“What's playing?”

You speak...

Welcome to the next generation of in-vehicle connectivity. Voice-activated **Ford SYNC with AppLink*** offers connectivity so advanced, it lets you play music, make and receive hands-free calls and even control apps on your smartphone - all with a simple voice command.

*Requires a compatible mobile phone. (SYNC AppLink is available from summer 2014) You can browse a list of AppLink-compatible apps from Ford.co.uk, or via the App Catalog available in iOS and Android stores. SYNC AppLink and Emergency Assistance not supported by all European languages. See Ford.co.uk for latest information.

... Ford SYNC responds.

Ford SYNC with SYNC AppLink* responds to spoken commands so you can keep your hands on the wheel and eyes on the road. Make and receive calls or play music via Bluetooth® technology. The system automatically uploads and remembers your phone contacts. And lets you access music from USB drive or other devices. Plus the Ford Emergency Assistance* is designed to assist occupants to place an emergency call and provide the emergency services with vehicle location information in their own language. (Standard on Titanium and Zetec, option on Style)

*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you and switched on when an airbag is deployed or a sensor that registers a crash deactivates the fuel pump. SYNC AppLink and Emergency Assistance are not supported by all European languages. See Ford.co.uk for latest information.

Note The Bluetooth® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Model shown is a Tourneo Custom Titanium.

Space for everyone.

Settle into the Ford Tourneo Custom's roomy and luxurious interior and you'll enjoy the very latest in executive travel. Great to sit in and great to drive, it can accommodate up to nine people* in superb comfort. Or, thanks to its flexible seating configurations, be turned into one of the most spacious and well-appointed vehicles on the road, with plenty of extra room for bags and equipment.

*Available with a choice of eight or nine seats, including the driver. Model shown is a Ford Tourneo Custom (L2) Titanium in Tectonic Silver metallic paint (option).

Space for everything.

Tourneo Custom is the definitive Smart People Mover. Wide-opening sliding side doors – the largest in their class – and a large glazed tailgate offer easy access to the elegant and accommodating interior. While a host of thoughtful features, including convenient running boards and a range of useful stowage areas, provide even greater levels of space and versatility.

Sliding doors and running boards

Running boards fitted below the two sliding doors make getting in and out even easier, while enhancing Tourneo Custom's luxurious style. (Standard)

ISOFIX child seat fixing points

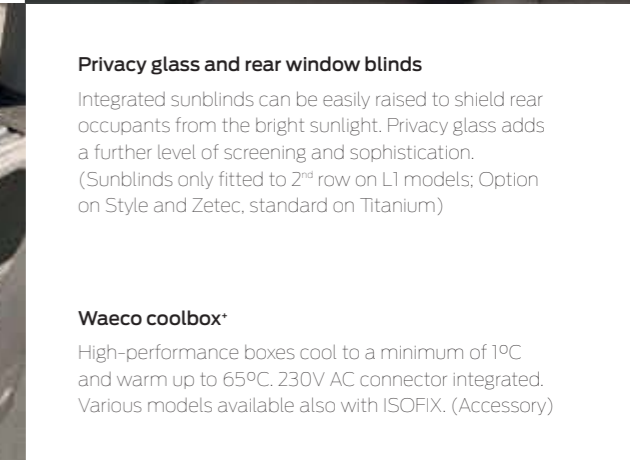

For enhanced passenger safety, ISOFIX child seat attachments points are available on the centre and driver's side of the second row, and the centre seat of the third row. (Standard)

Integrated roof rack

Holds 130 kg and, when not in use, folds level with the roof line to improve fuel economy and reduce wind noise. (Option)

*Item covered by third party supplier's warranty, please see back cover for details.

Privacy glass and rear window blinds

Integrated sunblinds can be easily raised to shield rear occupants from the bright sunlight. Privacy glass adds a further level of screening and sophistication. (Sunblinds only fitted to 2nd row on L1 models; Option on Style and Zetec, standard on Titanium)

Waeco coolbox*

High-performance boxes cool to a minimum of 1°C and warm up to 65°C. 230V AC connector integrated. Various models available also with ISOFIX. (Accessory)

See and be seen.

Automatic headlights and day running lights

Stand out at any time with Tourneo Custom's powerful, high-mounted headlights, integrated day running lights and elegant tail lights. Automatic headlights switch on when light levels fall, while a courtesy delay feature means they remain on for a short time to illuminate your path in the dark. (Automatic headlights standard on Zetec and Titanium, option on Style)

Projector-style headlights with static cornering lights

When you turn the steering wheel beyond 30 degrees, cornering lights illuminate the appropriate side of the road for extra visibility at night. (Standard on Zetec and Titanium, option on Style)

Model shown is a Tourneo Custom L1 Titanium in Midnight Sky metallic body colour (option).

Efficiency to the power of 3.

100 PS 2.2 Duratorq TDCi

Tourneo Custom's 100 PS (74 kW)/310 Nm diesel engine, with standard Ford Auto-Start-Stop, Ford Smart Regenerative Charging and optional Acceleration Control deliver class-leading fuel-efficiency and CO₂ emissions*:

125 PS 2.2 Duratorq TDCi

Renowned for its reliability and efficiency, Tourneo Custom's 125 PS (92 kW)/350 Nm engine offers an outstanding combination of power and economy. Together with the two other engine options, the 125 PS unit complies with strict EU Stage V LDT emission standards and drives the front wheels through a 6-speed manual transmission.

155 PS 2.2 Duratorq TDCi

The high-power version of the Duratorq TDCi produces a muscular 155 PS (114 kW) and an impressive 385 Nm of maximum torque. As the most powerful engine in the range, it delivers both a strong performance and a rewarding driving experience.

*All Ford Tourneo Custom models return 43.5 mpg with CO₂ emissions of 172 g/km.

Smart technology to keep you safe.

A full line-up of passive and active safety features make use of the latest technology to protect you, your passengers and your belongings.

1. Cruise control with adjustable Speed Limiter

Cruise control lets you set the pace, while the adjustable Speed Limiter allows you to set a maximum speed that you do not wish to be exceeded. (Standard on Zetec and Titanium, option on Style)

2. Lane Keeping Alert*⁽⁰²⁾

Designed to recognise when the vehicle drifts towards road markings without using the indicator, and alerts you with vibrations through the steering wheel. (Option)

3. Traction Control⁽¹⁾

If wheel slip is detected at low speed, this system can distribute more torque to the wheel with most traction. (Standard)

4. Electronic Stability Control (ESC)⁽⁰¹⁾

Senses when the vehicle deviates from your chosen line and aims to keep you on track by automatically regulating braking and engine output. (Standard)

5. Impressive towing ability

With up to 2,150 kg maximum towing capacity, Tourneo Custom offers impressive pulling power along with a range of safety features to help keep you and your trailer secure. (Commercial users may require a digital tachograph. A fitting kit is available from your Ford Dealer)

6. Trailer Sway Control⁽¹⁾

Designed to detect when trailer sway occurs and to help counteract it to bring the trailer under control. (Standard, compatible with Ford factory-fit tow bar)

Hill Start Assist⁽⁰²⁾

Designed to temporarily prevent you from rolling down a slope when you move your foot from the brake pedal to the accelerator pedal. It works in forward and reverse gears, so is ideal for towing or when on an incline. (Standard)

⁽¹⁾Uses sensors.

^(*)Operates at speeds over 40 mph on multi-lane roads with clearly visible lane markings.

⁽¹⁾Safety feature.

⁽²⁾Driver assistance feature.

A welcome you can feel.

When it comes to comfort and well-being, Ford Tourneo Custom excels, offering the style and quality of a luxury saloon along with the versatility and interior space of a people mover, with seating for up to nine occupants. A wealth of thoughtful equipment provides even greater levels of refinement. The driver's seat and steering column are fully adjustable so you can find your ideal driving position, while your passengers can relax with options such as rear compartment air conditioning, reclining seat backs and leather trim.

Power-operated and heated driver's seat

With 10 ways to adjust the heated driver's seat, you can find your most comfortable driving position with ease. (Option on Titanium)

Complete versatility.

Tourneo Custom L1.

Tourneo Custom L2.

Tourneo Custom 8-9 seats L1.

Tourneo Custom 8-9 seats L2.

Flexible rear seats

Each seat back can fold forward to create a flat workspace. The whole seat can fold forward again to take up minimal space or, for even more room, each seat can be completely removed.

Take a seat in premium class

Whatever you're carrying, from passengers and luggage to the unexpected, Tourneo Custom is versatile enough to find space for them all. Use all the seats to accommodate occupants in luxurious comfort. Or fold, tumble or stow the second- and third-row seats in more than 400 different ways to create limousine-like space or to maximise the luggage area, without leaving any seats behind.

Clever seating solutions

The generously proportioned interior of the Ford Tourneo Custom unites space with smart versatility. It can carry nine in complete luxury, or be easily reconfigured to offer up to 5.8 cu.m of luggage space*.

*5.1 cu.m for the L1, measured in cubic metres.

Tourneo Custom series.

Option pack available:

Visibility Pack Premium

*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible mobile phone that is with you when an airbag is deployed or the fuel pump shut off switch is activated. See your local Ford website for latest information.

Titanium

Key interior features, in addition to Zetec

- Radio/CD system with DAB
- Rear compartment air conditioning
- Sunblinds on 2nd row, plus 3rd row on L2 models

Option pack available:

Visibility Pack Premium

- Lane Keeping Alert with Driver Alert
- Rear-view camera with Trailer Hitch Assist
- Automatic headlights with Auto High Beam
- High series instrument cluster with colour display

We chose Tectonic Silver. Which one will you choose?

The new Tourneo Custom owes its beautiful and durable exterior to a thorough multi-stage painting process. From the wax-injected steel body sections to the hard-wearing top coat, new materials and application processes ensure it will retain its good looks for many years to come.

Note The images used are to illustrate body colours only and may not reflect the vehicle described. Colours and trims reproduced within this brochure may vary from the actual colours, due to the limitations of the printing processes used.

*Metallic body colours, special metallic body colours and leather trim are options, at extra cost.

Allergy-friendly interior

Ford Tourneo Custom's interior uses materials that minimise the risk of an allergic reaction. Models fitted with air conditioning also have a high-performance pollen filter to prevent dust and pollen entering the passenger compartment.

Even better ride and handling

Ford Tourneo Custom's driving qualities have been fine-tuned with new stiffer mounting bushes and brackets.

More rewarding to drive

Tourneo Custom's Torque Vectoring Control[®] is designed to improve traction, roadholding and agility when cornering by continuously optimising the engine torque distributed to each front wheel to match the amount of grip each has available. The result is a more rewarding driving experience. (Standard)

[®]Uses sensors.

First-in-class 5-star Euro NCAP rating

Safety without compromise

Ford Tourneo Custom is officially one of the safest vehicles on the road. It was awarded the maximum 5-star overall safety rating from Euro NCAP. In addition, the Tourneo Custom received two Euro NCAP Advanced Rewards in recognition of its Lane Keeping Alert technology and SYNC Emergency Assistance system.

Stop safer

Tourneo Custom makes driver and passenger protection its top priority. Standard safety features include ABS with Emergency Brake Assist (EBA) to help reduce emergency stopping distances. Larger brake pads last longer and are more resistant to brake fade, while wear sensors indicate when pads are due for replacement.

Driver Alert²⁾

Designed to warn you if the system detects driving behaviour that indicates a drop in alertness levels. Initially, a warning icon is displayed in the instrument cluster, followed by a warning chime if driving alertness further declines. (Standard with Lane Keeping Alert²⁾)

¹⁾Uses sensors. ²⁾Safety feature. ³⁾Driver assistance features.

4,500 virtual and real-world crash tests

Smarter engineering for greater peace of mind

With 4,500 crash tests to its name – in both the real and virtual worlds – the all-new Tourneo Custom is designed to keep its occupants as safe as possible. Outstanding protection begins in the stiff body structure, with increased levels of high-strength and ultra-high-strength steel. And is complemented by a range of safety innovations, including a full array of airbags, plus advanced chassis and braking technology.

Side curtain airbags²⁾

Designed to help protect the driver's and passengers' heads from injury. (Standard)

Ford SYNC with AppLink*

The next generation of in-car connectivity. Ford SYNC lets you operate most popular MP3 players, Bluetooth®-enabled phones and USB drives and even control apps on your smartphone with remarkably simple voice commands. (Option)

Key features include

- Select music or make calls hands-free using simple voice commands
- Reads out incoming text messages from your connected phone
- Traffic alerts
- Emergency Assistance* feature designed to assist the occupants to call the emergency services in the event of an accident, in over 30 European countries
- SYNC AppLink lets you control apps on your smartphone using voice commands (compatible mobile phone required. Available from summer 2014)

Note The Bluetooth® trademark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Audible SMS

Have your incoming text messages read to you from your connected phone, including commonly-used abbreviations and emoticons, and you can even respond with a choice of 15 preset text messages.

Voice-controlled system

Select music or make calls with Ford SYNC – all hands-free using simple voice commands.

Remote audio controls

Keep your hands on the wheel and your MP3 on the right track. (Remote audio controls and MP3 connection are standard)

*Ford Emergency Assistance operates in over 30 European countries. This feature works when paired with a compatible connected mobile phone that is with you and switched on when an airbag is deployed or a sensor that registers a crash deactivates the fuel pump. AppLink and Emergency Assistance are not supported by all European languages. For latest information and a full list of AppLink-compatible apps please visit Ford.co.uk. SYNC AppLink available from summer 2014.

Note The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company Limited and its associated companies is under licence. Other trademarks and trade names are those of their respective owners.

Bluetooth® Audio Streaming

Stream your music collection from your compatible MP3 player or mobile phone to the vehicle's audio system.

Emergency Assistance*

Automatically calls the emergency services on your paired Bluetooth®-enabled phone when an airbag is deployed. (Available in selected markets. Please see your Ford Dealer for details)

EURO NCAP advanced
2012 Reward for Ford SYNC Emergency Assistance

Hands-free phone control

Part of Ford SYNC.

SYNC AppLink

Control your favourite mobile apps from your supported smartphone using voice commands and buttons on the steering wheel. (Compatible mobile phone required. Available from summer 2014)

Navigation

3D map stored on SD card shows points of interest on a 5" colour screen. Also includes traffic announcements. (Option)

Aircraft-style ventilation

Rear seat occupants each have their own individual air vent. Two foot level outlets are also provided for each row of seats. (Standard)

High-performance heating and ventilation system

Increased air flow means faster demisting and a more comfortable climate for passengers.

Air conditioning

A separate air conditioning system is available for the rear passenger compartment with its own rotary controls. (Standard on Titanium, option on Style and Zetec)

400 different seat configurations

Widest side door access

Tourneo Custom has a class-leading 930 mm side door opening for easy access to the passenger compartment.

Sliding doors that are easier to use

Designed for greater durability and even easier operation, the sliding door features a new double-action release handle and beeps a warning if not shut or locked correctly.

Room to stretch out

Generous head and legroom means there's plenty of room to stretch out and relax.

Reclining seats

Rear seat backrests can recline for extra comfort. (Standard on Zetec and Titanium)

Rear seat armrests

For added comfort, armrests are available for the outer seats in the second row. (Standard on Zetec and Titanium)

Proven Duratorq diesel engine technology
 Renowned for its reliability and efficiency, the Tourneo Custom's 2.2-litre Duratorq TDCi engine comes with a choice of three power and torque outputs.

Weights, loads and fuel

	Maxi-mum Power PS (kW)	Torque Nm	Gross payload ¹⁾	Gross vehicle mass (kg)	Kerb mass (kg) ²⁾	Front axle plated mass (kg)	Front axle kerb mass (kg)	Rear axle plated mass (kg)	Rear axle kerb mass (kg)	Axle ratio	Max. GTM (kg)	Max. trailer weight braked (un-braked)	CO ₂ emissions (g/km) ³⁾	Fuel consumption in mpg (L/100 km) ⁴⁾		
													Urban	Extra Urban	Combined

2.2 Duratorq TDCi 155 PS (114 kW)	155 (114)	385	822	3000	2178	1725	1284	1550	894	4.19	5100	2100(750)	172	38.7 (7.3)	46.3 (6.1)	43.5 (6.5)

L1 = Short Wheelbase. **L2** = Long Wheelbase. All models are 6-speed manual transmission. **GVM** – Gross vehicle mass. The total permissible all-up weight of a rigid vehicle – i.e. with body, payload, ancillaries, fuel, oil, water, driver and crew. **Kerb mass** – The weight of the complete vehicle and all equipment including fuel and water, but without the payload, driver or any crew. **GTM** – Gross train mass. The total permissible all-up weight of a rigid vehicle (see GVM) together with its trailer and load. Trailers of the above capacities should only be used within the plated GTM limits. Dependent on the driveline combination and payload of the prime mover, it may not be possible to tow trailers of the maximum capacities mentioned. A tachograph may be required for towing. **Gross payload** = Gross vehicle mass, less kerb mass. All kerb masses quoted in this brochure are subject to manufacturing tolerances and are for models with minimum equipment. Trend and Titanium models will have greater kerb masses and, therefore, lower payloads due to the increased amount of standard equipment. Any additional options specified on the vehicle will reduce the payload accordingly. ⁴⁾The declared fuel consumptions and CO₂ emissions for Stage IV engines are measured according to the technical requirements and specifications of European Directive 80/1268/EEC and ECE R101.01. The declared fuel consumption and CO₂ emissions for Stage V engines are measured according to the technical requirements and specifications of European Regulation (EC) 715/2007 and latest amendment. Fuel consumption and CO₂ emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors.

Ford ECOnetic Technology

- Ford Duratorq TDCi advanced diesel engines – provide exceptional fuel economy and low CO₂ emissions
- Ford Auto-Start-Stop
- Ford Smart Regenerative Charging
- Ford Eco Mode driver information system – shows you when you're achieving optimum fuel efficiency
- Gear Shift Indicator – to aid economical driving
- Acceleration Control (option)
- Ford Battery Management System – improves battery life, fuel consumption and ensures ready-to-go reliability

Special Vehicle Options

	SVO Code	Feature Code	Style	Zetec	Titanium
Body

Choose

Use the form opposite to specify your new car right down to the wheels, audio, options and accessories, then take it to your Ford Dealer.

You can also specify your new car online using the Ford Configurator. It lets you instantly see what your car will look like – inside and out – from multiple angles. And a tally of your choices and their prices helps you keep to your budget. Visit www.ford.co.uk/SBE/ConfigureYourVehicle

Finance

When it comes to financing your car, our size and expertise means we're well placed to provide you with a wide range of finance products.

Ford Credit** provides straightforward finance products for your car whether you are a private or business user.

Ford Lease^ provides simple tailored funding solutions for your business. Business users only. For more information about our finance products visit ford.co.uk

Drive

When you drive away in your new car, we're with you all the way. Ford has the largest authorised service network in the UK to help you keep your car in the best condition.

And should your new Ford ever require accident repair, a Ford Accident Repair Centre is the best place to get your car back to its pre-accident condition and on the road as quickly as possible.

L1 = Short Wheelbase. **L2** = Long Wheelbase. All dimensions (shown in mm) are subject to manufacturing tolerances and refer to minimum specification models and do not include additional equipment. These illustrations are for guidance only. *Height dimensions show the range from minimum to maximum of a fully laden, lowest payload vehicle to unladen highest payload vehicle.

Illustrations, descriptions and specifications. This catalogue was correct at the time of going to print. However, Ford policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. **Optional equipment.** Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc, you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. **Note.** Some images portrayed are of a pre-production model and/or are computer generated, therefore, the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional. **Note.** This brochure contains both original Ford accessories as well as a range of products from our suppliers. **+**The identified accessories are carefully selected third party supplier branded accessories which do not come with a Ford warranty but are instead covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. **Note.** The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Ford Motor Company is under licence. The iPod word mark and logos are the property of Apple Inc. Other trademarks and trade names are those of their respective owners. **Note.** Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

The Government fuel figures do not express or imply any guarantee of the fuel consumption of any particular vehicle. The vehicles themselves have not been tested and there are inevitably differences between individual vehicles of the same model. In addition, a vehicle may incorporate particular modifications. Furthermore, the driver's style and road and traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption. **Insurance groups** are only as recommended by the Association of British Insurers. You should always consult your insurance adviser for confirmation.
