

MG6

## TRADITIONAL SPIRIT, MODERN STYLE.

### INTRODUCING THE ALL NEW MG6.

A British treasure has awoken. A motoring icon is back to stay. It's time to open your eyes to the new MG6. To be captivated by its contemporary lines, unique styling and the sporting heritage at its heart.

Designed, engineered and built in the UK, the MG6 delivers the very latest in technical innovation. But it offers something different too. In every detail you'll find a fond nod to MG's glory days — Le Mans, Goodwood, land speed records and true British sporting endeavour.

Slide into the new MG6 and you'll experience more than luxurious comfort, spacious design and intuitive controls. With the iconic octagonal badge gracing the steering wheel, you'll also feel a sense of place in British motoring history — and become a part of its future.

The MG6 is a symbol of our commitment to today; a reflection of our passion for quality, value and fun. Get ready to fall in love again. Not just once. But every time you take hold of the wheel.

## SUBSTANCE AND STYLE UNITE.

THE MG6 1.8T FASTBACK OOZES MODERN STYLE, WHILST REMAINING TRUE TO THE CLASSIC MG MARQUE.

Boasting a turbocharged 160ps TCI Tech four cylinder petrol engine, ABS, EBD, front McPherson strut suspension and multi-link rear suspension, the MG6 handles like no other car in its class. But alongside substance also comes style. The alloy wheels, sculpted halogen headlights, body-coloured mirrors, aerodynamic shape and seductive colour choices ensure that the new MG looks as good as it feels.

This is one car that promises to satisfy both head and heart; to instill confidence without ever failing to surprise. With its combination of classic lines and up-to-the-minute technology, the MG6 is more than an evolution of a traditional icon. It's a modern classic in the making.
