

Comfortable Family Motorhome

The HD 420 is a good sized family motorhome, mounted on the reliable Mercedes Sprinter Single Cab.

This exceptional family layout has two bunk beds in the rear, with good head height, each with its own curtain for privacy, ideal for staggered sleeping times. Each bunk also has its own 12V and 220V socket for, for instance the playstation. Under the bottom bunk is storage space with external access. The Luton has a large permanent double bed.

The forward seating area, seats four comfortably, and the optional large side hatch will open out next to the seating area, to provide an excellent viewing platform in which to enjoy the outdoors, while sat in the comfort of the cabin. The seating area can be easily converted into an additional sleeping area for two persons. The seats can be fitted with seatbelts for use when travelling.

The spacious kitchen is situated conveniently opposite the seating area, and incorporates a two burner hob, separate stainless steel sink, large refrigerator with freezer and small gas oven, with storage cupboards and drawers.

The good-sized bathroom is positioned at the rear next to the bunk bed area, and features a separate shower cubicle, wash basin and wc.

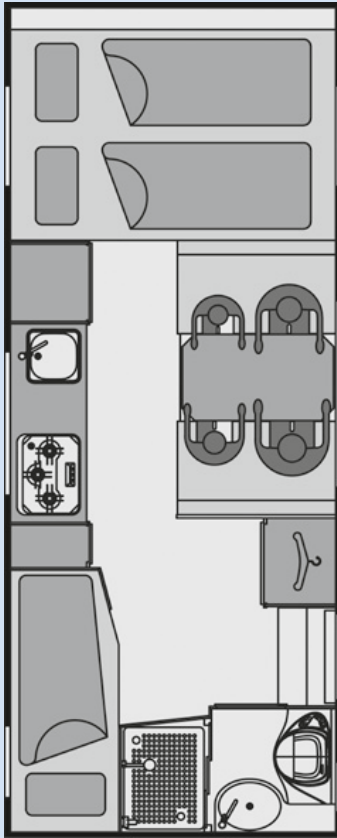

The whole living area is mounted on a heated and insulated double floor, which incorporates the water and waste water tanks protecting them and the valves from extremes in temperature, as well as providing a great storage area accessible from three external lockers.

There is extensive storage throughout, comprising a wardrobe, overhead lockers, in addition to the under seating/floor storage and under the bunk bed.
