

The Citan Tourer.

Anything is possible.

Mercedes-Benz
Vans. Born to run.

More space. More fun. More adventure.

Robust, flexible and economical – the Citan Tourer is the Mercedes-Benz answer to the challenge of daily life. A vehicle for the family leisure activities that supports you tirelessly from dawn till dusk and that understands life's daily needs.

Its variable space concept, its spacious passenger compartment with up to 7 seats¹ and the comprehensive equipment options make the Citan Tourer your individual everyday hero. With its compact dimensions and high agility, it gets all family and leisure needs on the road. And in particularly economical style too – thanks to high-performance yet fuel-efficient engines featuring the BlueEFFICIENCY package as standard and fuel economy of up to 65.7 mpg² plus particularly attractive pricing. And to make everyday driving a true pleasure, a finely tuned suspension and the high-quality interior with new features providing superlative agility, driving dynamics and comfort.

In a nutshell: whichever model line you choose – the Citan Tourer has everything you might expect of a versatile vehicle for everyday family and leisure use from Mercedes-Benz.

Mercedes-Benz Vans. Born to run.

¹ Available for the extra-long Citan 111 CDI. ² The stated figure represents the combined value. Measured for the Citan Tourer 108 CDI/109 CDI. Fuel consumption urban/extra-urban/combined: 54.3–60.1/62.8–67.3/60.1–65.7 mpg; CO₂ emissions combined: 123–112 g/km; efficiency class: B–A. See page 6 for full information on fuel consumption and CO₂ emissions.

There are many sides to everyday life.

From shopping trips to family outings the Citan Tourer is more versatile than ever. The combination of different model variants and a comprehensive range of optional extras guarantees the greatest possible adaptability, while comfortable equipment features and the high-quality interior provide for relaxed driving on longer trips, too. And all this with signature Mercedes-Benz reliability, driving dynamics and driving safety.

Standard Equipment

Front passenger seat, manually-adjustable
Trip computer
Heated and electrically adjustable exterior mirrors, with temperature sensor
Power window in sliding door (not available for extra-long)
Stowage compartments in front doors
Stowage shelf above windscreen
Radio/CD Player with Bluetooth®
Stowage facility in sliding door trim
Speed limiter
Two sliding doors with power windows
Rear window heating/wipe-wash system
Roof rails with integrated carrier bars (not available for extra-long)
Electronic Stability Program (ADAPTIVE ESP®)
Driver and front-passenger airbags, thorax airbags and windowbags
Seat belt warning
ISOFIX child seat attachment system

Optional Equipment

Driver's seat heating
Leather steering wheel
Light and rain sensor
12-V socket in passenger compartment
Armrest with stowage compartment
Folding table on driver and front-passenger seat backrests
Reversing aid
Air conditioning
Paint Package
Chrome interior package
Light-alloy wheels (15" and 16")

New in the Citan Tourer.

○ The **navigation system**¹ incl. DAB+ radio and integrated touchscreen display is easy to use. With Bluetooth®, USB port, AUX interface and micro SD card reader.

○ The **reversing camera** with display in the rearview mirror provides a view of the area to the rear, assisting the driver in tight parking and manoeuvring situations. Dynamic guidelines are displayed as an additional aid.

○ The **panoramic roof**² and two **tilting roof windows**² conjure up a pleasant setting inside the vehicle – thanks to swift adaptation of the interior climate and an increase in the amount of light entering the vehicle.

● The **BlueEFFICIENCY package** features as standard with the new Euro 6 engines. The reduced CO₂ emissions and lowered fuel consumption contribute to your Citan's environmental responsibility. (Not available for 111 CDI extra-long)

● The Citan offers ample stowage space. The **closing strap**³ facilitates closing of the tailgate.

● The **instrument cluster** is based on the Mercedes-Benz passenger car design and further enhances the look and feel of the spacious interior.

¹ DAB+ function expected to be available as of 4th quarter of 2015. ² Only available for the long Citan Tourer. ³ Only available for the long Citan Tourer with tailgate.

● Standard equipment ○ Optional equipment

¹ Directive 92/21/EEC, in the version applicable at the time of going to print, defines the vehicle kerb weight as the mass of the unladen vehicle in ready-to-drive condition (including coolant, lubricants, fuel, spare wheel and driver). A uniform mass of 75 kg (68 kg + 7 kg of luggage) is assumed for the driver. ² Diesel engines and petrol engine certified in accordance with Euro 6b. ³ Tank capacity approx. 60 l. ⁴ The figures shown were obtained in accordance with the prescribed measuring process (Section 2 nos. 5, 6, 6a of the German Ordinance on Fuel Consumption Labelling (PkWEnVKV)/Regulation (EC) no. 715/2007 in the version as applicable from time to time). Note: The figures do not apply to a specific vehicle and do not form part of the product offer; they are provided solely for the purpose of comparing different vehicle models. CO₂ emissions resulting from the production and provision of the fuel or other energy sources are not taken into account in determining the CO₂ emissions pursuant to Directive 1999/94/EC. ⁵ BlueEFFICIENCY package standard. ⁶ With load uprating.

Manufacturer	Model	Tyre type	Tyre size	Load capacity	Speed rating	Tyre class	Fuel efficiency class	Wet adhesion class	Class of external rolling noise	Measured value, external rolling noise dB
Michelin	ENERGY SAVER GRNX SI	S	195/65 R 15	91	T	C1	C	B		70
	ENERGY SAVER GRNX		205/55 R 16	91	H	C1	E	B		70
Continental	CEC3	S	195/65 R 15	91	T	C1	E	E		71
	Vanco Contact 2		195/65 R 15	95	T	C1	C	C		71
	CPC2e		195/65 R 15	91	T	C1	C	B		71
Goodyear	Vector 4 Season	S+W	195/65 R 15	91	T	C1	E	E		70

S = summer tyres Your personal and individual style of driving can have a direct influence on driving safety and fuel economy. Please note: Economical and foresighted driving can reduce your fuel consumption substantially.
W = winter tyres In the interests of improved wet grip and fuel efficiency, the tyre pressure should be checked on a regular basis. A safe following distance appropriate to the stopping distance should be maintained at all times.
S+W = all-season Changes may have been made to the tyre range or the labelling of tyres since this brochure went to press. Please consult your Mercedes-Benz van dealer for final details.

Specifications acc. to EU Directive 1222/2009. Tyre labelling provides information about three key factors relating to tyre performance:

 **Fuel efficiency**
When rolling, a tyre is deformed, consuming energy. This is one of the five resistance forces that act upon a vehicle.

 **Wet adhesion**
The wet grip designation gives information about a significant safety aspect of a tyre: its grip or adhesion on a wet road surface.

 **External rolling noise**
The level of external rolling noise of a tyre is expressed in the European Commission designation in decibels in combination with one, two or three sound waves.

Take-back of end-of-life vehicles. You can return your Citan to us for environment-friendly disposal in accordance with the European Union (EU) End-Of-Life Vehicle Directive. But that day lies a long way off. To make the process as straightforward as possible, a network of vehicle take-back depots and dismantlers exists to make it as easy as possible for you to return your vehicle free of charge. By using this facility you will be making a valuable contribution to completing the recycling loop and conserving resources. For further information about end-of-life vehicle recycling, materials processing and the take-back conditions, please refer to the Mercedes-Benz web site for your country.

Please note: changes may have been made to the product since this brochure went to press (15.01.2015). The manufacturer reserves the right to make changes to the design, form, colour and specification during the delivery period, provided these changes, while taking into account the interests of the vendor, can be deemed reasonable with respect to the purchaser. Where the vendor or the manufacturer uses symbols or numbers to describe an order or the subject of an order, no rights may be derived solely from these. The illustrations and descriptions may include accessories and items of optional equipment which are not part of standard specification. Colours may differ slightly from those shown in the brochure, owing to the limitations of the printing process. This brochure may contain models and services which are not available in certain countries.

This brochure is distributed internationally. Information given regarding statutory regulations, legal requirements and taxation and the consequences thereof applies to the Federal Republic of Germany only and is correct at the time of going to press. Please consult your Mercedes-Benz van dealer for final details.
