GO YOUR OWN WAY

GENUINE ACCESSORIES

CUSTOMISED PROTECTION

Finding the right accessory for your needs is easy.

Our versatile range offers a wide choice of function and style with the added peace of mind that all Isuzu UTE Genuine Accessories are forged by precise engineering and decades of automotive experience.

When it comes to safeguarding your family and investment, Isuzu UTE offer a great range of protective accessories to see your D-MAX tackle the toughest environments. External protective accessories keep you covered, with a range of bull bars, headlight protectors, bonnet protectors and sidesteps - while the interior you can choose from hard wearing canvas seat covers, as well as carpet and rubber floor mats. No matter where your journey takes you, you can be even more confident that your D-MAX is equipped to help you go your own way.

EQUIPPED TO GET THE JOB DONE

With a versatile range of genuine D-MAX alloy & steel trays, roof cargo systems and storage options, we have the right gear for any job. Whether you're carting your tools during the week or your toys on the weekend, there's a solution that will make light work of any load.

Internal Load Restraint Rail
All aluminium trays feature internal load restraint points, this means ropes or straps no longer need to pass over drop sides while restraining loads. This allows for maximum load security.

Dropside & Tailgate Catches
Low coefficient of friction between operating surfaces, latch operation takes less effort as compared to traditional designs.

Quick Lock Hinge
Manufactured from an automotive grade glass reinforced nylon incorporating a captive stainless steel pivot pin. These hinges are easy to detach from the tray and are UV stabilised to ensure longevity.

Tail Light Protector & Wiring Guard
Offers increased protection from rocks, branches and other debris.

Mudguards
Manufactured from an automotive grade rubber modified polypropylene, this material has excellent memory characteristics so when deformed within its limits, it will return to its moulded shape.

Tube Headboard
Designed for easy loading and increased protection.

Window Guard
Protects rear window from moving loads. Comes standard on all trays except Economy Alloy.

Roof Bar Set
(All space cab & crew cab models except LS-Terrain)

Tow Bar Kit
(Trailer Wiring Adaptors available at extra cost)

Crew Cab Roof Rails
(LS Crew Cab models only)

Crew Cab Roof Rail Cross Bars

Optional Tray Tool Box
