

NOT RESTORED BUT VINTAGE!

NEW VINTAGE FOOD TRUCK

THE PERFECT REMEMBRANCE OF THE PAST

The first vintage food truck that you buy as new. Not a vintage vehicle to restore. The new vintage food truck is the contemporary version of the Citroen Type H, so popular during the '70s. Vintage style and modern functionality.

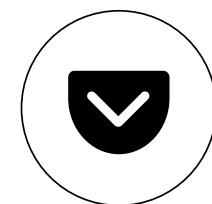

TOP APPEAL

Unique and original vehicle.

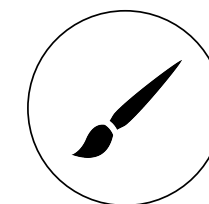

B PATENT

Drivable with car license.

ERGONOMICS

Vintage but max ergonomics.

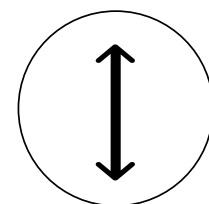

CUSTOMIZABLE

You can personalize it with colors, materials, lights and accessories

AUTONOMY AND MANTENIANCE

100% autonomo e manutenzione facilitata.

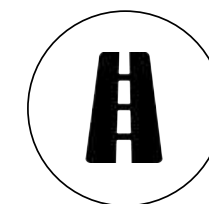

LOW CHASSIS

Floor walking area less than 40 cm from the ground.

BIG LOAD

Light, so it can have around 500-700 kg capacity.

LOGISTIC

It is a new truck so it can drive for long distance journeys.

PERSONALIZE YOUR NV FOOD TRUCK

NV Food Truck's quality and finely-researched color, materials, lighting, artwork and accessories make it unique, unmistakable and appealing. Each detail is important to your brand.
