

The new Audi A5 and S5 Cabriolet
Pricing and Specification Guide
Valid from July 2009

A User's Guide

This guide has been designed to help you tailor and price your chosen A5 Cabriolet quickly and logically. At the back of this guide, you will also find information on CO2 emissions-based taxation and the other services offered by Audi, including Finance and Insurance. If you wish, you can also go to audi.co.uk and configure your A5 Cabriolet online.

Tune into the Audi Channel at any time on Sky Guide No. 884 to see a whole range of programmes about the Audi range and our motorsport achievements.

The A5 Cabriolet

When Audi's Italian head of design, Walter da Silva, designed the Audi A5, he described it as 'a rhythm of lines' and the most beautiful car he'd ever built. The A5 Cabriolet has exactly the same qualities, with the added benefit of open-top driving. Its lightweight roof opens in just 15 seconds and closes in 17, and the optional head-level heating and solar heat-reflecting upholstery ensure that it's enjoyable to have the roof down, whatever the weather conditions.

Aside from the obvious benefits of a cabriolet, there are other features that are equally appealing. It accelerates from 0 to 62mph in just 5.6 seconds, on the way to an electronically limited top speed of 155mph. And there's a choice of impressive engines, the 2.0 TDI, 3.0 TDI, 3.2 FSI and S5 quattro®, which demonstrate our trademark fuel-efficient technology. Technical ingenuity and elegant design combine to make us rather proud of the A5 Cabriolet.

Engines

Petrol

All A5 Cabriolet petrol engines feature FSI® direct-injection – a unique Audi technology originally developed for the Le Mans 24-hour endurance race to deliver increased power and torque as well as enhanced fuel efficiency. The way it does this is, in theory, very simple. Precisely the right amount of fuel and air are injected directly into the combustion chambers, enabling the engine to 'breathe' more easily. At the same time, electronics monitor the engine load and adjust the injection process. The result – reduced heat-loss and increased output, with around a 15% reduction in fuel consumption and significantly lower exhaust emissions. Ideal for the buyer who wants an athletic, exhilarating drive without the drawbacks of excessive fuel costs or high emissions.

Diesel

All diesel engines from Audi are known as TDI. This impressive technology was originally pioneered by Audi in 1989, marking a departure from the noisy, fuel-thirsty diesel engines of the past. Like its FSI petrol counterpart, the TDI diesel engine is designed for power, performance, low fuel consumption and emissions.

All A5 Cabriolet TDI engines are based on the common rail system. Here, fuel is stored and kept at constant pressures of up to 1,600 bar, ready to feed a series of highly accurate piezo injectors, which control the rate and point of injection.

quattro®

It's the technology that has given Audi the edge on the racetrack ever since it was first introduced over 25 years ago – a technology that delivers ultimate control whilst enhancing the athletic characteristics which make the A5 Cabriolet so thrilling to drive. It's called quattro® permanent all-wheel-drive. The principle is simple: in the same way that four brakes ensure better deceleration, four permanently-driven wheels deliver better acceleration and road-holding, pushing or pulling the car as needed, for a driving experience that's both dynamic and safe. In the A5 Cabriolet, asymmetric-dynamic torque distribution continuously distributes drive power between the front and rear axles depending on weather conditions, road surface and gradient, which increases flexibility for an enhanced, more dynamic drive.

Standard model equipment

All A5 Cabriolet models have the following items of Standard equipment:

Engines

Automatic start/stop function for greater fuel and CO₂ efficiency. Comprising:

- Recuperation for optimal energy utilisation
- Energy-saving tips feature in Driver's Information System; including gearshift indicator

(Only available on the 2.0 TFSI manual engine)

Wheels, tyres and suspension

17 x 7.5J '6-arm' design alloy wheels with 245/45 R17 Y tyres and locking wheel bolts

Space-saver spare wheel

Audio and communication

Audi Concert audio system. Single CD with MP3 compatibility, colour centre console screen, SD memory card reader and AUX-IN socket in centre console

6 loudspeakers (80 Watts)

Safety and security

ESP (including limited-slip differential on FWD models)

First aid kit

Front and rear fog lights

Front and rear ISOFIX preparation with front passenger airbag de-activation switch

Front side airbags

Halogen daytime-running lights

Headlight range adjustment

Thatcham category 1 alarm and immobiliser

Toolkit and car jack

Warning triangle

Seats

Arcade cloth seats

Automatic seat belt feeder

Split folding rear seat – one touch operation

Interior equipment

1-zone climate control

3-spoke leather steering wheel

Driver's Information System (DIS)

Electric front windows

Electromechanical parking brake

Front and rear floor mats

Intelligent key

Interior chrome package

Micrometallic inlays

Steering column adjustment for rake and reach

Servotronic speed-related power-assisted steering (on 190PS models and above)

Exterior equipment

Fully automatic soft top (can be operated at speeds up to 31mph)

Exterior mirrors – electrically operated and heated

Front grille – Black gloss on 3.0 TDI and 3.2 FSI models, Stone grey on all others

Exhaust pipes – 4-cylinder models have two exhaust pipes on the left-hand side. 2.0 TFSI and 6-cylinder models have one exhaust pipe on either side

Exterior aluminium package

17 x 7.5J '6-arm' design alloy wheels

Fully automatic soft top

S5 quattro® Cabriolet model equipment – in addition to SE model equipment:

One look at its muscular body styling, 19" alloy wheels and subtle V6T badging, and it'll come as no surprise that the Audi S5 Cabriolet features the new S tronic gearbox as standard, as well as a new powerful 3.0 litre V6 supercharged engine, capable of taking you from 0 to 62 mph in 5.6 seconds. And from the comfort and stability of a stylish, S5-embossed Silk Nappa leather Sports seat, you can sit back and enjoy every single unit of this engine's 333PS capability, safe in the knowledge that the quattro® permanent all-wheel-drive system will keep you exactly where you want to be – on the road.

But sleek styling and powerful performance in the S5 Cabriolet don't come at the expense of functional, driver-oriented specifications. Simple yet thoughtful touches, such as the matt-brushed aluminium inlays, S instrument dials and through-load facility have been included to ensure that your life runs as smoothly as your Audi does.

Wheels, tyres and suspension

19 x 8.5J '5-parallel-spoke' design alloy wheels with 255/35 R19 tyres

'S' Sports suspension

Safety and security

'S' model enhanced braking system

Interior equipment

3-spoke 'S' Sports multi-function leather steering wheel with silver stitching

Aluminium scuff plates with S5 logo

Interior lighting package

Inlays in matt-brushed aluminium

'S' instrument dials

Seats

S5 Sports seats with electric adjustment and lumbar support

Silk Nappa leather upholstery

Through-load facility

Exterior equipment

Acoustic hood with LED rear passenger reading lights

Aluminium-effect door mirror housings

Exhaust pipes – twin on left- and right-hand side in chrome rolled finish
Platinum grey matt grille, with vertical bars and chrome inserts

Painted brake callipers with S5 logo

'S' body styling

Xenon headlights with LED daytime-running lights and LED rear lights

Transmission

multitronic®

Translating a driver's preferences and intentions into road performance, the multitronic® automatic transmission system entertains no compromises – whether in terms of dynamism, convenience or economy. multitronic® is available on front-wheel-drive models. A continuously variable transmission, multitronic® operates in an exceptionally wide range of gear ratios thanks to its steel link-plate chain construction. The result is exceptional driving comfort, as well as smooth, powerful acceleration over the entire range of engine speeds.

In addition, thanks to its lightweight design and the DRP Dynamic Regulating Programme which monitors gradient, road conditions and the way the driver is using the accelerator pedal, multitronic® also plays an instrumental role in reducing fuel consumption. And with seven simulated gear ratios available, you can enjoy all these benefits whilst adopting the dynamic driving style of a manual.

S tronic®

The revolutionary 7-speed S tronic gearbox combines sporty driving with the convenience and smooth, uninterrupted power of an automatic transmission. The technical basis of S tronic is the double clutch. This consists of two lubricated plates with hydraulically-regulated contact pressure. It means that S tronic works almost as two separate systems: one engaging the odd-numbered gears, the other the even-numbered gears, enabling gearshifts to be made in a fraction of a second, with no disruption to the power flow. So with S tronic, depending on how the mood takes you, you can either allow gear-changes to take place automatically or, for a sportier driving style, operate the system using the gear lever or the optional steering wheel shift-paddles. The choice is yours.

Every Audi is intrinsically exclusive. It's the breathtaking design, the exceptional engineering, the Vorsprung durch Technik. But for that added element of exclusivity – that distinguishing look that sets you apart from the rest – you can specify your A5 Cabriolet with options from Audi exclusive. Whether you want a completely unique, custom-mixed paint colour, seats in a combination of complementary shades or even individualised carpets and floor mats, Audi exclusive will enable you to drive the car you've always imagined.

For more information on any of the options over the following pages or to view swatches, simply ask a member of staff at your local Audi Centre.

Alabaster white

Magnolia

Sand beige

Havanna brown

Cocos

Cognac

Saddle brown

Chestnut brown

Crimson red*

Jet grey*

Palace blue

Upholstery

With Audi exclusive, you can choose between Valcona leather and Alcantara, depending on the texture and flexibility you prefer in your car's upholstery. And once that's decided, you can specify your seats in an array of different colours shown to the left.

Choose just one all-over shade for each seat, or for a more striking look, customise each panel in two or more complementary colours from the distinctive Audi exclusive palette shown here. You can even choose the colour of the decorative stitching – to match or contrast with your chosen upholstery – from this varied collection. Whatever combination you decide upon, you're guaranteed to be extremely comfortable with the result.

Paint

Everyone has a favourite colour. No matter what yours is, Audi exclusive provides a range of unique colours that have been designed to set your car apart. Choose from the swatches here, or specify any other paint colour in the Audi range – whether it's Jet blue from the Audi R8 or Alpine white from the original Audi quattro®. The choice is yours.

Customised paint

In a car made from Vorsprung durch Technik, there are no compromises. So if you have a particular colour in mind, we'll mix the exact water-based pearlescent or metallic-effect shade you want – whether it's the blue of your favourite shirt or the wall colour in your sitting room.

Basic RRP	Total RRP ^{inc.} _{VAT}
£2,043.47	£2,350.00*

*Not available on Standard models

Inlays

Inlays are the all-important ‘finishing touch’ that add flair and interest to the surfaces inside your car. So Audi exclusive have sourced a hugely varied range of materials from which to craft these elements – from Oak sepia to rich quilted maple wood. You can even customise your gear knob with one of the available woods, all of which are shown opposite.

Steering wheels and controls pack

Our fingertips and palms contain more touch receptors than any other part of our body – so shouldn't the parts of our car we handle the most also be the most pleasing to touch? With this in mind, Audi exclusive enables you to customise the steering wheel of your choice in smooth, warm leather, in any of the colours shown on page 39. As with Audi exclusive seats, you even have free choice on the colour of the decorative stitching used. Choose a Controls Pack and you can extend this exclusive look and feel to your car's gearknob and gaiter too.

Order code		Standard	SE	S line	S5 quattro*	Basic RRP	Total RRP ^{inc. VAT}

Carpets and floor mats

Exclusivity isn't just about choice and individuality – it's about attention to every detail in your A5 Cabriolet; and for us, that includes the carpets and floor mats. First, choose from ten different colours of high-quality velour carpets. Next, choose the colour of your car's floor mats from the same list, whilst using the palette of Audi upholstery colours detailed on page 39 to select a leather colour for the mats' decorative leather piping – matched or contrasting, depending on your personal taste. Floor mats are included when you order Audi exclusive carpet; but if you wish, they can also be purchased separately in a set of four.

Carpet colours

Audi exclusive line

Audi exclusive is ultimately about choice – but if you’d rather leave some of the decisions in the capable hands of our designers, the expert team at quattro® GmbH have compiled Audi exclusive line, combining some of the most popular elements of the exclusive range in one stylish, beautifully co-ordinated package. The package gives you:

- ▶ Front sports seats
- ▶ Electric lumbar supports for the front seats
- ▶ Seat side sections and head restraints with coloured piping, steering wheel rim and gear lever gaiter with coloured stitching (piping and stitching to match seat centre section)
- ▶ Two-colour seat upholstery with piping (seat side sections black/seat centre section in choice of alabaster white, crimson red or cognac) in Fine Nappa leather (including heat-up resistance leather for the front seats)
- ▶ Door trim inserts in leather to match seat centre section
- ▶ Sports steering wheel, 3-spoke design, with coloured stitching (to match seat centre section); optionally: 3-spoke multifunction sports steering wheel with or without gearshift function with coloured stitching (to match seat centre section).
- ▶ Matt brushed aluminium inlays or Walnut brown as an option
- ▶ Black interior (including black add-on parts)
- ▶ Floor mats with coloured piping (to match seat centre section)
- ▶ Audi exclusive door sill trims

Note: if ordering Audi lane assist, it can only be combined with the corresponding leather steering wheel in 4-spoke design without coloured stitching.

³ Vehicle's unladen weight without driver (calculated in accordance with the current version of Directive 80/1268/EEC). The fitting of additional equipment may increase the vehicle's unladen weight and drag coefficient, whereupon the potential carrying capacity and top speed will be correspondingly reduced.

⁴ The engine's power output always goes down with increasing altitude. At 1000m above sea level, and for every additional 1000m, deduct 10% from the weight of the outfit (trailer load limit + gross weight of the towing vehicle).

* Loaded up to roof with rear seat folded down.

Dimensions

A5 Cabriolet

Dimensions

S5 Cabriolet

Dimensions were measured with vehicle at unladen weight, ground clearance measured with vehicle carrying its maximum load. Luggage compartment volume in litres: 320 with hood open, 360 with hood closed, 750 with rear seats folded (measured by the VDA standard test method using 200 x 100 x 50 mm blocks; second value: with rear seat folded down). Turning circle approx 11.4m.

Dimensions in millimetres.
*Maximum headroom.

Additional information

CO₂ data and information

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). The DVLA has created thirteen categories:

Petrol and Diesel engines	
A – up to 100g/km	£0.00
B – 101 to 110g/km	£35.00
C – 111 to 120g/km	£35.00
D – 121 to 130g/km	£120.00
E – 131 to 140g/km	£120.00
F – 141 to 150g/km	£125.00
G – 151 to 165g/km	£150.00
H – 166 to 175g/km	£175.00
I – 176 to 185g/km	£175.00
J – 186 to 200g/km	£215.00
K* – 201 to 225g/km	£215.00
L – 226 to 255g/km	£405.00
M – over 255g/km	£405.00

*Band K includes cars that have a CO₂ figure over 225g/kg but were registered before 23 March 2006.

Audi Service

Servicing tailored to your needs

Regular servicing is key to safeguarding your Audi's performance and a full Audi service history could help you preserve the future re-sale value. To make servicing easy, the Audi Service Schedules have been designed to work with your individual driving style and vehicle.

There are two schedules available and your Audi Centre will advise which schedule is most suited to your needs. The conventional fixed Audi Inspection Service schedule

Inspection Service Schedule

Vehicle usage:	
Mileage	Less than 10,000* miles per annum
Type of journey	Mainly city/town centre driving. Short journeys
Conditions	Frequent cold starts. High engine loading – e.g. frequent hill climbs, vehicle fully loaded, towing
Driving style	Uneconomical – e.g. heavy acceleration, heavy braking, constant changes in speed, constant use of high revs, 'sporty' driving

Fixed Audi Inspection Service Intervals:	
Oil-change Service	Fixed to every 10,000* miles/1 year
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

*As indicated by the service interval display. Mileages are approximate as the Service Indicator system uses kilometres as its distance measurement.

has fixed intervals for the Oil Change and Inspection Service that are based on time and distance, whichever comes first. With the Audi LongLife Service schedule, sensors take account of driving style and conditions in which the vehicle is used to indicate when the Oil Change Service is required. Oil Change Service intervals are therefore variable and are conveniently indicated via the on-board service interval display.

LongLife Service Regime

Vehicle usage:	
Mileage	More than 30 miles per day
Type of journey	Motorway and main road driving. Mainly longer distance journeys. Constant speeds
Conditions	Normal engine loading – e.g. with little or no towing, with little or no hill climbs. Normal vehicle loading
Driving style	Moderate acceleration, moderate braking, engine revs mainly below 3,000

Audi LongLife Service Intervals:	
Oil-change Service	Variable to a maximum of every 20,000* miles/2 years
Inspection Service	Fixed to every 20,000* miles/3 years, then every 20,000* miles/2 years thereafter

Service by Design

At Audi, we believe our customers have the right to expect excellent service each and every time they make contact with us. To ensure that this happens, we have agreed a set of service standards with our Audi Centre network that governs the way they do business with you. These standards apply to both Sales and Aftersales, and we actively monitor our Centres to ensure that you receive the highest level of customer service. These service standards will ensure a consistent, stress-free experience whenever you are in contact with anyone representing the Audi brand.

Every Audi Centre will be open during the following hours:

Sales: 9am-6pm Monday to Friday
9am-5pm Saturday

Service: 8am-6pm Monday to Friday
8.30am-1pm Saturday

Sunday opening at local discretion.

Test drives

Whilst we cannot always have the desired demonstrator car ready immediately, we will confirm arrangements for a test drive within two working days (subject to status).

New Car delivery

Once we have confirmed a delivery date with you, we will keep you informed of progress. In the unlikely event of a delay, we will provide you with a courtesy car to minimise inconvenience and keep you mobile.

Delivery to any location within the UK

To maximise your Audi experience right from the first day of ownership, we will deliver your car to your preferred location – whether that's home or your place of work (subject to reasonable notice).

Every attention to detail

Your ownership experience starts with half a tank of fuel.

Quotation response

We are committed to answering any quotation request within 1 working day.

Training

We run a continuous training development programme for all our staff so that we consistently deliver a high-quality, professional service.

Formal complaints procedure

We have a complaints procedure designed to ensure any negative issue you raise with us is dealt with properly.

Courtesy cars

When your car is off the road, perhaps due to a scheduled service or MOT, we will offer you an Audi Courtesy Vehicle until yours is ready. We'll even collect from and deliver to your chosen location, keeping hassle to an absolute minimum.

All our courtesy cars are insured and fuelled

Upon collection or delivery, your courtesy car will have a minimum of a quarter of a tank of fuel; all we ask is that you replace any fuel used before returning it to us. On presentation of your driving licence, we will also insure the car free of charge.

Service bookings

If you do not require a courtesy car, we will service your Audi within a maximum of 5 working days. If you do choose to take a courtesy car, we will promise to service your vehicle within a maximum of 10 working days.

Cleaning

When your car comes to our workshop, we will wash and vacuum it at no extra cost.

No hidden charges

You will be consulted before we carry out any necessary work on your vehicle, and anything charged for will be itemised on your bill. No extra work will be undertaken without your permission.

A personal service

All work will be done by a named Audi Technician, to whom you can personally direct questions or requests should you need to.

Environmental commitment

We promise to dispose of all non-biodegradable materials from your vehicle in a responsible manner.

Pricing information

Pricing

Prices and specifications given are correct at the time of printing. Always check details with your Audi Centre, as Audi policies are continually developing. We reserve the right to change prices or specifications at any time.

All prices are subject to VAT, currently charged at 15%.

<u>VAT</u>	<u>£73.70</u>
<u>Total</u>	<u>£565.00</u>

Audi Roadside Assistance

Your new car comes complete with complimentary roadside assistance and recovery across the UK provided by RAC Motoring Services. Also included is roadside assistance throughout Europe, managed by RAC Motoring Services.

Audi Customer Care

Every new Audi benefits from the comprehensive Audi Customer Care Package, which comprises:

- ▶ A 3-year Audi warranty, which covers you for unlimited mileage in the first 2 years of ownership, with a full mechanical and electrical warranty which covers you for up to 60,000 miles in the third year
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ Up to 3 years' UK roadside assistance and recovery

This package, together with Audi variable Service intervals, offers a combination unmatched by any other major manufacturer. Contact your Audi Centre for full details.

Audi Tax-Free Sales

If you are entitled to purchase a vehicle free of VAT, normally through Military or Diplomatic privilege, please contact your local Audi Centre for full details.

Should you have any difficulty obtaining the information you require, please call Freephone 0800 585878.

Audi Finance

Audi Finance specialise in providing funding solutions for Audi drivers. Whether your Audi is for private or business use, there are a range of funding options to choose from.

Below is the full range of finance products.

- ▶ Solutions – a Personal Contract Plan
- ▶ Hire purchase
- ▶ Lease purchase
- ▶ Finance lease
- ▶ Contract hire

With all products, you can choose a fixed-cost maintenance plan designed to help you budget accurately.

No matter what Audi model you choose, your local Audi Centre can provide you with a personalised quote which could fit your budget and motoring needs.

Audi Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Audi Insurance

Competitive comprehensive motor insurance designed specially for Audi drivers. All new Audi models come with complimentary seven-day cover upon request – we'll email a cover note directly to your Audi Centre, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out an annual policy is easy and can begin as soon as your free seven-day cover expires.

For more information, contact your local Audi Centre. Alternatively, call 0800 051 3146 for a quote and to receive 7 days' complimentary cover for your new Audi.

Audi Insurance is underwritten and administered by Zurich Insurance Company.
