

SIMPLY CLEVER

ŠKODA

# ŠKODA YETI

Effective: November 2016

Model shown is not UK specification.

## Welcome to the Yeti

The Yeti Outdoor strikes the perfect balance between style and family orientated practicality. It is robust, rugged and designed to be off-road.

With a choice of two wheel drive or four wheel drive systems on both diesel and petrol engines, as well as flexible Varioflex rear seating, sizeable boot space and higher ride height as standard, the Yeti Outdoor is suitable for life in towns and cities.

But if driving off the beaten track appeals, at the push of the off-road button the Yeti 4x4 turns into a capable off-road vehicle. It is adept at climbing slippery slopes, descending hills and maintaining control on varied terrain using the 4x4 system\*.

Read on to learn more about the Yeti Outdoor and its capabilities.

\* Please refer to page 13 for further detail on the Yeti's off-road capability.

Striking and dynamic

## EXTERIOR

- BI-XENON HEADLIGHTS
- LED TECHNOLOGY
- PANORAMIC SUNROOF
- ROOF RAILS

**Bi-Xenon headlights with AFS.** Bi-Xenon headlights provide 2.5 times the illumination of standard halogen lights, and is enhanced by the adaptive front light system (AFS) which adapts the light settings based on the car's speed and the weather conditions. Standard on SE L and Laurin & Klement. Option available on SE.

**LED daytime running lights.** LED technology is more efficient when it comes to energy consumption and also provides higher durability. The LED strip complements the Bi-Xenon headlight design. Standard on SE L and Laurin & Klement.

**LED rear lights.** The rear light clusters, featuring two rear bands of light in the characteristic ŠKODA 'C' shape, can be enhanced with LED technology. Standard on Laurin & Klement. Option on SE and SE L.

Auto-dimming rear-view mirror design may differ from image shown.

**Panoramic sunroof.** Standard on Laurin & Klement and optional on SE, and SE L. The electrically-operated panoramic sunroof consists of two parts: the front section tilts to provide ventilation but also slides backwards over the rear section, providing fresh air, light and a feeling of space.

**Roof rails.** The Yeti Outdoor comes with black roof rails as standard, but these can be upgraded to part-silver roof rails (Standard on Laurin & Klement. Option on SE & SE L).

**Door mirrors.** The Yeti Outdoor comes with matt silver electrically adjustable and heated door mirrors as standard. Functionality is further enhanced as electrically folding door mirrors with boarding spots are standard on SE L, and Laurin & Klement includes auto-dimming function in the driver's door mirror too.

## INTERIOR

- QUALITY INTERIOR
- AIR CONDITIONING
- VARIOFLEX
- SIMPLY CLEVER FEATURES

**Quality interior.** The inside is just as striking as the outside, and can be further personalised with a choice of upholsteries and colours. Inside the Yeti Outdoor there's also a usable amount of space for both passengers and luggage. The Yeti Outdoor has 416 litres of usable boot space, which can be increased to 1,760 litres when the Varioflex system is utilised and the rear seats are removed entirely.

**3 spoke leather multi-function steering wheel.** Standard across the range, the 3 spoke leather multi-function steering wheel feels luxurious to the touch and also allows the driver control over radio and telephone functions.

**Air conditioning.** Manual air conditioning comes as standard on S, but on SE is upgraded to dual-zone air conditioning\* with humidity sensor and control, perfect for maintaining the optimum interior temperature at all times.

**Simply Clever features and storage solutions.** As ŠKODA drivers have come to expect, the Yeti Outdoor is full of Simply Clever storage areas and designs to offer you solutions that fit your life.

\*Also standard on SE L and Laurin & Klement. Models shown are not UK specification.

## Uncompromising comfort

**Varioflex.** The Varioflex system provides the Yeti Outdoor with a flexible and functional array of seat positions. There are over 20 different seating combinations, the main functions are as follows:

- Outer seats can slide forwards and backwards
- All seats can be folded down individually
- Outer seats can recline by 13.5°
- All seats can be rolled up (and stowed against front seats)
- Middle seat can fold to create an additional armrest with integrated cup holder\*
- Middle seat can be removed and outer seats slid towards centre, creating a two seater in the rear

\*Standard on SE, SE L and Laurin & Klement.

Models shown are not UK specification.

## TECHNOLOGY

- REAR-VIEW PARKING CAMERA
- NAVIGATION SYSTEMS
- KESSY
- RADIO & SOUND SYSTEMS
- SMARTLINK
- PARK ASSIST
- SMARTGATE

## Advanced infotainment

**Amundsen satellite navigation system with DAB** is standard on Laurin & Klement and available as an option on SE and SE L. It features a 6.5" colour display with touch-screen, and provides 2D or 2.5D (birds eye) navigation. Map data is stored on SD card, and there is also a second SD card slot which can be used for music, or alternatively music can be streamed via Bluetooth®. The system also includes voice control and both aux-in and USB sockets.

**SmartLink†** provides a connection between car and smartphone using MirrorLink™, Apple CarPlay and Android Auto interfaces. Whether you want to select and listen to music on your smartphone or receive turn-by-turn directions via a navigation app, all of this is mirrored on the central display. Available as an option on all trims excluding S.

**SmartGate†** is a system that uses Wi-Fi connection to send selected vehicle data to a connected device. Special mobile apps are available which allow you to analyse driving data and performance to find out more about your driving style. Examples of data available include vehicle speed, engine revs and g-meter. The SmartGate applications are available free of charge from app stores. Available as an option on all trims excluding S.

In vehicles equipped with the optional **KESSY** (Keyless Entry, Start and exit system) the driver can lock and unlock the car as well as start and stop the engine without having to insert or even handle the car key. Not available on S.

The **Bolero** touchscreen infotainment system, which is standard from SE, has a 6.5" colour touchscreen display, a reader for SD or MMC data cards, memory for radio traffic reports (TIM) and aux-in and USB sockets.

The optional **rear-view parking camera**, positioned on the tailgate handle, provides a visual of what is behind the car in order to make any parking manoeuvre effortless. Not available on S.

The optional **12 speaker sound system** with a digital equaliser and 12 speakers provides sound reproduction for an enhanced acoustic experience. Not available on S.

**Maxi-DOT** comes as standard across the Yeti range. Maxi-DOT details fuel consumption, average speed and distance until the fuel tank is empty, and also has the ability to display phone, audio and navigation data too.

**Park assist** is standard on Laurin & Klement and optional on SE and SE L. With a press of a button, the system will begin searching for a parking space in a line of cars or obstacles. When a suitable space is found (the car's length + 60 cm is all the space needed), the car will steer itself into the space whilst the driver controls the pedals. The system will now also steer the car out of a line of cars from its parking space and with two presses of the same button, the car will search for and manoeuvre into a bay parking space.\*

\* Please note that all assistance systems are a driver's aid and do not replace human judgement. The driver must be in full control of the vehicle at all times and has full responsibility for the car. For detailed information regarding these systems, please consult the vehicle owner's manual.

† For more information about SmartLink, SmartGate and phone compatibility please visit [www.skoda.co.uk/yetitechnology](http://www.skoda.co.uk/yetitechnology)

# Smart protection

## SAFETY

- AIRBAGS
- DRIVER FATIGUE SENSOR
- TYRE PRESSURE MONITOR
- ESC
- ISOFIX
- HILL-HOLD CONTROL

The Yeti Outdoor features **7 airbags as standard**, located at the front, front side, curtain and driver's knee area. For additional protection rear side airbags can also be specified.

Models shown are not UK specification.

**Driver fatigue sensor**, monitors the movement of the driver through the steering wheel and if it detects signs of tiredness, audibly alerts the driver and shows a break recommendation alert on the Maxi-DOT display. Not available on S.

The two outer rear seats in all Yeti Outdoor models feature **ISOFIX** as standard. The ISOFIX brackets create a fixed link between a child seat and the car's chassis, which is important for ensuring the seat is effectively secured in the event of a collision. ISOFIX can be specified on the front passenger seat too.

The standard **tyre pressure monitoring system** will highlight any loss in pressure of the tyres to the driver immediately, as a decrease in pressure could radically change the car's behaviour and drivability, potentially causing an accident.

**Hill-hold control** applies pressure on the braking system for a further 1 or 2 seconds after the driver releases the brake pedal (when the hill gradient is more than 5%). This allows the driver enough time to move away without rolling. Hill-hold control is standard on SE L and Laurin & Klement and optional on S, and SE.

**ESC** (Electronic Stability Control) is standard and delivers a number of systems designed to help maintain the car's stability in braking and emergency situations.

Models shown are not UK specification.

# 4x4 Yeti, at home on the trail

Model shown is not UK specification.

## Off-road

For those needing a sturdy and versatile car that can handle outdoor living, the 4x4 Yeti Outdoor is for you. The Yeti Outdoor handles most off road situations, slippery roads or rough ground through technology and the 4x4 system.

**Off-road button\*.** By pushing the off road button, the Yeti Outdoor 4x4 helps maintain control when the driving conditions get tough. It will maintain a constant speed downhill on a steep slope (over 8%), maintain traction going uphill and stop over revving of the engine, hold the car still on a hill start and help prevent the wheels from spinning on loose surfaces or wet, slippery roads.

**4x4 system.** The 4x4 system helps you maintain control and stability at all times. The system senses what is happening on each wheel and transfers power or automatically applies brakes when needed to give more grip or drive to keep you on your chosen path.

**Rough road package.** The optional rough road package comprises of:-

- > A thermoplastic cover for the engine and transmission
- > A plastic cover for the fuel and brake lines
- > Reinforced brake fluid distribution system and hand-brake cable

The vehicles ground clearance is not affected by the installation of this package and remains at 180mm. Only available on Yeti Outdoor S, SE, SE L and Laurin & Klement.

\* Standard on SE L and Laurin & Klement 4x4.  
Optional on S, SE and Monte Carlo 4x4.

**The off-road button\*** has a set of intelligent functions to aid driving on difficult, slippery surfaces, further increasing the safety of driver and passengers. The system is enabled when the button is pressed and illuminates.

### Uphill start assist.

- > Used to assist in pulling away on wet, slippery or snowy road surfaces
- > Allows the accelerator to be fully pressed but with the RPM restricted to 2,500
- > Helps prevent damage to the clutch and engine
- > Allows driver to maintain control

### Downhill assist.

- > Maintains a stable speed during descent down slippery, wet or snowy road surfaces
- > Engine is running, but is engaged in neutral, first, second, third or reverse gear
- > ESC brakes the wheels individually, preventing locking
- > In neutral the driver does not have to press accelerator or brake pedal
- > Allows the driver to concentrate fully on steering the car

### ABS off-road.

- > Improves braking effect of the car
- > Longer braking creates a 'chock' of surface material, enhancing vehicle control
- > Only active up to 30mph

### ASR off-road.

- > Improves acceleration on slippery surfaces
- > ASR is set to manage a higher slippage on the driving wheels
- > Helps maintain driver control and vehicle stability

### EDS off-road.

- > Maintains permanent traction of the car
- > Can work diagonally across axles
- > Brakes the slipping wheel(s)
- > Helps maintain driver control and vehicle stability

### Standard Equipment

#### EXTERIOR

16" Helix alloy wheels with anti-theft wheel bolts (215/60 R16 95H tyres, Outdoor 2.0 TDI 110PS SCR Manual with 205/55 R16 91H optimised rolling resistance tyres)  
Aero windscreen wipers with intermittent function  
Black roof rails  
Black protective side mouldings  
Black sills and front and rear bumpers  
Electrically adjustable and heated door mirrors  
Halogen headlights  
Indicators integrated into door mirrors  
Rear windscreen wiper  
Silver door mirrors

#### COMFORT & CONVENIENCE

3 spoke leather multi-function steering wheel  
12V socket in centre console and luggage compartment  
Black inner door handles  
Cloth upholstery  
Cupholder in centre console  
Dust and pollen filter  
Front and rear electric windows (with child safety switch)  
Glovebox (illuminated and cooled)  
Heated rear windscreen  
Horizontal rails with sliding hooks in boot  
Illuminated luggage compartment  
Lashing eyelets in luggage compartment  
Leather handbrake and gear lever  
Manual air conditioning  
Outdoor temperature gauge  
Reading lights in front and rear  
Storage box on dash (open)  
Vanity mirrors in sun visors  
Varioflex

#### SAFETY & SECURITY

2 height adjustable rear headrests  
3-point seatbelts on all seats  
Alarm with interior monitoring and tilt sensor  
Curtain airbags  
Daytime running lights  
Driver and front passenger seatbelt warning light  
Driver and passenger front and side airbags (with front passenger deactivation switch)  
Driver knee airbag  
Electro-mechanical power steering  
Electronic engine immobiliser  
ESC incl ABS, EBV, MSR, ASR, EDS, HBA, DSR & ESBS  
Front fog lights  
Fuel supply cut-off (in event of accident)  
Height adjustable driver and front passenger seat

ISOFIX child seat fittings on outer rear seats  
Rear fog light  
Remote central locking (with 2 keys) and SAFE (preventing unlocking from inside)  
Seatbelt height adjustment for front seats  
Tyre pressure monitoring system  
Tyre repair set

#### TECHNOLOGY

4 loudspeakers  
Energy recovery  
Gear change recommendation (manual transmission only)  
GSM II telephone preparation with Bluetooth®  
Maxi-DOT trip computer  
Swing infotainment system with 5" touchscreen, SD slot, aux-in and USB sockets  
Stop/start system

For offers visit [skoda.co.uk/offers](http://skoda.co.uk/offers)

◇ Standard EU test figures are for comparative purposes and may not reflect real driving results. Please see page 24 for further details.

◇◇ Please see page 25 for further details on VED, OTR, BiK and P11D.

Note: A temporary space saver spare wheel can be ordered as an option with this model. Please note this cannot be combined with a variable boot floor and the tyre repair kit will be removed. A space saver includes a false floor. Temporary space saver spare wheels are restricted to 50mph. For further details please check page 18.

Note: Diesel engines with SCR (Selective Catalytic Reduction) technology require AdBlue®.

Please note CO<sub>2</sub> emissions can change if a different size alloy is ordered. This may potentially lead to a change in the VED and BiK amount payable. A change in VED may increase the Recommended On The Road (ROTR) price. Please refer to pages 24-25 more details.

2.0 TDI 110PS	0.360	
2.0 TDI 110PS 4x4	0.365	
2.0 TDI 150PS 4x4	0.365	

**CO<sub>2</sub> range** 147 - 115g/km  
<sup>†</sup>Lower efficiency when using lower RON petrol.

We measure the maximum power output figures of our engines in PS or Pferdestärke (horse strength in German), which is the metric equivalent of bhp. To convert from metric to imperial horsepower, divide the PS figure by 1.0139.

Depending on your chosen wheel size, different efficiency figures for CO<sub>2</sub> emissions and fuel consumption will apply (based on EU directive no. 715/2007 effective from 01/09/14).

CO<sub>2</sub> values for standard alloy wheels are listed above and can also be found from page 14 onwards, listed with the pricing.

Please note that any change to alloy wheels could result in different efficiency figures, and as a result, the VED band that your Yeti Outdoor falls into may increase, along with BiK tax. These tables are reference guides to assist you in finding the correct CO<sub>2</sub>, fuel consumption, BiK and VED values based on wheel sizes and chosen engine. Please see page 25 for further details on VED and OTR.

<b>Band</b>	<b>CO<sub>2</sub> (g/km)</b>	<b>First 12 Months<sup>1</sup></b>	<b>Standard VED<sup>2</sup></b>
A	Up to 100	<b>£0</b>	£0
B	101 - 110	<b>£0</b>	£20
C	111 - 120	<b>£0</b>	£30
D	121 - 130	<b>£0</b>	£110
E	131 -140	<b>£130</b>	£130
F	141 - 150	<b>£145</b>	£145
G	151 - 165	<b>£185</b>	£185
H	166 - 175	<b>£300</b>	£210
I	176 - 185	<b>£355</b>	£230
J	186 - 200	<b>£500</b>	£270
K	201 - 225	<b>£650</b>	£295
L	226 - 255	<b>£885</b>	£500
M	Over 255	<b>£1,120</b>	£515

**OTR (Recommended On The Road)**  
 Recommended 'On the Road' prices include delivery, 12 months Road Fund Licence, DVLA First registration Fee (at £55), and apply to the United Kingdom only.

**VED (Vehicle Excise Duty)**  
 All vehicles will be subject to Vehicle Excise Duty based on the fuel type of the vehicle and its carbon dioxide (CO<sub>2</sub>) emissions level, measured in grams per kilometre (g/km). Due to changes in vehicle emissions data, CO<sub>2</sub> figures may differ on these vehicles if taken from current ŠKODA UK stock. The VED bands are shown in the table opposite.

<sup>1</sup> First year vehicle licence rates for petrol and diesel cars purchased on or after 1st April 2016. First year rate or 'showroom tax' applies to new car purchases only.

<sup>2</sup> Rate reverts to the Government's applicable Standard VED rate in subsequent years.

Edition:UK 1st April 2016. VAT is calculated at 20%. Please confirm figures with your ŠKODA Retailer.

Company car tax is based on your cars carbon dioxide emissions. The higher the car's emissions, the higher its tax liability. When a company car is made available for private use a 'Benefit in Kind' value is calculated for tax purposes.

To help you work out your tax liability please refer to page 26.

**P11D (Expenses and Benefits)**  
 The P11D value is calculated by taking the On The Road (OTR) price for the vehicle, less the Road Fund Licence (RFL) and First Registration Fee (FRF).

**BiK (Benefit in Kind)**  
 The BiK percentage value is based on the CO<sub>2</sub> emissions of the vehicle for the current tax year 2016/2017.

# Owning a ŠKODA

## We make sure it's easy, fun, and stress-free.

### Network capability

You can enjoy our award-winning customer service through our network of around 150 Authorised Repairers.

As a ŠKODA customer, you will be looked after by your retailer from the moment you walk through the door and throughout the life of your ŠKODA. Your new Yeti Outdoor will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part, you'll be happy to know that most are held in stock, or can be ordered within 24 hours.

The ŠKODA Customer Promise is a commitment from our retailers to offer:

- > Care and consideration for you and your car
- > A flexible and convenient service
- > Expertise and attention to detail
- > A clear explanation of our work

### Roadside Assistance

A three year, European-wide, unlimited mileage ŠKODA Assistance policy comes free of charge with every new ŠKODA.\*

There's a team of specially trained Technicians who carry the right diagnostic equipment and parts to get you back on the road as quickly as possible in the unfortunate event of a breakdown.

\* Provided in partnership with the AA. Exclusions and terms and conditions apply. For details please speak to your local ŠKODA retailer.

\*\* Exclusions and terms and conditions apply. For details see page 27 or speak to your local ŠKODA retailer.

## Calculating your tax liability

To find out how much tax you will pay, simply take the P11D value, then multiply this figure by the BIK percentage. Then simply multiply this figure by 20% or 40% depending on the level of income tax that you pay.

Please note if your employer provides you with free fuel, this is treated as an additional taxable benefit.

For more information on company car taxation please visit the HM revenue and customs website [hmrc.gov.uk](http://hmrc.gov.uk)

### Warranty

When you buy your new ŠKODA through our authorised retailer network, it is automatically covered by a three year, 60,000 mile manufacturer's warranty.\*\*

There's no mileage limit on the warranty in the first two years and for additional peace of mind there's a 12 year body protection warranty.

You can even extend your warranty to four or five years, see the option page for prices and page 20 for further details.

Warranty cover from new			
First 2 years	First 3 years	4-5 years	Up to 12 years
Unlimited mileage	3 years or 60,000 miles, whichever is sooner	Optional Extended Warranty	Body Protection Warranty

### Further information

You can find lots of additional information about owning a ŠKODA on our website at [skoda.co.uk](http://skoda.co.uk). Our retailers are always happy to help with any questions, backed up by our dedicated Customer Service Centre. We look forward to hearing from you soon.

Call: 03330 037 504

Email: [customerservices@skoda.co.uk](mailto:customerservices@skoda.co.uk)

Open 8.30am - 5.30pm

## Customer services

### Talk to us on 03330 037 504

No matter what the query, our dedicated call centre is always ready to listen. No matter how big or small the request, speak to one of our customer care advisors to see if they can help. The call centre is open from 8.30am-5.30pm. If you're calling out of hours, then a message can be left and we'll contact you.

### Peace of mind with a ŠKODA warranty

In the first two years of owning your car, you'll get the peace of mind of a two year unlimited mileage warranty\*. In addition, you'll also get a further warranty on new vehicles supplied through the appointed dealer network until the vehicle has completed 60,000 miles or the end of the third year, whichever is sooner.

Your Yeti Outdoor also benefits from a 3 year paint warranty and 12 year body protection warranty.

### A network that's here to help

With 17 years in the top 10 of JD Power's customer satisfaction survey, our network of approximately 150 authorised repairers know how to treat a customer. You can be sure that as a ŠKODA customer, your retailer will look after you from the moment you walk through the door, throughout the life of your ŠKODA. Your Yeti Outdoor will be serviced and maintained by specially trained ŠKODA technicians. And when you need a spare part you'll be happy to know that most are held in stock, or can be ordered within 24 hours. So if top class customer satisfaction is what you're after, the ŠKODA network will be there for you.

### Motability

People in receipt of the Higher Mobility Component of the Disability Living Allowance receive special help from ŠKODA. Preferential prices on low cost Contract Hire are available through your local approved Motability retailer. For full details, contact your retailer.

### If your ŠKODA's in trouble, rely on ŠKODA Assistance

Completely free of charge, every new ŠKODA is covered by ŠKODA Assistance. This cover lasts for 3 years, with no mileage limit. So if you ever break down, you can use the freephone number to call out someone who really knows about ŠKODA cars to help. This service is even available in Europe, so you don't need additional breakdown cover when you're driving on the continent.

### Financing your ŠKODA

We all know that times are hard, so ŠKODA Financial Services specialises in providing funding solutions for ŠKODA drivers. Regardless of whether you're a private or business user, you can choose from a range of funding options.

### Finance products available are:

- Solutions Personal Contract Plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all ŠKODA Financial Services products you can choose a fixed-cost maintenance plan designed to help you budget accurately. No matter what finance product you choose, your local ŠKODA retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs. ŠKODA Financial Services is a trading name of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Registered in England number 2835230.

An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. ŠKODA Financial Services. \* Exclusions and terms and conditions apply. For details see Warranty section on this page or speak to your local ŠKODA retailer.

Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

\*\* The entitlement plan includes one oil service and one oil and inspection service. Monthly payments are spread over 18 months. All cars must be set to time and distance servicing. Terms and conditions apply. Offer is available to retail customers only from participating ŠKODA Retailers. Offers may be varied or withdrawn at any time. Freepost ŠKODA Financial Services.

## Warranty

### Exclusions and limitations

Wear and tear components will only be considered under the terms of the warranty for the first of six months or 6,500 miles, whichever is soonest. These include, but are not limited to brake linings and disc pads, clutch release bearings, clutch pressure plates and centre plates, tyres, wiper blades, seat and backrest covers, floor coverings, spark plugs, batteries for key fobs and alarms, light bulbs and shock absorbers.

Mechanical adjustments including but not limited to adjustments to doors, flaps, boot lids, bonnets and sunroof, brake adjustment, clutch adjustment, v belt adjustment, ignition adjustment, headlight adjustment, steering geometry adjustments and wheel balancing are excluded.

### Damage (including but not limited to the following) is excluded:

- > Damage caused by your failure to take all reasonable steps to prevent mechanical damage from occurring.
- > Damage or defects caused by not having the vehicle serviced in accordance with the manufacturer's guidelines.
- > Damage or defects caused by improper use of the vehicle, neglect or use of the vehicle for motor sports activities.
- > Damage caused by an accident.
- > Damage to paintwork or chrome caused by external influences, such as climatic, chemical or industrial pollution.
- > Damage resulting from the use of non-original replacement parts.

Routine maintenance and servicing is not covered by the warranty. Incidental or consequential costs such as hotel charges, car hire, loss of personal effects or income are not recoverable under the terms of the warranty.

## Service intervals

When you order your Yeti Outdoor, you can choose whether your car is on a fixed or a flexible service regime. Your retailer will help you decide which regime suits how your car will be driven, enabling your car to stay in the best possible shape.

Fixed regime: Service every 10,000 miles or one year (whichever comes first). This is recommended if the vehicle is likely to be used in the following way:

- > Driven fewer than 10,000 miles per annum **and/or**
- > Mainly short journeys, drive mostly in towns or cities **and/or**
- > High vehicle loading/towing and frequent hill climbs **and/or**
- > Heavy accelerating and braking, using high revs

Flexible regime: Sensors in the engine detect when a service is needed. You will be informed of this by a service light which will show at any point between 9,000 and 20,000 miles, up to 24 months (whichever comes first).

The flexible service regime is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly and mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner. The vehicle service regime does affect the entitlement service plan\*\* if you choose to purchase this.

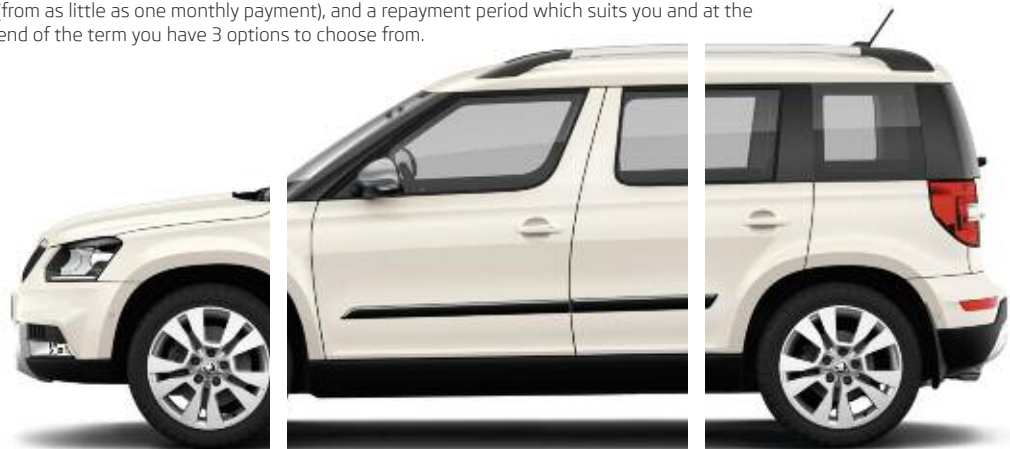

# ŠKODA Solutions Personal Contract Plan. Your journey, your choice.

ŠKODA Financial Services like to do things a little differently, that's why for many years we've specialised in providing simple and convenient funding options for ŠKODA drivers. It's what we know.

ŠKODA's Solutions Personal Contract Plan is all about you; a flexible, fixed-rate plan designed around you and your budget, putting you firmly in the Yeti driving seat.

Solutions Personal Contract Plan is different because you defer a proportion of the car's value until the end of the agreement, giving you lower monthly repayments.

Solutions Personal Contract Plan is totally flexible. You get to choose the size of your deposit (from as little as one monthly payment), and a repayment period which suits you and at the end of the term you have 3 options to choose from.

## DEPOSIT

As little as one repayment

## BALANCE

A flexible repayment period (18-48 months)

## OPTIONAL FINAL PAYMENT

3 choices at the end of the agreement

**1**  Part-exchange the car for a new ŠKODA on a new Solutions Personal Contract Plan.

**2**  Pay the optional final payment so that you own the car.\*

**3**  Circumstances changed? Return the car to us (fees may be payable).

\*See notes on page 27 for more details.

**ŠKODA Financial Services also offers hire purchase, contract hire and service and maintenance plans. Speak to your ŠKODA retailer for your personalised quotation today**

## Free Insurance for 3 years.

No one likes to think about their ŠKODA being damaged in an accident. But if it was you'd no doubt want it repaired to ŠKODA standards, by a ŠKODA trained technician using only ŠKODA genuine parts. That's why we came up with Insurance - ŠKODA's free accident and repair cover.

Insurance works alongside your existing comprehensive motor insurance policy, no matter who you are insured with, to help get you back on the road as smoothly as possible. Better still, it's free for three years and is available on both new and older models.

### Your free Insurance cover includes:

- > Guaranteed use of a ŠKODA approved repairer, ŠKODA trained technicians and the use of genuine ŠKODA parts and paints
- > A dedicated Claims Manager who will look after your entire claim from start to finish
- > Help to recover any uninsured losses with our Legal Expenses Cover
- > An online claims tracker so you can keep up to date with the status of any claim

**To benefit from Insurance you'll need to activate your free cover which takes less than a minute.**

**We hope you don't ever have to use your policy but it's nice to know it's there - just in case.**

**Remember to call us first, Insurance will help deal with the rest**

Your car is **guaranteed** to be repaired by a ŠKODA approved repairer. Only **genuine ŠKODA parts will be used.**

**For more information and to take out cover today visit [skoda-insurance.co.uk](http://skoda-insurance.co.uk)**

## ŠKODA Insurance<sup>o</sup>. Have a safe trip.
