Safety

Of course, and as you know, the Isuzu D-Max has an impressive four star Euro NCAP safety rating. However, that shouldn't stop you adding a few extra bits of technology to stop you getting into those little scrapes. Protect yourself, your passengers and your pick-up.

Rear Parking Aid

Top tip...

For added safety and to protect your Isuzu D-Max why not combine the rear parking aid and reversing camera and screen kit. Don't miss a thing while reversing.

The high-quality, NTSC universal camera displays a mirror-image on your in-car screen, making it ideal for depicting what you would normally not see in a rear-view mirror.

The high-sensitivity lens has a sight line of 135° and an embedded chip which automatically adjusts brightness in light or dark driving conditions. The 320,000 pixels CMOS sensor is accurate and eliminates "smear". Great when used in conjunction with reverse sensors. (Reverse sensors standard on Isuzu D-Max UTAH).
