

**CITROËN COMMERCIAL VEHICLES  
NEMO, BERLINGO, DISPATCH, RELAY**

INSPIRED BY YOU

Designed by **Le TONE**  
 During the 90s Le Tone had a major hit, "Joli Dragon", and devoted himself to music for 15 years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

## 1934

CITROËN revolutionises the automotive landscape with the Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

## 2014

CITROËN C4 CACTUS is launched, incorporating the innovative AIRBUMP® protection system.

**CITROËN**  
Origins

Discover the models that make up CITROËN's extraordinary history, from 1919 to the present day.

1919

The pioneering CITROËN Type A enters mass-production.

1939

CITROËN launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H, above, launched in 1948.

1948

The much-loved 2CV is created as a "safe and economical vehicle, able to carry 4 people on-board and 50 kg of luggage". More than 5 million are made.

1968

It's a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

1974

The 70s and 80s see CITROËN technology triumph, with models such as the AX, BX, CX and advanced XM, a prestigious vehicle equipped with Hydractive suspension.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... CITROËN has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

UP TO **2.80m<sup>3</sup>**   UP TO **1.20m**   UP TO **2.49m**   UP TO **660kg**   UP TO **180°**   UP TO **1.47m**

## COMPACT, MANOEUVRABLE, MADE FOR THE CITY

It might be ultra-compact at just 3.86m, but CITROËN NEMO provides plenty of load capacity. It offers up to 2.8m<sup>3</sup> of space, a load length of up to 2.49m, a width of 1.04m between wheel arches and a payload of 660kg.

### SLIDING SIDE DOORS

You can take full advantage of the exceptional load space thanks to wide sliding side doors that always give you easy access.

### GLAZED BULKHEAD

Here's an intelligent touch that allows you to keep an eye on your load whilst maintaining excellent sound insulation.

## IN CONTROL, IN COMFORT

Settle into the driver's seat and you'll find forward and backward adjustment for seat back and headrest, as well as height adjustment and lumbar support on LX and Enterprise versions. You'll also find controls and displays for features that aren't linked to driving safely housed in the centre panel. Depending on the exact version, they include the CD/MP3 system, Bluetooth® hands-free kit\*, USB socket, remote locking and unlocking for the rear load space, air-conditioning and an ingenious tilting desk. The glove box is roomy enough to take your laptop, keeping it safe from unwanted attention.

\* Needs a compatible phone.

## MAKING SPACE: THE EXTENSO® PASSENGER SEAT

To maximise load space, the Extenso® passenger seat can be completely retracted. Now there's a seriously useful 2.49m at floor level and a load volume of 2.80m<sup>3</sup>. The bulkhead can be moved round by 90 degrees to protect the driver while using this configuration – a clever safety detail.

*Folding mesh bulkhead is available as an accessory.*

## INTELLIGENT TRACTION CONTROL

CITROËN NEMO features an intelligent traction control system that maximises grip in all conditions, keeping you safely on course wherever you go.

CITROËN BERLINGO

## CITROËN BERLINGO IN 6 KEY BENEFITS

### SERIOUS LOAD CAPACITY

A 850kg payload and room  
for 2 Euro pallets.

by scanning this code with your smartphone

 UP TO **4.1m<sup>3</sup>**
 UP TO **1.25m**
 UP TO **3.25m**
 UP TO **850kg**
 UP TO **180°**
 UP TO **1.62m**

## EPIC LOAD CAPACITY

CITROËN BERLINGO majors on versatility. It's available with 1 or 2 sliding side doors for effortless loading even when you're parked in a tight spot. Fold down the side seat in the Extenso<sup>®</sup> cab and you'll have 3.7m<sup>3</sup> of usable room in the L1 version and up to 4.1m<sup>3</sup> in L2 models. Payload goes right up to 850kg including the driver, and as you'd expect 2 Euro pallets are easily accommodated.

## AN INTELLIGENT SPECIFICATION

Look at the details and you'll see that CITROËN BERLINGO is on your wavelength. There's a special roof flap that opens to take on long objects. It's a simple but clever feature that you'll quickly appreciate.

## EXTENSO® CAB

THE FLEXIBLE TEAM PLAYER

With 3 seats, the Extenso® cab provides room for your team to travel in comfort. It's also a very flexible space that's ready to adapt to changing needs. The retractable side seat creates additional load length for bulky objects, while the folding centre seat becomes your mobile office in moments. Everywhere you'll find handy storage spaces just where you need them, so that tools and day-to-day work items can be kept safe and organised.

**1. Retractable side passenger seat :**

Fold down the side seat and you've got up to 3.25m of load length in the L2 version – and two useable seats.

**2. The mobile office :**

Made for busy days, the central seat folds quickly to provide a useful work surface for documents, folders and the rest...

**3. Take the high load :**

Everything fits – simply raise the side passenger seat.

## HIGH LEVEL COMFORT

PURE PRACTICALITY

Settle into CITROËN BERLINGO and you'll instantly feel comfortable. The driver's seat is height adjustable,\* and the steering wheel is height and reach adjustable, so you can fine-tune your position. Controls and storage spaces are placed for ease of use and clarity. There's even a full width compartment above the windscreen that accommodates A4 folders. Even more useful space is available on the dashboard, thanks to the automated manual gearbox\*\* that removes the need for a gear stick here.

The cruise control and speed limiter are instantly accessed from the steering wheel, but CITROËN BERLINGO offers more. With BlueHDi engines there are four predetermined speed limit options that can be personally configured by your CITROËN dealer.

\* Depending on version.

\*\*Where specified.

Leather steering wheel is not available in UK.

## TECHNOLOGY FOR EFFORTLESS PROGRESS

Helping you to make the most of CITROËN BERLINGO's clever, accessible technology is the 7 inch touch screen.\*

1. Equipped with Mirror Screen and CarPlay™\*\* the 7 inch touch screen gives you safe access to a whole range of your smartphone applications. Now you're connected everywhere.
2. The 7 inch touch screen also works with the optional reversing camera, bringing you a clear image of what's behind. Visual markers help you to manoeuvre easily and safely.
3. At street level, CITROËN BERLINGO is looking after you with Grip Control.\*\*\* This clever anti-skid system optimises traction on all kinds of surfaces. A clear dial on the dashboard allows you to choose between standard, sand, snow, all terrain and ESP off modes, so you're always in control.

\* Depending on version.

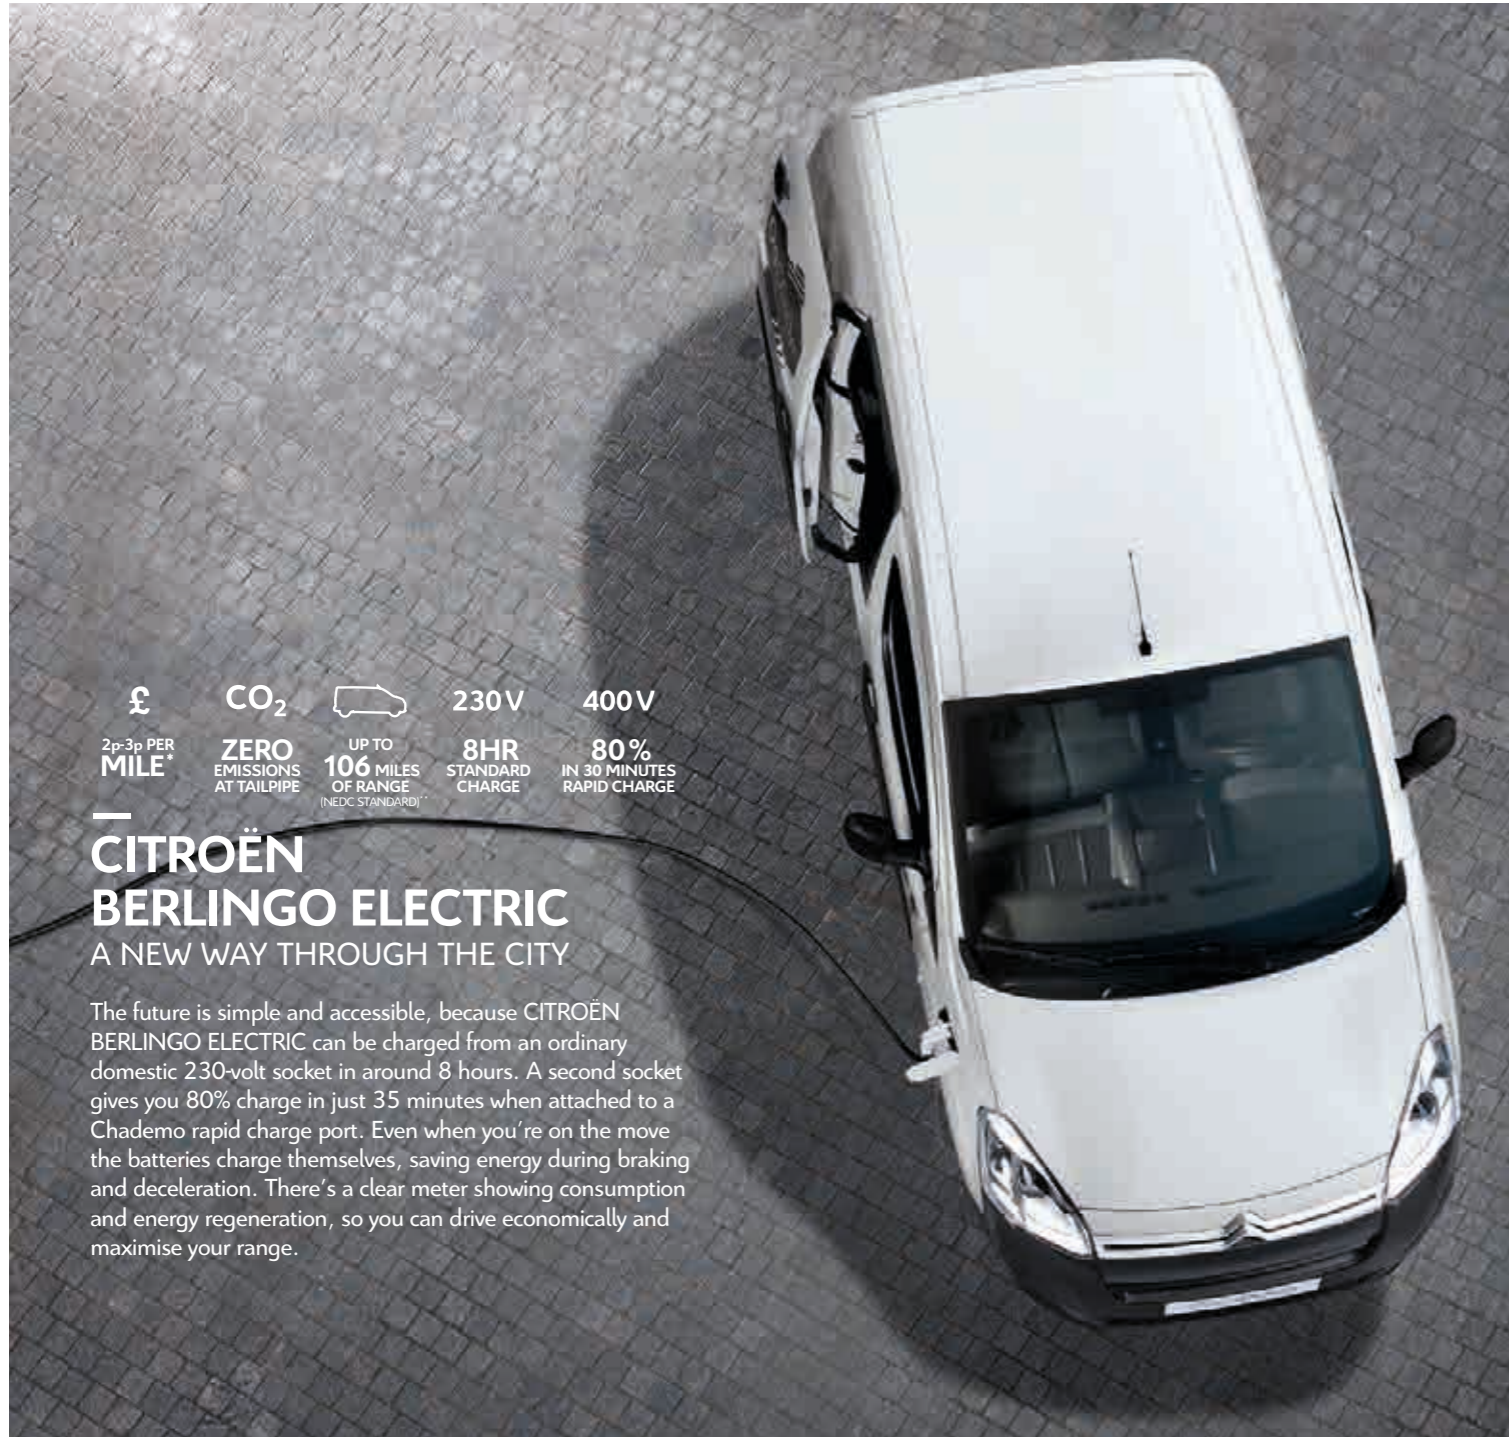

\*\* Needs a compatible smartphone.

\*\*\* Only available on LX 750 & 850 models and Enterprise 850 models.

Elegantly designed and simple to use, the 7 inch touch screen puts a whole range of technology right at your fingertips. There's media, such as radio, streaming, portable device connections and all the telephone features you need. This encompasses hands-free Bluetooth® connectivity, contacts, dual call management and voice recognition. Naturally you can also adjust important vehicle settings from the touch screen too.

*Leather steering wheel is not available in UK.*

£ 2p-3p PER MILE\*  
 CO<sub>2</sub> ZERO EMISSIONS AT TAILPIPE  
 UP TO 106 MILES OF RANGE (NEDC STANDARD)\*\*  
 230V 8HR STANDARD CHARGE  
 400V 80% IN 30 MINUTES RAPID CHARGE

## CITROËN BERLINGO ELECTRIC

A NEW WAY THROUGH THE CITY

The future is simple and accessible, because CITROËN BERLINGO ELECTRIC can be charged from an ordinary domestic 230-volt socket in around 8 hours. A second socket gives you 80% charge in just 35 minutes when attached to a Chademo rapid charge port. Even when you're on the move the batteries charge themselves, saving energy during braking and deceleration. There's a clear meter showing consumption and energy regeneration, so you can drive economically and maximise your range.

1. CITROËN BERLINGO ELECTRIC provides instant response and strong acceleration, easily reaching 68mph. With a range up to 106 miles\*\* between charges, you're ready for every kind of road.

2. Checking your range and monitoring economy is really easy, using the consumption and charge indicators. All the figures you need are clearly displayed on the dashboard and the central instrument panel. You can also check the trip computer for the same information.

3. The optional fully glazed, insulated bulkhead is safe, snug and minimises noise in the cabin.

\*Estimation and electricity costs are dependent on the electricity providers' tariff.

\*\*New European Driving Cycle test figure. In real world use the range is impacted by numerous factors and is likely to be lower.

## MAXIMUM SPACE, MINIMUM EFFORT

When you need plenty of flexible space and intelligent practical touches, CITROËN DISPATCH is an ideal partner. There's up to 6.6m<sup>3</sup> of load space which can be specified with optional treated or untreated wood lining, with a floor made from tough 9mm non-slip birch and reinforced with aluminium corners. A 12V socket is also available for the rear end of the load space. Back on the outside, the towing hook allows you to move up to 2.5 tonnes.\*

*CITROËN DISPATCH  
with treated wood lining.*

## MODUWORK\* THE SERIOUS SPACE ADVANTAGE

With Moduwork,\* CITROËN DISPATCH can accommodate objects up to 4m long. Simply raise the side passenger seat, open the flap and you've got a whole new area of useful space, complete with a flat floor and secure cargo net. The central passenger seat has a folding seat back that converts into an adjustable work surface, so you've got a mobile office in seconds. Legroom for everyone is maximised by the automated manual gearbox where fitted, which has no dashboard mounted gear lever.

\* Available as standard or optional at extra cost depending on version.

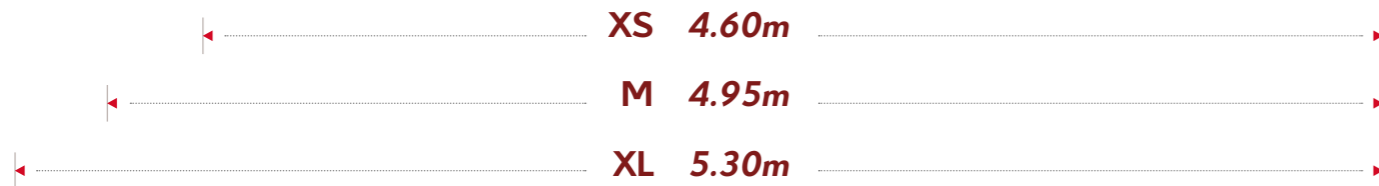

\*Maximum recommended towing weight within limits of Gross Train Weight (GTW)

## CHOOSE YOUR SIZE

Because it's built on a new modular platform, CITROËN DISPATCH is available in 3 different sizes. M versions are 4.95m long, XL versions are 5.3m, whilst the new XS is just 4.6m – a seriously space efficient innovation.

## A LOWER ROOFLINE MEANS ACCESS ALL AREAS

*CITROËN DISPATCH* measures just 1.9m\* high – it's a serious advantage because it means that you can access office, shopping centre and airport car parks that are off limits to many vehicles of this kind.

\* Applicable to M 1000kg versions.

1.9m

## A BALANCE OF COMFORT AND CONTROL

The front seats of CITROËN DISPATCH are ergonomically shaped and positioned to give you a raised commanding view of the road. Height and fore/aft adjustment mean that everyone can find their ideal setting, while a step makes it easy to get in and out of the cabin. The glazed bulkhead\* keeps the temperature inside just as you want it and helps to minimise noise levels, while all around you there are useful storage compartments for the day's essentials.

*\* Available as an option on X versions.*

## STEP INTO YOUR MOBILE OFFICE

Inside CITROËN DISPATCH there are lots of features designed to help you work well. The pivoting writing table\* supports files, paperwork or a laptop, whilst the upper central storage compartment can be specified with a handy tablet holder\*\* which neatly accommodates tablets up to 11 inch. Some versions also have a USB port near this feature to provide power. Naturally your smartphone has a dedicated place too. It's situated in the driver's side cup holder and includes an integrated power supply.\*

*\* Available as part of Moduwork.*

*\*\* Available as an accessory.*

## INNOVATIVE HANDS-FREE SLIDING SIDE DOORS

Approach CITROËN DISPATCH with your hands full and getting in is easy thanks to the hands-free sliding side doors\*. With the remote in your pocket you can unlock all the doors and open the nearest side door, simply by moving your foot under the corner of the rear bumper. From now on you never need to put valuable or fragile loads on the floor to grab a door handle! You can also close and lock the vehicle in the same way. It's a unique, useful, ingenious system.

*\* Available as an option.*

*Wheel trims shown not available in UK.*

## CREW VANS COMFORT FOR 6

Forget compromise. With a CITROËN DISPATCH Crew Van\* you can accommodate 6 people whilst maintaining load space of up to 4m<sup>3</sup>. Room underneath the passenger bench seat allows you to carry loads up to 2.3m long, whilst in Crew Van versions your passengers can relax in real comfort, with the benefit of a huge 73l storage area beneath their seats.

*\* Available on M and XL lengths.*

## GRIP CONTROL

With Grip Control, CITROËN DISPATCH looks after you on every kind of road. By working with the anti-skid technology, the system maximises front wheel grip. By using the dashboard mounted dial, you can choose between 5 different modes: Standard, Snow, Sand, Mud and ESP off.

## INNOVATIVE SYSTEMS MADE SIMPLE

CITROËN DISPATCH is packed with sophisticated technology that's easy to use and designed to enhance your day.

1. The Colour Head Up Display allows you to keep your eyes on the road, whilst providing important driver information such as speed, speed limiter settings, navigation and collision risk alerts in your field of vision.

2. CITROËN Connect Nav, the advanced 3D navigation system keeps you in touch with real time traffic conditions and can be controlled with voice commands or the 7 inch touch screen.

3. Mirror Screen\* is the elegantly simple system that lets you access a range of your smartphone apps through the 7 inch touch screen, so you can enjoy complete connectivity safely whilst on the move. It's offered with CarPlay™, Mirrorlink® and Android Auto.\*\* Another real innovation is the CITROËN Connect Box service\*\*\* which provides localised emergency and assistance calls, free, 24 hours a day, 7 days a week. It's your assurance that the emergency services will be with you fast if the unforeseen should happen. For an additional cost the system can also offer businesses a useful range of fleet management tools.

CITROËN DISPATCH has every angle covered when it comes to the latest driver aids. There's the Active Safety Brake, blind spot monitoring, auto dipping headlights, cruise control/speed limiter with speed limit recognition and recommendation and the reassuring Lane Departure Warning System. A smart parking assistance feature called Park Assist 180\*\*\*\* shows you an aerial view of the rear of your vehicle and its immediate surroundings on the 7 inch touch screen, automatically engaging and zooming in when you select reverse.

\* Needs a compatible smartphone.

\*\* Available during 2017.

\*\*\* Available as standard or optional at extra cost depending on version.

CITROËN RELAY

## CITROËN RELAY IN 6 KEY BENEFITS

UP TO 17m<sup>3</sup> UP TO 2.17m UP TO 4.07m UP TO 1.9t UP TO 270° UP TO 1.87m

## DESIGNED FOR WORK, MADE TO MEASURE

The hinged rear doors are created to make loading easier. Opening to 96° or 180°, they're held securely in place by a clever system of retractable cords. As an option you can choose doors that open to 270° and stay flat against the vehicle sides. Inside, the strong steel bulkhead protects you and minimises noise. Everywhere in CITROËN RELAY you'll discover exceptional features and details. The figures tell a story. There are 1.42m between wheel arches, 1.87m between the sides and depending on version, the rear door aperture is between 1.52m and 2.03m; these are class leading measures that add up to make a really spacious, easy to use hard working vehicle.

*In uncompromising endurance tests, all the doors are operated 500,000 times, simulating 10 years of hard use in extreme conditions.*

## SLIDING SIDE DOORS TAKING THE STRAIN OUT OF LOADING

With 2 sliding side doors\*, loading and unloading is made simpler and quicker, wherever you're working. Depending on which version you choose, doors can be between 1.075m and 1.250m wide and between 1.485m and 1.755m in height.

*\* A second sliding side door is an option.*

## 4 LENGTHS. 3 HEIGHTS. NO COMPROMISE.

To meet everyone's needs, there's a comprehensive range of vans available in 4 lengths, from 4.963m to 6.363m and 3 heights, from 2.254m to 2.764m. The simple cube-like rear design ensures that load volume is maximised.

L1H1	4.96m	▶
L2H2	5.41m	▶
L3H3	5.99m	▶
L4H3	6.36m	▶

## THE LOAD SILL THAT'S ALWAYS WHERE YOU NEED IT TO BE

CITROËN RELAY can be fitted with rear suspension that features pneumatic adjustment. This allows you to raise and lower the load sill by up to 70mm, so heavy, awkward objects can be stowed without strain.

PANEL VAN

CHASSIS CAB

CREW CAB CHASSIS

DROPSIDE

CREW CAB DROPSIDE

### PLENTY OF CONFIGURATIONS

CITROËN RELAY is also available as a Chassis Cab, Chassis Crew Cab or a Back to Back model designed to be adaptable for many different kinds of specialist conversion. To extend the CITROËN RELAY range further our specialist models include a standard Tipper, Dropside and a Luton Van. Built to the same high standard as any of our panel vans, these models offer near endless possibilities to help you find your fit-for-purpose, perfect model. For further information on our specialist models, please see our Ready to Run brochure.

## EVERYDAY COMFORT, ESSENTIAL TECHNOLOGY

Uncluttered and intelligently designed, the CITROËN RELAY interior is all about long-term comfort and simple functionality. From the well-shaped, high quality steering wheel and clear logical dashboard, all controls and equipment are pleasing to use and just where you need them. Driving will be a pleasure thanks to a comprehensive trip computer, CD MP3 audio system and Bluetooth®. To keep your devices powered up, there's a handy 12-volt socket in the centre of the dashboard.

*\* Depending on version. Needs a compatible smartphone.*

## THE QUALITY WORK SPACE

With plenty of space for 3 people, the cabin is full of light and offers excellent visibility thanks to a large windscreen and side windows. It's also a refined place to be because we've taken great care to minimise noise, fitting a thick insulating bulkhead. The upper centre console turns the interior into your office on the move, with a desk panel that's shaped to accommodate documents and hold tablets up to 10 inch or smartphones from 4 inch\*. There's also a USB port to charge portable devices and a clever pivoting writing table integrated into the front centre seat back for even more usable work space.

*\* Available as an option .*

## A SAFE PLACE FOR EVERYTHING

Inside CITROËN RELAY you'll find no fewer than 13 useful storage spaces. They include a really roomy overhead compartment above the windscreen designed for folders, two lidded gloveboxes, cup holders and a dedicated spot for your phone. There's also the option of a lockable refrigerated central compartment.

Some versions of CITROËN RELAY feature the crystal clear and intuitive 5 inch touch screen. Now you've got instant access to your music and media, with easy connection to radio, CDs, smartphones and MP3 players. The centre console desk is ready to take your documents or a tablet up to 10 inch.

## TECHNOLOGY DRIVEN BY YOUR NEEDS

CITROËN RELAY is equipped with a whole range of technology that's designed to make light work of the challenges you face. You'll be ready for anything.

The Lane Departure Warning System [LDWS] provides a clear warning if it senses the vehicle moving off its safe line due to driver tiredness or distractions.

The tyre under-inflation system constantly monitors your tyres and alerts you if it senses a puncture or loss of pressure.

With Intelligent Traction Control you travel safely and securely, even on icy, snowy roads.

Thanks to downhill speed control, you can maintain a safe 18mph on the steepest descents.

Reassuring features such as powerful daytime running lights and cruise control/speed limiter put safety first.

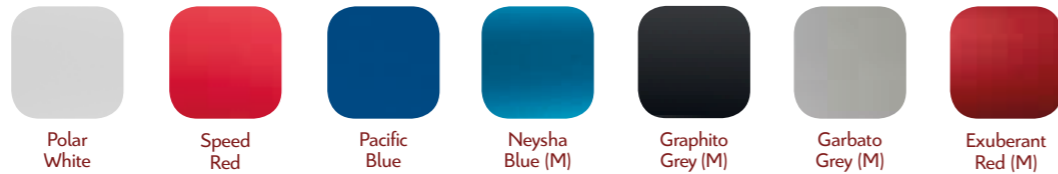

Reversing camera and rear parking sensors make urban manoeuvres and tricky parking stress-free.

# CITROËN CONVERTED VEHICLES: FOR YOUR EXACT NEEDS

By working closely with validated third party specialists, the Citroën Converted range provides a diverse choice of high quality, dependable and tough commercial vehicles which are designed to meet with the particular needs of hard working businesses. A list of our partners is available on request.

## INSULATED AND REFRIGERATED

When you need to transport perishable goods, you can rely on an insulated and refrigerated CITROËN. Simply choose from CITROËN NEMO, BERLINGO, DISPATCH AND RELAY ranges.

## BUILDING AND PUBLIC WORKS

CITROËN BERLINGO, DISPATCH and RELAY models are available in Crew Van versions offering load lengths of up to 2.8m and payloads of up to 1287kg. With a 2nd row bench seat in either fixed or foldable form, they can carry teams of up to 7 people dependent on the version. Relay models can also be built as a tipper, curtain-side or a dropside to meet the requirements of your business.

## FOR PEOPLE WITH REDUCED MOBILITY

For organisations, communities and private individuals, the CITROËN BERLINGO, DISPATCH and RELAY models guarantee a high level of comfort and uncompromised safety. Up to 6 people with reduced mobility can be easily accommodated with space for wheelchairs, and access is optimised using ramps, lifts and lowering systems.

## LUTON VANS

You can choose from a large range of Luton vans, based on the versatile and capable CITROËN RELAY platform. Hard working, proven and extremely space efficient, Luton vans offer generous load capacities up to 19.6m<sup>3</sup>. Each version can be personalised with the materials and equipment that best meet your working needs.

## WHATEVER CONVERSION YOU NEED

A CITROËN can be adapted and tailored in numerous exacting and individual ways, the conversion potential is huge. Simply talk to your CITROËN dealer who will guide you through the possibilities.

## BUSINESS CENTRES : OUR COMMITMENTS

- LCV service & MOT capability
- Body repair capability

## CITROËN CARE

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

### • CITROËN WARRANTY

Every new Citroën van has the benefit of a 3 year\* warranty package, plus a 5 year anti-perforation\*\* warranty and a 2 year paint warranty.

### • CITROËN ASSISTANCE

In response to a free telephone call in the UK, CITROËN Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. Please note, CITROËN Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. For more details please contact CITROËN at <http://citroen-uk-en.custhelp.com>

### • CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with CITROËN Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your CITROËN, whatever happens. To find out more, contact your CITROËN Dealer or CITROËN Authorised Repairer.

### • CITROËN SERVICING

Available up to 1 year from your vehicle's registration date, but before its first chargeable service, a CITROËN Servicing Package enables you to pay in advance for your vehicle's servicing needs for 3 years/35,000 miles. For further information, please contact your CITROËN Dealer.

### • CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of CITROËN Authorised Repairers know your CITROËN best, so if your vehicle's MOT Test is due, why not contact your local CITROËN dealer? You can be confident that your vehicle will be looked after by one of our expert trained CITROËN Technicians nominated by DVSA as accredited MOT Testers. Plus, whilst your vehicle is with us, we'll carry out a free outstanding manufacturer diagnostic test, check for any new technical updates and carry them out for free - that's the advantage of getting your test done by the people who really know your CITROËN.

\* 2 years' unlimited warranty. No-fee customer option of 1 year's Dealer provided warranty, only on vans sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for vans, motorhomes and converted vehicles.

\*\* Against all internal to external perforation to bodywork or underbody.
