# The Caravelle 6.1

## An icon reinvented.

Since it first rolled off the production line in 1950, the Transporter has met with unprecedented success, selling nearly twelve million units worldwide. Now, meet the icon in a new edition, the Caravelle 6.1, upgraded, digitalised and connected. The distinctive new front has a sharper, modern look and upgrades include electromechanical power steering, a new dash with digital instruments, the latest Volkswagen infotainment systems and an array of state-of-the-art driver assistance systems – fully preparing you for the demands of today.

### An award-winning original.

On the market for 70 years and awarded many prizes: sixteen times Best Car<sup>1</sup>, fourteen times Four-wheel Drive Car of the Year<sup>2</sup> and eleven times Auto Trophy<sup>3</sup>.

### Distinctive design.

The new, sharp front design features a larger grille, chrome detail and LED headlights<sup>4</sup>, with new alloy wheels, new colour palette and a new LED tail light cluster providing a striking rear signature.

### Proven quality.

As you'd expect, the Caravelle 6.1 is durable, versatile and built to last with a highly stable body, high quality materials and exceptional workmanship.

### Impressive range of variants.

Choose from two equipment lines: Caravelle 6.1 SE and Caravelle 6.1 Executive, with a range of engine/gearbox combinations and a great selection of optional equipment.

### Optimum off-road mobility.

4MOTION all-wheel drive<sup>5,6</sup>, double clutch gearbox DSG, Hill Descent Assist<sup>5,7,8,9</sup>, Hill Hold Assist and mechanical differential lock drive<sup>5,7,8</sup> provide impressive off-road mobility.

### State-of-the-art driver assistants.

Fitted as standard are Front Assist with City Emergency Braking, Driver Alert, Adaptive Cruise Control<sup>8</sup>, Brake Assist and Crosswind Assist<sup>8</sup>, with Active Lane Assist<sup>5,8,9</sup>, Rear Traffic Alert<sup>5,8</sup>, and Trailer Assist<sup>5,8</sup> optionally available.

<sup>1</sup> Source: auto motor und sport, 'Vans' category, latest award 05/2019. <sup>2</sup> Source: AUTO BILD ALLRAD, category 'Four-wheel drive Vans', last award 06/2019. <sup>3</sup> Source: AUTO ZEITUNG, category 'Vans', last award 26/2018.  
<sup>4</sup> Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. <sup>5</sup> Optional at extra cost. Please contact your authorised Volkswagen Van Centre for details of the standard equipment and optional extras available.  
<sup>6</sup> Not available for all engines. <sup>7</sup> Only available in conjunction with 4MOTION all-wheel drive. <sup>8</sup> Within the system's thresholds. <sup>9</sup> The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

## Comfort, redefined.

### Exceptional driving comfort.

Ergonomic seats with hard-wearing, stylish upholstery, excellent noise insulation, exceptional all-round visibility and great interior space with plenty of head and legroom ensures a pleasant driving experience.

### Perfectly networked.

Our range of technologically advanced systems will help you find your way quickly and easily, from the latest Digital Cockpit<sup>1</sup> high-resolution colour screen and to the intuitive touch-screen radio and navigation systems<sup>1</sup>. The eSIM built-in mobile internet access, We Connect<sup>2</sup> mobile online services, and Bluetooth® ensure you stay connected while you travel.

### Flexible seat configurations.

Swivel seats and a 3-seater bench seat in the passenger compartment can be conveniently folded, adjusted and securely fixed at any point of the floor-mounted rail system, enabling seats to be easily removed or installed.

### Impressive level of equipment.

Standard equipment across all models includes a multi-function leather steering wheel, redesigned dashboard, Crosswind Assist<sup>3</sup>, LED interior lighting, electrically adjustable and heated exterior mirrors, Bluetooth® hands-free radio system and electric child safety lock.

<sup>1</sup> Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. <sup>2</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [portal.volkswagen-we.com](https://portal.volkswagen-we.com) and can use services free during this time. <sup>3</sup> Within the system's thresholds.

## Technology, that leads the way.

The Digital Cockpit<sup>1,2</sup> sets new standards of clarity and sophistication with its high contrast, high pixel graphics. Whether you're viewing a navigation map with real-time data, phone book entries from your smartphone or a personal playlist from your tablet, the information is displayed on the 10.25 inch high-resolution screen, and you can select the configuration at the touch of a button.

**The Discover Media navigation system<sup>1</sup>.** This new MIB3 infotainment system features an 8 inch colour touch-screen display with 4 x 20 watts of power and six speakers, and offers hybrid navigation, a selection of map options, free map updates via the internet, an SD card slot, two external USB ports and a Bluetooth® interface, hybrid voice control, 32GB media memory and internet radio. It also supports wireless App-Connect, We Connect<sup>3</sup> and We Connect Plus<sup>3</sup>.

**The Discover Pro navigation system<sup>4</sup> with integrated voice control.** In addition to the many functions of the Discover Media navigation system, the powerful Discover Pro increases the hard drive to 64GB and provides in-car infotainment functions via a glass-covered 9.2 inch colour touch-screen, giving the touch and feel of a premium tablet. Thanks to innovative gesture control, you can control all functions with a simple swiping movement of the hand.

<sup>1</sup> Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. <sup>2</sup> The Digital Cockpit and the Discover Pro navigation system will simultaneously display the navigation map. <sup>3</sup> To use We Connect services, you need a Volkswagen ID user account and must log in to We Connect with your user name and password. A separate We Connect contract or We Connect Plus contract will also need to be made online with Volkswagen AG. For We Connect Plus you have 90 days after the handover of the vehicle to register the vehicle on [portal.volkswagen-we.com](http://portal.volkswagen-we.com) and can use services free during this time. <sup>4</sup> Optional at extra cost. Please contact your authorised Volkswagen Van Centre for details of the standard equipment and optional extras available.

#### Park Assist.<sup>1,2</sup> **NEW**

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.

#### Trailer Assist.<sup>1,3</sup> **NEW**

Trailer Assist automatically manoeuvres the vehicle, and trailer, during parallel and reverse parking in combination with tow bar preparation or removable and lockable tow bar.

#### Side protection.<sup>1,2,4</sup> **NEW**

As part of Park Assist, Side protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians.

#### Crosswind Assist.<sup>1</sup> **NEW**

As part of the standard Electronic Stabilisation Programme (ESP), Crosswind Assist applies adaptive braking intervention when the vehicle encounters a strong crosswind.

#### Traffic Sign Recognition.<sup>1,3</sup> **NEW**

Detects road signs and informs the driver. Optionally available in combination with the Discover Media or Discover Pro navigation systems.

#### Active Lane Assist.<sup>1,3,5</sup>

Active Lane Assist countersteers the vehicle if the driver unintentionally drifts from a lane. The system also emits audible and visual warnings via the multi-function display to alert the driver of danger.

#### Rear Traffic Alert.<sup>1,3</sup> **NEW**

As part of Active Lane Assist, Rear Traffic Alert helps by emitting an audible warning when reversing out of a parking space if another vehicle is approaching. If the driver fails to respond, the system intervenes and applies braking to help avoid a collision.

#### Tyre pressure monitoring system.<sup>1,3</sup>

Displays the current pressure for every tyre and warns of deviations from the set pressure.

#### Adaptive Cruise Control (ACC).<sup>1</sup>

Adaptive Cruise Control uses a front radar to measure the distance (up to 120 metres) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the Front Assist with City Emergency Braking System. This detects critical distances, warns of hazardous situations and when necessary, a speed of up to 18mph triggers emergency braking.

#### Hill Descent Assist.<sup>1,3,6</sup>

Allows you to descend slopes in a safe, controlled way by regulating the engine speed and applying the brakes as necessary.

## Intelligent driver assistants give you peace of mind.

Driving the Caravelle 6.1 offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

<sup>1</sup> Within the system's thresholds. <sup>2</sup> Standard equipment on the Caravelle 6.1 Executive. Optional at extra cost on the Caravelle 6.1 SE. <sup>3</sup> Optional at extra cost. Please contact your authorised Volkswagen Van Centre for details of the standard equipment and optional extras available.

<sup>4</sup> No direct detection of lateral obstacles by sensors. Obstacles are 'estimated' by the system when they are detected by the front/rear sensors as the vehicle passes. <sup>5</sup> The driver must be prepared to override the assistance system at any time and is responsible to drive the vehicle with caution.

<sup>6</sup> Only available in conjunction with 4MOTION all-wheel drive. <sup>7</sup> Not available for all engines. <sup>8</sup> Not available for the Caravelle 6.1 SE long wheelbase.

## Optimum performance, on any terrain.

A vehicle is even more fun when it's tuned to your personal driving style. That's why the Caravelle 6.1 comes with a choice of front or 4MOTION all-wheel drive<sup>3,7</sup>, dual clutch DSG gearbox and Dynamic Chassis Control (DCC)<sup>3,8</sup>, with three different driving profiles, to meet your exact requirements.

**Dual clutch gearbox DSG.** The standard 7-speed dual clutch gearbox DSG delivers fully automatic, almost imperceptible gear changing with no interruption in power flow, significantly enhancing driving comfort and efficiency. Choose between normal and sport mode.

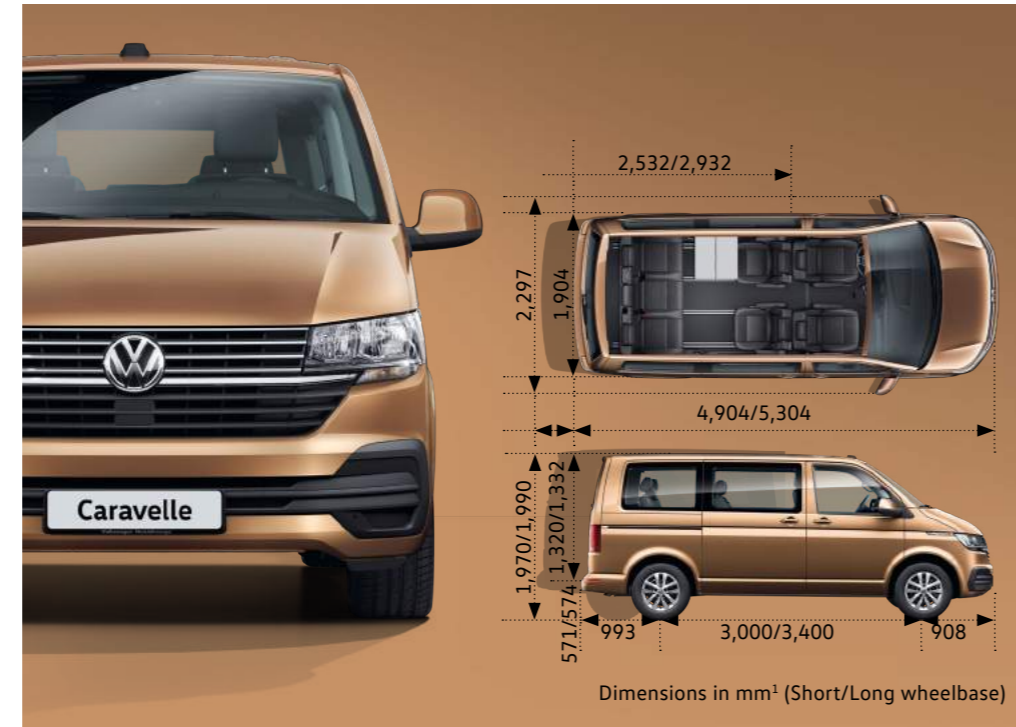

**Dynamic Chassis Control (DCC).**<sup>3,8</sup> Dynamic Chassis Control (DCC) offers you a choice of three settings: Sport, Comfort or Normal. At the touch of a button, depending on your choice, the system adjusts the damping, enabling you to adapt your Caravelle 6.1 to suit the road and your driving style.

**4MOTION all-wheel drive.**<sup>3,7</sup> 4MOTION all-wheel drive provides impressive traction, optimum handling and greater steering control, helping you master difficult conditions. The power transmission adjusts automatically to the driving situation via an electronically controlled clutch on the rear axle.

**Mechanical differential lock.**<sup>3,6</sup> The mechanical differential lock is available on request for the rear axle, providing additional support to the 4MOTION all-wheel drive<sup>3,7</sup> making it easier to pull away in difficult off-road conditions and making the Caravelle 6.1 one of the most effective all-terrain vehicles in its class.

# New levels of equipment, to meet your every need.

The Caravelle 6.1 has been designed to meet every requirement. Whichever model you select, you'll find its flexible design, spacious interior and extensive range of standard equipment more than meets your needs.

## Caravelle 6.1 SE Standard equipment (highlights)

Practical and versatile, the Caravelle 6.1 SE is equipped with a host of advanced features fitted as standard. The stylish exterior is equipped with chrome detailing on the upper grille, step illumination and twin power-latching side sliding doors. Inside, contemporary cloth upholstery sets the scene, along with carpet floor covering, driver and front passenger's armrests, integrated swivelling reading lights, soft-folding grab handles on the roof frame and coat hooks. Other features include:

- 16" alloy wheels 'Clayton'<sup>2</sup> in Silver or 17" Alloy wheels 'Devonport'<sup>2</sup> in Silver
- Adaptive Cruise Control (ACC) with speed limiter **NEW**
- 'Circuit' cloth upholstery in Titanium Black **NEW**
- Climatic semi-automatic air conditioning
- Composition Colour DAB+ radio system with 6.5 inch touch-screen and six speakers **NEW**
- Volkswagen App-Connect **NEW**
- Crosswind Assist<sup>3</sup> **NEW**
- Dashboard with black gloss surrounds and chrome trim, numerous storage compartments and lockable glovebox **NEW**
- Decorative inserts in Bright Brushed Grey **NEW**
- eCall emergency system **NEW**
- Electrically heated and adjustable door mirrors
- H7 twin Halogen headlights
- Height-adjustable front comfort seats
- Interior lighting with LED technology in load/passenger compartment **NEW**
- Leather multi-function steering wheel **NEW**
- Multi-function 'Premium' colour display **NEW**
- Radiator grille with five chrome strips **NEW**
- Sunblinds for side windows in rear passenger area
- 2 USB interfaces (type C) in dashboard **NEW**
- 3-seater bench, two swivel seats and folding table in the passenger compartment

## Caravelle 6.1 Executive Standard equipment (highlights)

The emphasis is on luxury and comfort in the impressively equipped Caravelle 6.1 Executive, immediately evident by the 17" alloy wheels and a heated laminated windshield. As you step inside you'll encounter inviting heated seats in the cab, separately controllable, a new 10.25 inch Digital Cockpit, Pewter Wave Grey decorative inserts and chrome detailing. The luxury continues with:

- 17" alloy wheels 'Aracaju' in Silver **NEW**
- Adaptive Cruise Control (ACC) with speed limiter **NEW**
- Body-coloured door mirror housings and handles, front and rear bumpers
- Chrome pack: Radiator grille with five chrome strips, lower air intake grille with additional chrome strip and chrome strips on the sides and at the rear **NEW**
- Climatronic three-zone automatic climate control
- Crosswind Assist<sup>3</sup> **NEW**
- Dashboard with gloss black surrounds and chrome trim, numerous storage compartments and lockable glovebox **NEW**
- Discover Media navigation system with 8 inch touch-screen and six speakers **NEW**
- Wired & Wireless App-Connect **NEW**
- eCall emergency system **NEW**
- Electrically heated, adjustable and foldable door mirrors **NEW**
- Front fog lights with integrated cornering lights
- LED headlights with LED separate daytime running lights and LED tail lights **NEW**
- Leather multi-function steering wheel
- Lights & Vision pack
- 'ArtVelours' microfleece in Palladium/Titanium Black **NEW**
- Park Assist<sup>3</sup> **NEW**
- Rear-view camera **NEW**
- Sunblinds for side windows in rear passenger area
- 2 USB interfaces (type C) in dashboard **NEW**
- 3-seater bench with centre armrest, two swivel seats and multi-function table in the passenger compartment

<sup>1</sup> Please note that these are approximate values and the dimensions may differ due to manufacturing tolerances.

<sup>2</sup> Depending on engine-gearbox combination. <sup>3</sup> Within the system's thresholds.
