LAND ROVER DEFENDER CELEBRATION SERIES

For some 67 years, The Land Rover – rechristened Defender in 1990 – has crisscrossed the globe like no other vehicle. It has traversed terrains others simply could only dream of. It has forged lasting partnerships with such organisations as the Red Cross and Royal Geographical Society and has proved itself against all-comers on such gruelling challenges as the Dakar Rally and the Trans-Americas Expedition. Now this iconic part of our history is set to continue with three Limited Edition vehicles being produced to celebrate its life.

OVERVIEW

SUMMARY

Land Rover Defender's boundless capability has taken it to all four corners of the earth. For instance, back in 1955 it was the first vehicle in the world to go overland from London to Singapore. It has worked in territories as diverse as Africa and Alaska. It has proved to be the most robust and unrelenting workhorse on farms, in jungles and deserts, delivered time after time in such industries as mining and engineering. Its heritage is without question. Its legacy, without equal.

DEFENDER AUTOBIOGRAPHY LIMITED EDITION

Land Rover Defender Autobiography is at the very zenith of our design, engineering and interior finishing expertise. Only 80 of these exclusive vehicles will be available in the UK and its unique features, including duo-tone exterior paint, bear testimony to that fact. Windsor leather is utilised throughout the interior, including Semi-Aniline premium seats with twin needle contrast stitch and an embroidered Autobiography logo on each headrest. A perforated leather steering wheel, aluminium door locks, door handles and air vent bezels add to this distinctive finish. In a world of instant gratification, the enduring qualities and capabilities of one of the world's most celebrated vehicles have been stunningly realised.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and retailers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Retailer within one month or 1,600 kilometres/ 1,000 miles (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Retailer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Retailer.
