electric pop-up roof, parking heater display and control
- Charging via alternator or battery charger
- Circuit breaker (FI/LS 0.001/13A)
- Fridge: power consumption – approx 50W @ 100% on-time, average on-time approx 30%, running noise under 35dB (A), classification *** (to -18°), operation electric 12V
- Earthed mains socket in living area
- Fuses for power consuming devices in living area
- Supply via CEE outlet on outer side, rear left

Designed for travel.

Created for those who enjoy travel and adventure, the new California offers space, reliability, technology and comfort. And now, thanks to an extensive range of accessories, it offers a means of enjoying the open road in a style that's customized to your exact needs.

A choice of alloys gives you the opportunity to create a truly dynamic exterior, while leather seats ensure a luxurious interior. Naturally, touring accessories will be of major interest, with items such as a ski and snowboard holder, kayak holder and bicycle holder providing further opportunities for action and excitement, and a towbar increasing load capability.

Bluetooth® phones keep you in touch throughout your travels and an iPod connector provides an easy way to enjoy your favourite music. With additional safety aids to help keep you safe, and protective items to minimize wear and tear, we offer everything you could need to enjoy 21st century travel on the road. Simply visit your local Van Centre who'll be happy to fit your accessories for an all-in price, then take off in style. The world really is your oyster.

Sport and Styling. (continued)

Leather pack 1.

Add not only a touch of luxury but also durability and practicality to your van with single colour, smooth and high quality leather with matching stitching and your choice of pillow or flat cushioning.

Leather pack 2.

Your choice of two tone upholstery, with either the side 'fillet' panels or the mid centre back and seat panels in complementary colours. Both designs are stitched in the contrasting colour and you can also choose between flat or pillow-effect cushioning.

Leather pack 3.

Add an extra touch of luxury with single colour leather with unique diamond quilted centre panels.

California headrest covers.

Add personalised headrest cover embroidered or embossed with a logo of your choice. Available in quantities of 4 or 5.

Map pockets.

Add more flexibility to your storage with matching leather map pockets. Perfect for storing maps or books.

Touring.

Roof bar set.

Adding roof bars to your van can help increase your load capacity by 100kg/220lbs. Used in conjunction with other roof bar accessories you can easily meet your individual requirements.

Kayak holder.

Suitable for roof bars with T-slot section.

For use in conjunction with the roof bar set.

Pullout ski and snowboard holder.

Used in conjunction with the roof bar set, this addition features a practical 'pull out' function making loading and unloading easier. Holds 6 pairs of skis or 4 snowboards.

Thule Pacific 100 roof box.

370 litre capacity, 1,390mm long, 900mm wide, 390mm high.

For use in conjunction with the roof bar set.

Tailgate bicycle holder.

For transporting up to four bicycles. 60kg load limit. Cannot be used in conjunction with rear roof spoilers.

Not to be used in conjunction with a tailgate/roof edge spoiler.

Front window deflectors.

To help deflect wind or objects from the front windows.

Touring. (continued)

Surfboard holder.
For use in conjunction with the roof bar set.

Ezetil cool box.
Available with a 27 litre or 40 litre capacity, the Ezetil cool box cools up to 20° below ambient temperature. Connects via the cigarette lighter and features AES-system battery discharge protection. Must be stored in luggage area whilst in transit.

Ezetil converter. (Not illustrated)
Enables the Ezetil cool box to be used in the home.

Ezetil 12V battery guard.
(Not illustrated)
Connects via the cigarette lighter, with built-in battery protection, to avoid flattening the vehicle battery whilst the engine is not running.

Mini cool/warm box.
Secured using a standard seat belt, the mini cool/warm box has a 6 litre capacity, built in storage compartments, a removable strap and cools up to 20° below ambient temperature. It also heats up to 65° when you need to keep things warm.

Towing.

Towbar – detachable swan neck.
Adding a detachable towbar can increase your load capability without making it a permanent feature. The detachable swan neck towbar is only compatible with 13 pin towing electrics.

Towbar – fixed swan neck.
Adding a fixed towbar can increase your load capability. The fixed swan neck towbar will require 13 pin electrics (available separately) suitable for your vehicle.

13 pin towing electrics. (Not illustrated)
The electrical installation kit is pre-assembled for fitting a towing hitch. To be used in conjunction with relevant fixed and detachable towbars.

For use with California towbars.

Media.

Nokia HF 310 portable Bluetooth® device.
Connect this stylish speakerphone wirelessly with Bluetooth® to your phone and enjoy the comfort and freedom of hands free communication in your vehicle.

Key features:

- Manage your calls from the comfort of your driving seat
- Take control with the convenient one-touch keys
- Enjoy superior audio with digital signal processing (DSP)
- Choose the right position with three included mounts
- Pair your device wirelessly via a Bluetooth® connection
- Talk for longer with up to 30 hours of talk time
- 2 years manufacturer warranty

Suitable for all vehicles.

iPod adaptor.
Using the original Volkswagen iPod adaptor, you can connect your iPod 3G, iPod 4G, iPod 5G, iPod classic, iPod mini, iPod nano (1st to 3rd generation), iPod photo or 1st generation iPod touch. The iPod is controlled and audio output is via the car radio or navigation system. Please ask your Van Centre for compatibility details.

Media-in interface.
Connect external audio sources such as MP3 Players, iPods, and USB-Sticks via the MEDIA-IN interface. Track listings can be viewed and selected via the vehicle's audio system. The unit also provides power to your media device and for iPods, charges your iPod whilst connected. Cables are purchased separately to suit your individual requirements.

Bluetooth® Touch Phone kit.
Enjoy safe hands free calling throughout your journey. The Bluetooth® Touch Phone kit operates through voice recognition with its quick and accurate text-to-speech function. The system can read out text messages in a clear and easy to understand manner providing all the information you need without looking at the screen.

Will require two Quadlock leads. Please see price list for details.

Blueconnect hands free system.
Fully integrated voice activated Bluetooth® phone system. The system allows you to pair up to seven phones and it can store up to 32 names, holding up to four phone numbers per name. Available in grey.

Safety and Security.

High visibility safety vest.
One size fits all.

Warning triangle.
It is now a legal requirement to carry a warning triangle in your vehicle in Europe – make sure you have yours.

Anti-theft wheel bolt set.
Set of 4 bolts with key and identification codes.

Reversing aid kit.
This kit includes four sensors which can be painted to match the body colour of your vehicle.

Only suitable for use with towbars 7H0092101A and 7H0092155A.

First aid kit.
Pocket-sized safety: this small and handy first aid pouch is an ideal companion on holidays. Fully compliant and equipped in accordance with DIN 13164. The pouch measures only 26 x 15cm and is made from water-resistant material.

Anti-theft spare wheel bolt.
(Not illustrated)
Additional security for the spare wheel.

Alarm system. (Not illustrated)
The alarm system comes in x 3 parts; the alarm module, alarm harness and interior monitoring sensor for maximum security.

Protection.

Waterproof seat covers.
Protect your seats from wet and dirt with these removable waterproof seat covers.

Available for driver and passenger seats only and driver and passenger seats, twin rear bench and single rear passenger seat.

Rear bumper cover.
To help protect your rear bumper from daily wear and tear.

One-piece front carpet mat.
Available in grey. Protect your vehicle floor with this one-piece mat.

Front and rear mudflaps.
To help protect your vehicle from what the road throws up. Opt to add just front mudflaps, rear or both.

Brandrup.

Air-safe tailgate hook.

Allows the tailgate to be opened by 10cm to allow airflow into vehicle. Vehicle can be locked with the tailgate hook in place.

Driver's seat backrest – 6 bags.

Maximise the storage on the back of the driver's seat with this 6 bag backrest which hooks over the driver's seat.

Passenger seat backrest – 2 bags and multibox.

Maximise the storage on the back of the passenger seat with this 2 bag and multibox backrest which hooks over the seat. Fits round the kitchen unit.

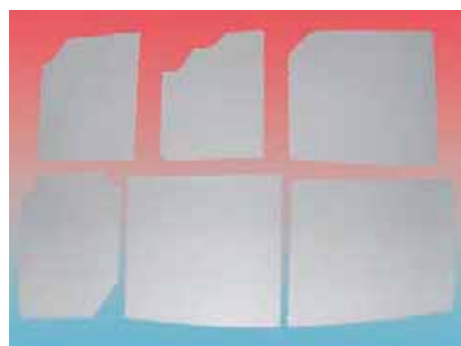

Other storage options are available for wardrobe and bench seat drawer. Available from early 2010. Please ask your Van Centre for part numbers and pricing.

Cupboard window storage – 2 bags.

This 2 bag set adds additional storage to the kitchen area. Includes elasticated bands to store small spice jars.

Available from early 2010. Please ask your Van Centre for part numbers and pricing.

Anti-slip mats for California cupboards.

Complete set of non-slip mats for cupboard shelves. Reduces noise and movement within the cupboards during transit.

Luggage Compartment mats.

Reduce slippage and noise in the luggage compartment with tailor made mats for the floor and cupboard side.

California 8 piece cooking set.

Cooking set includes 6 pans, 2 lids and 2 handles. All pieces stack into each other saving valuable space and are held together with 2 spiral spring clamps.

Clothes hooks with towel rail.

Consists of 2 clothes hooks with elasticated cord between. Ideal for drying tea towels.

Camping plate holder.

This practical plate holder can hold up to 8 plates and can be adjusted to hold plates between 200mm and 300mm in diameter.

Aeration for cabin windows.

Pair of aeration ducts provided for driver and passenger windows. Product fits into top of the window and the window should be moved slowly into place to fix.

Bench rucksack.

Attaches to the rear of the bench seat and offers 300 litres of storage, great for storing bedding and when empty can remain in place when bench seat is folded down into the bed.

Cutlery tray for California drawer.

Specially designed for the California drawer. Allows cutlery to be separated and can reduce noise in transit.

Brandrup. (continued)

California folding bed mattress.
 Additional mattress for the folding bed increases comfort. The mattress folds into 3 sections and can be easily stored on top of the rear mattress when not in use.

Roll-out side for original awning.
 Add a side panel to your factory-fitted awning. Sold as individual sides, but two additional panels can be fitted to the factory awning.

Water fill-in set.
 Attaches to the top rail on the vehicle allowing easy filling of the water tank. Strap and filling hose are included, foldable water tank is available separately.
 Please see price list for further details.

ISO-TOP pop-up roof liner.
 Made from GORE membrane the material is breathable, windproof and flame retardant. For use in temperatures between 0-30°C. Can remain in roof when closed for travel.

Fly net for sliding door.
 Net covers entire sliding door and can be unzipped to allow entry into the vehicle without removing it. Can be tied back when not in use.

ISOLITE® insulation panels cabin.
 Includes panels for front windscreen and driver's and passenger windows.
 Also available for tailgate. Please see price list for further details.

Volkswagen service for your peace of mind.

The Volkswagen warranty.

Three-year warranty.

All new Volkswagen Caravelles and Californias come with a three-year/100,000 miles warranty, which protects your vehicle against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/100,000 miles (whichever is soonest) Van Centre warranty. Should the mileage exceed 100,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen Van Centre* or repairer; however, this additional warranty must be purchased before the mileage reaches 100,000. Full details of the three-year warranty are available from your authorised Volkswagen Van Centre* or repairer.

Three-year Paint warranty.

The paintwork of all vehicles is covered against manufacturing defects for a period of three years. Naturally, the vehicles must be cared for in compliance with the operating instructions which will be found in your owner's handbook. Please consult your authorised Volkswagen Van Centre* or repairer for full warranty details.

12-year Body Protection warranty.

The internal body sections and panels of all vehicles are covered against rusting through from the inside for 12 years. Naturally, the vehicles must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen Van Centre* or repairer for full warranty details.

Service intervals for Diesel Engines.**

The LongLife Service regime is so called because there are no set intervals. The intervals between services will vary depending on how you drive your vehicle and the conditions of use. There is however maximum time/distance parameters set and if the service light has not already come on it will do so when either the maximum mileage or time limit is met.

The maximum mileage/time parameters vary by model, for more detailed information on LongLife Service regimes and their suitability for your requirements please contact your local Van Centre.

If you would like a more traditional service regime the vehicle can be adapted by your authorised Volkswagen Van Centre or Van Service Centre to the Time/Distance regime. This can be done at the point of vehicle sale or when an inspection service is carried out. An oil change is required at every 10,000 miles on the Time/Distance regime.

All mileages are approximate as the system uses kilometres as the distance measure. Please consult your authorised Volkswagen Van Centre* or repairer for full details.

Volkswagen Original Parts*.

When you fit replacement parts to your vehicle, you need to know that they'll stand the test of time. Volkswagen Original Parts* are constructed to the highest standards, are cheaper than you might think and are widely available from Volkswagen Group's massive national distribution centre.

Approved Accessories.

A comprehensive range of accessories from alloy wheels to carpet mats is available to complement the factory fitted option list. Volkswagen approved accessories purchased from and fitted by your authorised Volkswagen Van Centre at the point of vehicle sale will also benefit from the three-year vehicle warranty.

Volkswagen Commercial Vehicle Finance†.

Volkswagen Commercial Vehicle Finance offers a dedicated service to meet the needs of both the business user and the private motorist. Your local Van Centre can help you choose the right type of finance package to meet your specific requirements. Please ask for details.

† Volkswagen Commercial Vehicle Finance is a trading name of Volkswagen Financial Services (UK) Limited. Subject to status. Finance available to over 18s only. Indemnities may be required.

Volkswagen Commercial Vehicle Insurance.

We want you to start enjoying your new van from day one and thanks to the complimentary seven day cover from Volkswagen Commercial Vehicle Insurance, you can. Call free on 0800 316 7896 (lines are open Monday to Friday 8am – 9pm and Saturday 9am – 5pm), provide a few details and a cover note will be sent to your Van Centre. They will then tax your vehicle and you can drive it away. Visit insurewithvvcv.co.uk for details of the full range of insurance products available. Here you can also get a quote for your annual van insurance and buy it online too. All of our insurance products are designed to ease the pain of making a claim.

Volkswagen Commercial Vehicle Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited, an appointed representative of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230. Volkswagen Commercial Vehicle Insurance is sold, underwritten and administered by Allianz Insurance plc registered in England number 84638. Registered office 57 Ladymead, Guildford, Surrey GU1 1DB. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are authorised and regulated by the Financial Services Authority. Volkswagen Financial Services (UK) Limited and Allianz Insurance plc are not part of the same corporate group.

Extended warranty.

You may purchase additional vehicle warranty protection. Please contact your authorised Volkswagen Van Centre* or repairer for further details.

Volkswagen Roadside Assistance.

Every new Volkswagen purchased benefits from a comprehensive recovery and assistance package across the UK for a full three years, operating 24 hours a day, 365 days a year. Fully trained technicians are able to diagnose and repair most problems at the roadside, using Volkswagen equipment and parts. Where this is not possible we will recover your vehicle to a Volkswagen Van Centre and arrange for a temporary vehicle or accommodation. We also include support for you whilst driving in Europe during your first three years. These services are subject to Terms and Conditions. For full details, please contact your authorised Volkswagen Van Centre* or repairer.

* The new Volkswagen Caravelle and California is available through participating Volkswagen Van Centres.

For more information about your nearest participating Volkswagen Van Centre, call 0800 717131.

** All mileages are approximate as the system uses kilometres as the distance measure. Please consult your authorised Volkswagen Van Centre or Van Service Centre for full details.

Please note: Some of the vehicles shown may be fitted with optional equipment at extra charge. All data given and specifications are in accordance with information available at the time of going to print and are subject to change without notice. Vehicles not in current UK stock and customer order vehicles may take a number of weeks for delivery. Certain combinations of vehicle specifications and factory fitted extras are not compatible and therefore all orders received are subject to confirmation. Models, factory fitted options and paint and upholstery options subject to availability. Please check details and availability with an appropriate authorised Volkswagen Van Centre at the time of ordering.

CO₂ Emissions.

The weight of a vehicle will influence the level of CO₂ emission it produces; as a result, vehicles with higher levels of specification and factory fitted options may emit higher levels of CO₂.

The CO₂ figure quoted for each vehicle is the maximum possible. The unladen weight of the vehicle is calculated by range at the time of manufacture and the maximum possible CO₂ emission for that weight range is applied according to the Council Directive 80/1268EEC as amended by Commission Directive 1999/100/EC on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

The new Caravelle and new California
