6 IS BETTER

Why settle for five seats when you can have 6 individual seats that everybody can get comfortable in? You and five friends. Or you and your son's 5-a-side football team. Or you, four in-laws and their large dog. Imagine that, if you dare.

6 THINGS TO TALK ABOUT WHEN YOU'VE FINISHED WITH THE WEATHER.

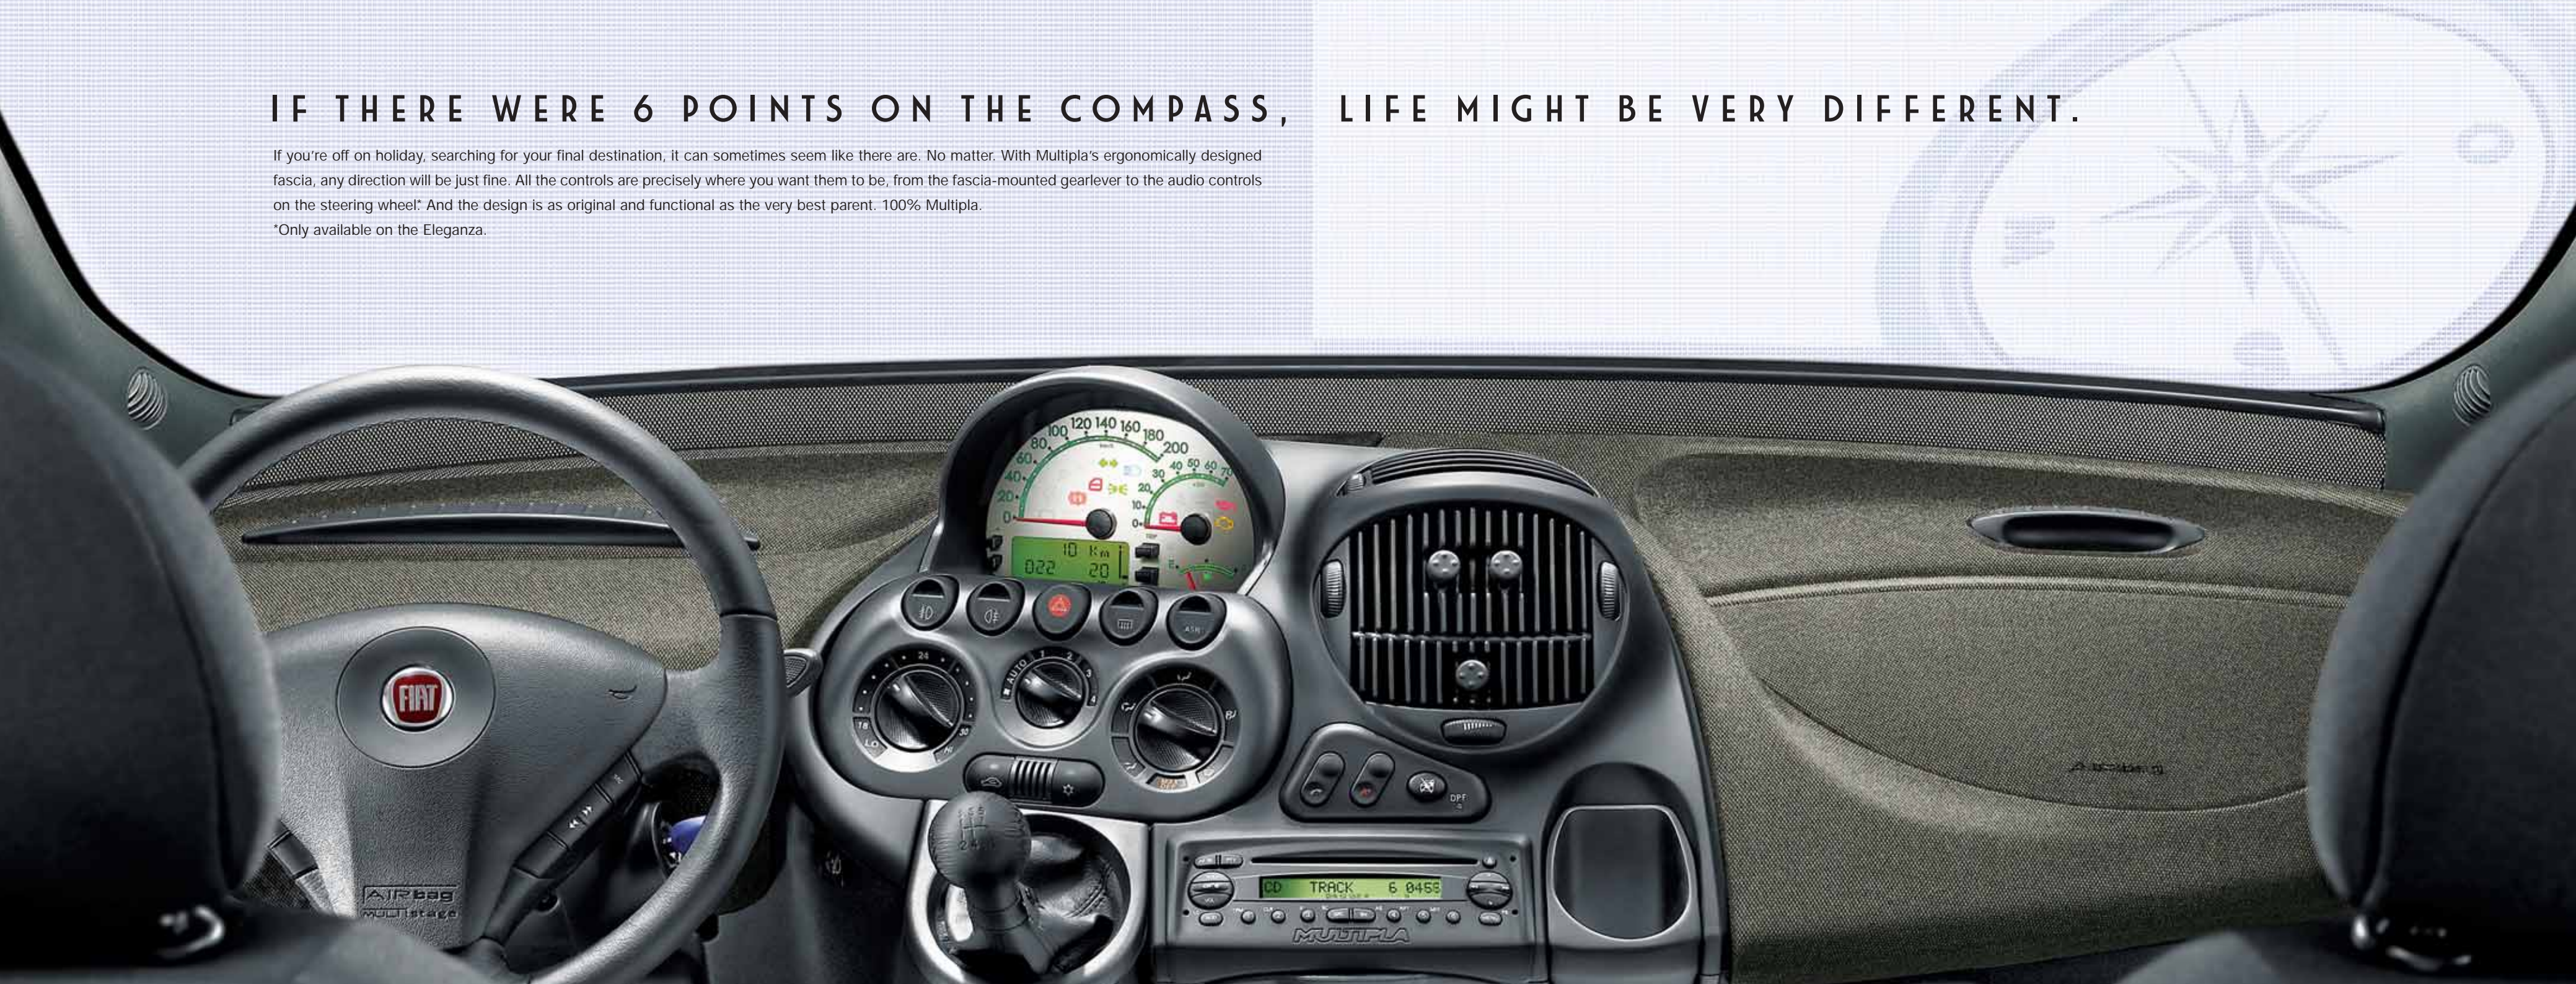

1) how versatile the interior of the Multipla is, 2) how you can convert the front middle seat into a small table, 3) or replace it with a refrigerator, 4) how easy it is to fold the back seats, 5) or remove them completely to create an enormous load bay, 6) for an adventurous trip away that will really give you something to talk about.

IF THERE WERE 6 POINTS ON THE COMPASS, LIFE MIGHT BE VERY DIFFERENT.

If you're off on holiday, searching for your final destination, it can sometimes seem like there are. No matter. With Multipla's ergonomically designed fascia, any direction will be just fine. All the controls are precisely where you want them to be, from the fascia-mounted gearlever to the audio controls on the steering wheel.* And the design is as original and functional as the very best parent. 100% Multipla.

*Only available on the Eleganza.

IF THE FOUR ELEMENTS SUDDENLY BECAME 6, CHOCOLATE REALLY SHOULD BE ONE OF THEM.

You can survive for days without water, but chocolate is another matter. Never, ever set out on a journey without some chocolate. Especially as we've taken the precaution of providing enough storage compartments to keep you in enough chocolate to last the journey. There's even an option of a refrigerator to protect against it melting in the summer. Oh, and enjoy the view while you're enjoying the chocolate.

The Multipla has perfect 360° visibility.

THERE ARE FIVE SENSES, BUT THE MOST INTRIGUING IS THE 6TH.

You can indulge your senses to the full with Multipla, from enjoying its unique character to discovering its spaciousness, ease of handling, comfort and style. But the best sense is the one that instinctively tells you you've found your perfect partner.

IF GENIES GAVE 6 WISHES, ONE OF THEM WOULD HAVE TO BE A MULTIPLA.

Have you ever noticed how genies only give you three wishes? With a Multipla, we think 6 is better. 6 seats, for a start. Then 6 more extras than you could ever wish for, including luxuries like roof bars, Bluetooth™, a refrigerator and even a built-in bike carrier. And at least 6 times as practical as a flying carpet.

IF THREE IS PERFECT, 6 IS TWICE AS PERFECT

Interior and exterior: two colour choices for each. Multipla-d by three different versions gives you 6 unique ways to personalise your Multipla. Do you notice a pattern emerging? Something to do with 6, perhaps?
