

December 2015

Volkswagen

The new
California

60 years in the making.

With the new sixth generation Volkswagen California, there's no better way to add to the success story of a legend. What began some 60 years ago with the original Volkswagen camper van being seen as a rolling symbol of independence and freedom, has become a true home from home on four wheels. Available as 'Beach' or 'Ocean', the new California embodies the same spirit and charm, yet combines this with quality engineering, comfort, performance and style. Add the latest driver assistance and safety systems and up-to-the-minute infotainment systems and you'll discover the allure to hit the open road is as strong as ever.

04	Design.	28	Paint, upholstery and trim.
06	Interior and infotainment.	30	Alloy wheels and tyres.
08	Comfort and flexibility.	30	Audio and communications.
10	Safety systems.	32	Mobile online services.
12	Assistance systems.	33	Engines and gearbox data.
14	Engines and gearboxes.	34	Economy and performance.
16	BlueMotion Technology.	34	Weights.
18	4MOTION all-wheel drive.	35	Dimensions and floor plans.
20	California Beach.	36	Accessories.
22	California Ocean.	42	Service and warranties.
24	Standard equipment.		

Enjoy the view.

The new California is designed to draw the eye from even the most breathtaking landscape. Wherever you travel, it demonstrates unquestionable style, poise and elegance. What's more, with a host of options such as LED headlights, LED tail lights, a new range of stylish alloy wheels and a selection of attractive exterior paint colours, you'll find every journey a pleasure. Simply park-up and enjoy the view.

01 Optional LED headlights with low energy LED daytime running lights.

02 Optional low energy, high efficiency LED tail lights.

03 Optional 18" Springfield alloy wheels.

The new infotainment systems.

With an interior that's almost too comfortable to leave, the new California offers an ergonomic, highly-specified space with quality finishing and an exclusive atmosphere. What's more, we've taken things a step further by introducing a new range of stylish and innovative radio and infotainment systems, all designed to help the miles fly by.

Radio and navigation. Devices include the standard Composition Colour touch-screen DAB+ radio system and optional Composition Media DAB+ radio system.

Voice recognition. Available as an option, the voice control system allows you to operate the telephone, navigation and audio functions without taking your hands off the steering wheel.

App-Connect. Available as an option, App-Connect allows you to operate special apps. The screen of your smartphone can be shown on the radio system's display.

Connectivity package. Available as an option, external media devices, such as MP3 players, can be connected via the USB port. Additionally, the standard mobile phone interface offers a Bluetooth® hands-free speaking system.

Volkswagen Media Control. Available as an option, your smartphone or tablet is turned into a remote control and able to operate the audio system functions from the rear seats via a Wi-Fi connection.

01 Optional Composition Media DAB+ radio system.
02 Optional App-Connect system.
03 USB interface within centre console.

A true home from home.

After a long day exploring, there's nothing better than returning to your new California to take things easy. Whether you simply want to sit back, relax and listen to your latest playlist via the California's up-to-the-minute infotainment systems, or prepare and enjoy a delicious meal, you'll find everything you need within easy reach. At the front there's 180° swivelling driver and passenger seats with armrests, atmospheric lighting, numerous storage compartments and an ingenious pull-out folding table, enabling you to turn your California's interior into a comfortable lounge or dining area. If you want to dine outside using the optional roll-out awning, standard removable table or twin folding camping chairs that are conveniently stored in the tailgate, you'll discover there's no need to rush home. The living areas of both the Beach and Ocean double as a cosy bedroom with pull-down blinds, while the Ocean's electrically operated and the Beach's manually operated pop-up roofs create a generous upper berth. The Ocean's upper berth also features low energy LED lighting. Whether you're just out for the day or enjoying an extended break, the new California is a true home from home.

03

01

02

- 01 The Ocean's self-supporting worktop with drop-down leg forms a flexible living area.
- 02 Numerous storage compartments throughout.
- 03 Generous 2.0m x 1.2m upper berth.

Safety systems.

Your safety is vital, so we ensure that a long list of safety and security features are built into every vehicle we produce. Since we first introduced structural safety features on commercial vehicles over 35 years ago, Volkswagen has maintained a policy of continuous safety development. Every Volkswagen model incorporates a range of both active and passive safety features, to help ensure the safety and security of both you and your load.

With the vehicle's design contributing to safety, occupants are securely enclosed within a rigid safety cell with crumple zones to absorb crash energy, while the chassis and suspension are designed for excellent directional stability and handling. Features such as Anti-lock Braking System (ABS), Electronic Brakeforce Distribution (EBD), Electronic Stabilisation Programme (ESP), driver and passenger front and side airbags, electric seatbelt tensioners and two ISOFIX child seat mountings in the rear passenger area are fitted as standard.

For additional security and protection, an electronic immobiliser and remote central locking with dead locking and internal locking button are standard, while optional features such as anti-theft devices, front and rear parking sensors, LED headlights, 4MOTION all-wheel drive, automatic rain-sensing wipers and front fog lights with integrated cornering lights (standard on Ocean) all offer additional peace-of-mind.

Electronic Stabilisation Programme (ESP).
Designed to prevent the vehicle from swerving in critical driving conditions by controlled and targeted intervention in the brake and engine management. This helps to maximise directional stability.

Anti-lock Braking System (ABS).
Designed to prevent wheels from locking up and assist manoeuvrability of the vehicle under heavy braking.

Traction Control System (TCS).
Aids smooth starts and acceleration by reducing wheel-spin. The system also incorporates the Electronic Differential Lock (EDL) and makes up part of the Electronic Stabilisation Programme (ESP).

Electronic Differential Lock (EDL).
Allows smooth starts on slippery or loose road surfaces. If one wheel starts to spin, EDL will brake the wheel as necessary, directing power to the wheel with greater traction.

Airbags.
Driver and passenger front and side airbags are fitted as standard. They offer occupants improved protection in the event of head-on or side impacts.

Seatbelt warning.
The seatbelt warning reminds the driver that their seatbelt is not fastened. Audio and visual signals are used to request that the seatbelt is fastened before driving.

Adaptive Cruise Control (ACC).

Available as an option, ACC uses a front radar to measure the distance (up to 120m) and speed relative to vehicles driving ahead. It automatically regulates the pre-set distance. ACC also includes the **Front Assist area monitoring system with City Emergency Braking System**. This detects critical distances, warns of hazardous situations and when necessary, triggers emergency braking.

Lane Change Assist - Side Scan.

Available as an option, Side Scan displays a warning signal on the exterior mirror as soon as one of its sensors detects a vehicle in a blind spot during a lane change.

High Beam Assist.

Available as an option, High Beam Assist automatically dips the headlights and prevents dazzle for oncoming vehicles, or vehicles travelling ahead. At night time at speeds of above 37mph, the system automatically switches the headlights to high-beam.

Fog lights with integrated cornering lights.

Fitted as standard on Ocean and available as an option on Beach, these help to illuminate curves and bends in the road ahead. This aids the driver in spotting any obstacles where the vehicle is turning.

Advanced driver assistance systems.

To help ensure every journey ends as stress-free as it begins, the new California is equipped with a number of systems – all of which are activated in critical situations as a preventative measure. Add to this a variety of new and innovative driver assistance systems and you'll discover the new California offers high levels of safety and peace-of-mind.

01 Optional parking sensor display.

02 Optional rear-view camera display.

Cruise control.

Available as an option, cruise control maintains the selected speed, or limits the top speed to a value set by the driver.

Driver Alert System.

Fitted as standard, the Driver Alert System registers deviation from normal steering patterns and uses visual and acoustic warnings to recommend that the driver takes a break.

Brake Assist.

Fitted as standard, the system registers the speed at which the brake pedal is pressed. During emergency braking, it helps ensure full brake pressure is applied more quickly.

Daytime running lights.

Fitted as standard, daytime running lights offer increased visibility. For extra driver convenience, the dipped beam headlights are automatically switched on when you start your vehicle.

Hill Hold Assist.

Fitted as standard, the convenient Hill Hold Assist helps to prevent your vehicle from rolling back when pulling away on an incline. The hold operates for approximately two seconds.

Tyre pressure monitoring.

The standard tyre pressure monitoring display activates a warning signal to highlight significant changes in tyre pressure. This lets the driver know that the tyre pressure should be checked as soon as possible.

The new California engine range.

EURO
6

2.0 litre TDI 102PS (75kW).¹

Combined cycle fuel consumption: 44.8mpg
CO₂ emissions: 164g/km
Maximum torque: 250Nm

2.0 litre TDI 150PS (110kW).¹

Combined cycle fuel consumption: 42.2-45.6mpg
CO₂ emissions: 176-162g/km
Maximum torque: 340Nm

2.0 litre BiTDI 204PS (150kW).¹

Combined cycle fuel consumption: 40.4-44.1mpg
CO₂ emissions: 182-169g/km
Maximum torque: 450Nm

¹ Standard EU test figures for comparative purposes and may not reflect real driving results. For full mpg and CO₂ data refer to page 34.

Euro 6 is achieved by applying the following technologies.

Selective Catalytic Reduction (SCR).

The SCR system uses AdBlue® urea solution to convert nitrogen oxide into nitrogen and water. If the vehicle is equipped with this kind of emission control system for diesel engines, the filler neck for the AdBlue® tank is located below the filler cap for the fuel tank. The AdBlue® consumption figures depend on individual driving style, the system's operating temperature and the ambient temperature that the vehicle is operated in. The vehicle is fitted with a separate tank for AdBlue® which holds approximately 13 litres.

Exhaust Gas Recirculation (EGR).

In our diesel engines, exhaust gas recirculation is a technique that is used to reduce nitrogen oxide (NO_x) emissions. EGR works by recirculating a percentage of the engine's exhaust gas back to the engine cylinders.

Diesel Particulate Filter (DPF).

The DPF captures soot particles in the exhaust gas. Periodically, the soot particles are automatically burnt under high temperatures to regenerate the filter and maintain exhaust gas emissions.

New TDI and BiTDI engines with the Euro 6 emissions standard.

TDI and BiTDI common-rail diesel engines.

The latest generation Euro 6 engines provide excellent economy and an abundance of usable torque. Both fuel consumption and CO₂ emissions have been reduced without sacrificing the driving dynamics.

BlueMotion Technology.

All Euro 6 engines include BlueMotion Technology as standard – consisting of Start/Stop, low rolling resistance tyres and regenerative braking.

Dynamic Chassis Control (DCC).

For optimum handling, optional Dynamic Chassis Control makes it possible to adjust the running gear to a 'normal', 'sport' or 'comfort' set-up at the touch of a button.

Dual clutch direct shift gearbox (DSG).

Our dual clutch direct shift gearbox (DSG) can be used as a fully automatic gearbox, or as a responsive quick-shift manual. The innovative dual clutch system facilitates an instant gear change, whilst helping to maintain swift and smooth progress.

BlueMotion Technology.

BlueMotion Technology (BMT) is included as standard on all California Beach and California Ocean models. BMT consists of three key elements, namely Start/Stop, low rolling resistance tyres and regenerative braking. Together, they contribute to improvements in fuel consumption and CO₂ emissions.

Standard on all California engines, BlueMotion Technology consists of three key elements.

Start/Stop.

Automatically turns the engine off when you stop and engage neutral. As soon as it's time to move, the engine starts up again. A simple, but highly-effective system.

Low rolling resistance tyres.

These don't need to work as hard to get your vehicle moving (and keep it rolling) which is especially useful when shifting heavy loads. As friction between the tyre and the road is reduced the engine has to work less.

Regenerative braking.

When you brake, the energy recuperation system uses momentum to turn the alternator and charge the battery. This way the system makes the most of the energy when you brake.

4MOTION all-wheel drive.

The new California offers a number of innovative features to help retain traction, optimum handling and aid steering response when encountering poor surface conditions.

A new generation of 4MOTION all-wheel drive.

The advantages of the new Haldex clutch for the 4MOTION all-wheel drive include reduced weight, a decrease in fuel consumption and an improvement to vehicle handling and dynamics.

4MOTION all-wheel drive with DSG.

The new California is the only vehicle in its class that's available with 4MOTION all-wheel drive and a 7-speed, dual clutch direct shift gearbox (DSG). Available as an option, this combination enables smooth driving on rugged terrain, thanks to its fully automatic gear changes.

Hill Descent Control.

This useful option allows you to drive down steep slopes in a safe and controlled manner, thanks to the engine management's ability to govern the engine speed and apply the brakes if necessary. The vehicle's speed is maintained at a steady pace, without the driver needing to have additional input.

Mechanical differential lock.

The mechanical differential lock is available for the rear axle together with optional 4MOTION all-wheel drive. This helps to maintain traction when you encounter adverse conditions, such as rain, snow, mud or gravel.

California Beach.

Whether sat in the cab enjoying a commanding view on the way to your destination, or reclining in the living area after hitting the waves, the Beach adapts perfectly to everything life can throw at it – be it the school run, or a last-minute drive to the coast. Cleverly designed and well-equipped, the new California Beach's standard interior seats four people and is upholstered in easy-to-clean 'Pilion' fabric. Thanks to its versatile floor-mounted rail system and a variety of seating options, including two additional seats on the second row and a three-seat bench at the rear, it's possible to carry up to seven including the driver, as well as luggage, camping or sports gear and still sleep four on an inviting 2.0m x 1.5m lower berth and 2.0m x 1.2m upper berth. With numerous storage compartments and a comprehensive list of standard and optional features and accessory 'Add Ons', you'll find the California Beach as practical and adaptable as it is stylish.

03

01

02

- 01 Lower berth with optional comfort mattress.
- 02 Optional folding three-seat rear bench with individual head restraints, seat belts and under-seat storage.
- 03 Standard camping chairs neatly stored in tailgate.

California Ocean.

From the moment you fasten the seatbelt and hit the road, your holiday begins. Drawing on 60 years experience, the new California Ocean moves the original 'camper van' concept onto another level. As you'd expect, the Ocean includes everything you'll need – including a stainless steel sink, two-burner stove, temperature controlled cool/warm box, on-board fresh and waste water tanks, gas storage compartment, electric hook-up, four-berth accommodation, masses of storage and the all important pop-up roof that's been a hallmark of Volkswagen campers down the ages. What's more, everything fits together snugly, so there are no annoying rattles or squeaks while you're on the move. However, it's attention-to-detail that sets the Ocean apart. From the hard-wearing and realistic dark wood-effect trim or stylish 'Valley' upholstery, to the innovative floor-mounted rail system, or the remote/timer controlled parking heater to the central control panel that operates most of the Ocean's features at the touch of a button, the new California Ocean stands out as a vehicle that's been lovingly crafted for the next generation of camper fans.

01 Rear cupboard and wardrobe with door and sliding shutter access. Features hanging rail and mirror.

02 Optional fold-out awning available with choice of Black or Silver finish. Suitable for both Ocean and Beach.

03 The standard electronic control system conveniently operates a multitude of functions at the touch of a button.

California Beach standard equipment.

Audio and communications.

Bluetooth® hands-free set.
Composition Colour DAB+ radio system with 5" touch-screen, single MP3 compatible CD drive, SD card slot, AUX-IN socket and eight speakers.
USB interface.

Camping.

Awning rail – Black with tent adapter.
Body-coloured pop-up aluminium roof, manually operated canvas sides in Alpine Grey, two zip-opening side windows, fly screens, slatted bed frame, 55mm foam mattress and child safely net.
Fabric window blinds (black-out) in cab and living area.
Folding chairs – two, stored in tailgate.
Folding table – attaches to side sliding door.
Lower bed with sleeping mat – includes storage compartment.
Second battery – operating voltage 12v.
Two-person lower bed – converts using the two-seat rear folding bench (length 2,000mm, width 1,140mm, with bed cushion).
Two-person upper bed – converts using the pop-up roof with stowage compartment (length 2,000mm, width 1,200mm).

Exterior.

Additional dust seal outside.
Body-coloured door mirrors and handles.
Body-coloured front and rear bumpers.
Chrome-plated strip on air intake of charge air cooler.
Door mirrors – electrically heated and adjustable.
Driver exterior door mirror – aspherical.
Fixed side windows to near-side rear and off-side front and rear.
Galvanised steel body.
Halogen headlights.
Heat insulating glass with green tint in cab and living area.
High-gloss black grille with chrome trim.
LED tail lights.
Mounting rails on the roof in preparation for movable roof rack.
Passenger exterior door mirror – convex.
Rear fog light.
Sliding door – driver side, manually operated.
Sliding side window to near-side front of living area.
Steel spare wheel with original equipment tyre.
Tailgate with window and wash-wipe.
Tailgate with electric locking and release via remote key.

Interior – cab area.

Armrests for driver and front passenger seats.
Auxiliary heater (coolant).
Carpet floor covering.
Climatic semi-automatic air conditioning with manual rear heater control.
Cup holder in dashboard.
Digital clock.
Dimmable dashboard illumination.
Dipping breakaway rear-view mirror.
Door stowage – two compartments with bottle holder able to accommodate 1.5 litre drinks bottles.
Electric front windows.
Fresh air intake system with activated charcoal canister.
Grab handle on 'A' pillar, on driver and front passenger side.
Interior light.
Leather steering wheel, gearknob and gaiter.
Lockable glove compartment.
Multi-function display 'Plus'.
Power-assisted steering with height and reach adjustment.
Soft fold-away grab handles on roof frame.
Seat trim in Pilion fabric.
Smokers package – 12v socket with cigarette lighter, ashtray and two cup holders in dashboard.
Storage net on lower dash passenger side.
Swivelling driver and passenger seats with lumbar support (not height adjustable).
Twin sun visors – with illuminated vanity mirror, sliding cover, storage pocket and airbag label.
Windscreen wiper intermittent control.
12v socket on dashboard.

Interior – living area.

Floor-mounted sliding rail system.
Headlining – moulded and trimmed in fabric.
Interior light concept.
Luggage compartment – under lower bed extension.
Load-lashing rings, for use with tough floor covering.
Plastic entrance step protection.
Plastic side mouldings.
Plastic tailgate sill protection.
Seat trim in Pilion fabric.
Step illumination with California logo for cab doors and side sliding door.
Storage box to left of two-seat rear bench.
Tough plastic floor covering in living area.
Two-seat rear folding bench – incorporates under-seat storage, ISOFIX child seat mountings and converts into a two-person bed.
12v and 230v UK socket.
230v supply with charging feature for vehicle batteries.

Safety and security.

Airbags – driver and front passenger side and front curtain with seatbelt tensioners and passenger deactivation.
Anti-glare adjustable rear-view mirror.
Anti-lock Braking System (ABS).
Anti-theft alarm system and immobiliser – Thatcham Category 1 alarm system with passenger compartment control in cab, back-up horn and tow-away protection.
Brake Assist.
Child lock on side sliding door.
Daytime running lights.
Driver Alert System.
Electronic Brakeforce Distribution (EBD).
Electronic Differential Lock (EDL).
Electronic Stabilisation Programme (ESP).
First aid kit and warning triangle.
Headlight range adjustment.
Height-adjustable head restraints on all seats.
Hill Hold Assist.
ISOFIX and top tether child anchorage in second to fourth rows.
Regenerative braking.
Remote central locking system with 'Safelock', interior release and two remote folding keys.
Seatbelt tensioners – driver and front passenger seats.
Service indicator – 25,000 miles or 2 years (variable).
Start/Stop system.
Traction Control System (TCS).
Two-tone horn.
Tyre pressure monitoring with warning light.
Warning sound and light when driver seatbelt not fastened.
3-point seatbelts on all seats.

Wheels and tyres.

Full size spare wheel.
Locking wheel bolts.
Tool kit and jack.
16" Clayton alloy wheels 6.5J x 16 with centre caps.
215/65 R16 or 205/65 R16 optimized rolling resistance tyres.

- 01 Slatted bed frame with 55mm foam mattress.
- 02 Sliding screen between cab and pop-up roof.
- 03 Folding camping table. Conveniently attaches to the inner of the side sliding door.
- 04 Black-out window blinds in cab and living areas.
- 05 16" Clayton alloy wheels.
- 06 Climatic air conditioning for cab and living area.
- 07 Two folding chairs stored within tailgate.

California Ocean standard equipment in addition to Beach.

Camping.

Body-coloured pop-up aluminium roof, electrically operated with grey canvas sides, two zip-opening side windows, one zip-opening front window, fly screens, slatted bed frame, 55mm foam mattress and child safety net.

Central electronic control system – operates and/or displays battery charge level, battery capacity, external temperature, fridge temperature settings, fresh and waste water levels, waking alarm, parking heater settings and activation of electric pop-up roof.

Cool/warm box – 42 litre capacity with removable basket.

Electric hook-up on near-side rear.

Fresh water storage tank – 30 litre with lockable external filler cap on near-side rear and electric pump.

Gas storage compartment – takes 2.8kg gas cylinder and includes gas pressure regulator with shut-off valve.

Gas stove with two burners and pressure test point.

Kitchen unit – features textured dark wood-effect trim, attachment rail, height-adjustable frosted glass covers, 12v and 230v sockets, storage cupboard with two sliding doors, cutlery drawer and houses stainless steel sink, gas stove, cool/warm box.

Lower bed with sleeping mat.

Stainless steel sink with height-adjustable tap and removable fitted washing-up bowl.

Two 72Ah auxiliary batteries – maintenance free with cut-off relay for powering living area. Second battery – operating voltage 12v plus 230v AC inverter.

Waste water storage tank.

Exterior.

Double-glazed fixed side windows to near-side and off-side rear.

Door mirrors – electrically heated, adjustable and folding.

Front fog lights with cornering lights.

Halogen twin headlights with range adjustment.

Heated front washer nozzles with washer fluid level indicator.

Power latching side sliding door.

Power latching tailgate with double-glazed heated window, wash-wipe and LED spotlight.

Side indicators with chrome finish.

Sliding side windows with fly screens to near-side and off-side front of living area.

Interior – cab area.

Climatronic three-zone automatic air conditioning with second evaporator or auxiliary heater, air conditioned headliner and additional passenger control.

Decorative inserts on dashboard.

Dust and pollen filter.

Heated driver and front passenger seats.

Luxury cut pile floor mats.

Premium dashboard with wide centre console and bottle compartment.

Programmable parking heater (air) with radio remote control and auxiliary heater (coolant).

Seat trim in Valley fabric.

Interior – living area.

Cupboard with textured dark wood-effect trim.

Drop-down rear compartment – features textured dark wood-effect trim and incorporates rear speakers.

Flexible halogen spotlight – multi-directional stem, targets light into the living area or pop-up roof.

Flexible worktop with drop-down leg.

Interior light concept 'Comfort'.

Lighting above side sliding door and kitchen unit.

Seat trim in Valley fabric.

Wardrobe with door and sliding shutter access – features textured dark wood-effect trim.

Wheels and tyres.

Full size spare wheel.

Locking wheel bolts.

Tool kit and jack.

17" Devonport alloy wheels 7J x 17 with centre caps.

235/55 R17 or 215/65/17 optimized rolling resistance tyres.

- 01** Standard lower berth allows easy access to storage compartments and wardrobe. An optional comfort bed-topper is also available.
- 02** Cool/warm box with 42 litre capacity and removable basket.

- 03** Kitchen unit featuring stainless steel gas stove with two burners and stainless steel sink with adjustable tap and fitted washing-up bowl.
- 04** Drop-down rear compartment incorporating rear speakers.

- 05** Rear cupboard with gas storage compartment for 2.8kg gas cylinder.
- 06** 17" Devonport alloy wheels.
- 07** Climatronic three-zone automatic air conditioning and heated driver and front passenger seats.

Paint, upholstery and trim.

Formulated to withstand the rigours of everyday life, the new California's paint and upholstery are designed to stand the test of time. As you'd expect from any Volkswagen, exterior paints offer a smooth and tough finish, while the interior upholstery is made from high-quality materials that are both attractive and robust.

Audio and communications.

Composition Colour DAB+ radio system.

Fitted as standard, the Composition Colour DAB+ radio system features a 5" TFT touch-screen colour display, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with eight speakers and a dual tuner with PhaseDiversity for optimum radio reception.

Composition Media DAB+ radio system.

The optional Composition Media DAB+ radio system features an increased touch-screen size of 6.33" with proximity sensor, USB port, Bluetooth®, SD card slot, AUX-IN interface, MP3 and WMA compatible CD drive, 4 x 20 watt output with eight speakers and a dual tuner with PhaseDiversity for optimum radio reception. App-Connect is available as an option for this system.

Discover Media satellite navigation system.

The optional Discover Media satellite navigation system builds on the strengths of the Composition Media DAB+ radio system by adding satellite navigation and a second integrated SD card slot compatible for map data. The system includes free updates for the pre-installed European maps through Volkswagen MapCare. App-Connect is available as an option for this system.

Mobile online services.

Optional App-Connect – Volkswagen apps.¹

Download special Volkswagen apps to your mobile or tablet, such as 'Shared Audio', 'Drive & Track', 'Call & Remind', 'My Guide' and 'Sound Journey' to make every journey more pleasant and interesting. The apps provide you with information about your driving behaviour, guide you to parking spaces in the vicinity, make detailed suggestions about exciting destinations – all taking into account the weather and traffic data.

Optional Car-Net Guide & Inform.²

Use Car-Net Guide & Inform to enhance your vehicle's optional Discover Media navigation system with online-based, up-to-date information services for greater convenience when travelling. For example, utilise real-time traffic information to avoid a sudden traffic jam, or refuel at the cheapest petrol station, or find a free parking space without the need for an infuriating search. Car-Net Guide & Inform helps you to reach your destination quickly and with the least amount of stress.

Online traffic information.

Save time and avoid stress with real-time traffic information, enabling you to avoid traffic jams by dynamically adapting your route.

Petrol stations.³

View the petrol stations with the cheapest fuel prices in your immediate vicinity. Your vehicle's fuel type is automatically identified.

Parking spaces.³

Save time and view available parking options, along with prices and opening hours.

Weather.

Stay up-to-date with the latest weather information while on the move.

Online special destination search.

Customised information about local services is sent directly to your touch-screen display.

News

Subscribe to personalised news categories and use the news feeds to stay up-to-date.

Online destination import.

Conveniently plan your driving destinations from home using the customer portal and retrieve them using the navigation system.

My special destinations.

Use the customer portal to save your preferred destinations while at home and import these into your vehicle's navigation system.

Vehicle status report.

Retrieve the latest service information and error messages from your vehicle.

Car-Net registration in a few easy steps:

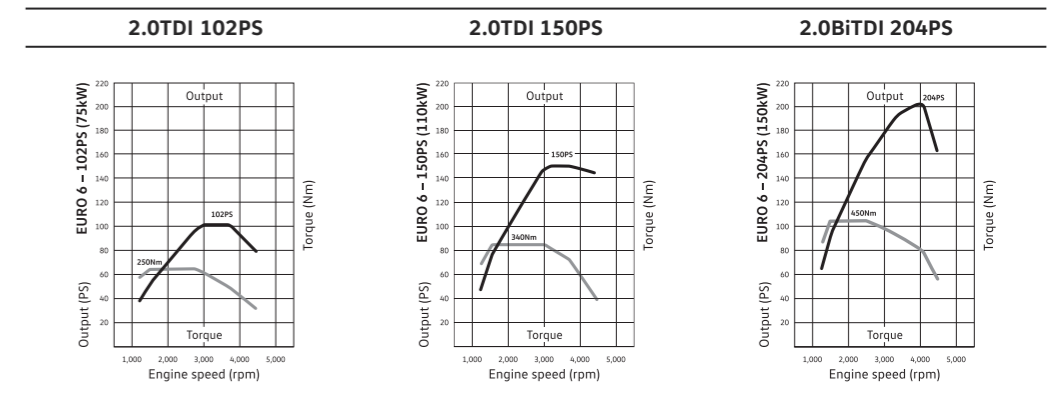

1. Create your personal account on the Car-Net website.
2. You will receive a registration code (PIN).
3. Enter your vehicle identification number (VIN).
4. Enter the PIN into your vehicle's navigation system.

● Standard ○ Available – Not available

¹ Available as an option, App-Connect is only available in conjunction with the Composition Media DAB+ radio system or the Discover Media satellite navigation system. App-Connect comprises MirrorLink™, CarPlay™ and Android Auto™. The availability of these technologies can vary depending on the country in question. Please note that App-Connect is not currently supported by all mobile telephones on the market. Volkswagen is working closely with major smartphone producers to promote broader compatibility for App-Connect.

² Available as an option, mobile online services (Car-Net) is only in conjunction with the Discover Media satellite navigation system. You will also require a mobile device that is capable of acting as a mobile wireless hotspot. Car-Net services are only available with an existing mobile network contract or one to be agreed separately for this purpose between you and your mobile phone network provider and only within the respective mobile phone network coverage. Depending on your mobile phone tariff, receiving data from the internet may incur additional charges, particularly if you are using the phone abroad. Due to the amount of data needed when using Car-Net services, we strongly recommend signing-up to a data flat rate with your mobile phone provider. Use of Car-Net is governed in a separate agreement with Volkswagen AG online. After taking possession of the vehicle, you have 90 days in which to register the vehicle at www.volkswagen-commercial-vehicles-carnet.com. The availability of Car-Net services may vary depending on the country in question. These services are available for the duration of the contract term agreed and may be subject to changes in terms of content during the contract period. More detailed information on Car-Net is available at www.volkswagen-commercial-vehicles-carnet.com and from your Volkswagen Commercial Vehicles Van Centre. Contact your mobile network provider for information regarding your mobile network tariff.

³ Available at participating petrol stations and car parks.

¹ Fuel consumption and CO₂ figures are obtained under standardised EU test conditions. This allows a direct comparison between different manufacturer models but may not represent the actual fuel consumption achieved in 'real world' driving conditions. In addition to the fuel efficiency of a vehicle, driving behaviour as well as other non-technical factors (such as environmental conditions, including weather and traffic) play a role in determining a vehicle's fuel consumption and CO₂ emissions. More information is available at www.dft.gov.uk/vca. Other factors including trimline, extra equipment, options and accessories (wheels, tyres, etc.) may change vehicle parameters such as the weight, rolling resistance of the tyres and the aerodynamics and thus influence the fuel consumption, CO₂ emissions and driving performance values.

² Unladen weight includes approximately 90% fuel load and 75kg for driver.

³ Payload = gross vehicle weight minus unladen weight. Quoted weights are for vehicles with standard specification. Unladen weight and payload may be influenced by trimline, factory options and Van Centre fitted accessories. Roof load limit: 100kg (with two roof carriers) or 150kg (with at least four roof carriers). Trailer nose weight: 100kg.

Add Ons

Accessories to help keep your vehicle 100% Volkswagen.

Add more with Add Ons...

Add extra style, protection and practicality to your California, while still keeping it 100% Volkswagen.

Add Ons allow you to go beyond options and truly customise your vehicle. Whether you want added technology or need extra capacity with roof attachments or a tow bar, there's something in our **Add Ons** range for you.

Keep it 100% Volkswagen.

There are big advantages to purchasing approved accessories from us. **Add Ons** have all been designed with your Volkswagen in mind, so they're a perfect match for fit and style. They're built to be rugged, reliable and long-lasting.

Keep your Add Ons covered.

Most **Add Ons** include a two-year warranty, but the great news is that if you order and fit them when you purchase a new vehicle, we may be able to extend that to three years to match your vehicle's warranty.

Sport and styling.

18" Dakar Silver alloy wheel.
8J x 18". Requires 235/50 R18 tyre.

18" Dakar bi-colour alloy wheel.
8J x 18". Requires 235/50 R18 tyre.

Lowering springs.
Lower your vehicle by 30mm to create a purposeful and dynamic stance. Available for vehicles with a front axle weight of up to 1,550kg or 1,600kg.

Tailgate trim.
Add an elegant finish to the lip of your tailgate with this polished stainless steel tailgate trim.

Polished stainless steel side rails.
These heavy-duty side rails not only look great, but offer added protection for your vehicle's side sills. Available in short and long wheelbase.

Satin Black side rails.
Stylish and subtle, these Satin Black side rails enhance the look of your vehicle and help protect your vehicles side sills. Available in short and long wheelbase.

Safety and security.

Safety kit.

This bundled safety kit delivers fantastic value and offers peace-of-mind in the event of a breakdown or emergency. Includes first aid kit, warning triangle and orange warning vest with reflective strips.

Brandrup accessories.

Brandrup are well-known within camper van circles for their creative, sturdy and stylish storage solutions, camping equipment and accessories. For more information about Brandrup products, please ask your Van Centre.

Touring.

Tailgate bicycle holder.

An essential addition for serious cyclists and families alike. This sturdy and well-engineered bicycle holder transports up to four cycles safely and securely and is quick and easy to install. **Please note:** holder not compatible with tailgate roof spoilers. Tailgate should not be lifted with bicycles in place. Weight limit: 60kg.

Towbar – Detachable.

Compatible with 13-pin towing electrics, this detachable towbar is both stable and strong. When not in use it can be safely stored inside the vehicle.

Towbar – Fixed.

Increase your load capability with this fixed towbar. Compatible with 13-pin towing electrics.

Roof bar set. (pictured with surfboard holder)

Fitting a pair of roof bars to your California helps increase your load carrying capacity by up to 50kg/110lbs. Roof bars provide the base for a wide range of carriers such as a surfboard holder, ski and snowboard holder, bicycle holder and our useful roof boxes – available in a choice of colours, shapes and sizes.

Front window wind deflectors.

These front window wind deflectors are not only stylish, but also help deflect wind noise – offering added comfort while on the move.

Front heavy-duty rubber mats.

These heavy-duty rubber mats feature deep channels to prevent liquids and dirt spilling onto the cab floor. Designed for a perfect fit, the mats are held firmly in place by making use of the attachment points provided on the floor.

Front carpet mats.

One or two-piece textile mat sets that perfectly fit the floor of your vehicle. Made from tightly woven velour with a practical non-slip backing, the mats are held firmly in place by making use of the attachment points provided on the floor.

Ski and snowboard holder.

Transport your skis and snowboards securely and effectively with this dedicated carrier that can be locked for added security. Holds up to six pairs of skis or four snowboards. Used in conjunction with roof bars.

Kayak holder.

Specially developed for transporting one-man kayaks weighing up to 25kg, the kayak holder restrains kayaks conveniently, safely and securely. Used in conjunction with roof bars.

Surfboard holder.

Helps to ensure your surfboard reaches its destination safely. A surfboard plus two masts are held firmly and securely in place using protective rubber supports and robust retaining straps. Used in conjunction with roof bars.

Waterproof seat covers.

Protect your seats and headrests from moisture and dirt with these fitted, removable and machine washable waterproof seat covers. **Please note:** not available for California Beach.

Front or rear mudflaps.

Perfectly shaped to fit your vehicle, these durable, black, hard-wearing mudflaps offer protection against water spray and flying stones. Supplied in pairs for front or rear with fitting kit and instructions.

Door sill guards.

Enhance the visual appeal of your vehicle with these perfectly contoured ABS mouldings. They offer additional protection and in the event of a scrape, can easily be replaced to restore your vehicle's good looks again.

Protection.

California Lifestyle seat covers.

These superbly detailed fabric seat covers are a perfect fit and designed to match the Takato upholstery of the California – but look great on any model. The covers fit snugly around the seat base, backrest, headrest and armrests and allow easy access to seat functions. They're a great way to protect upholstery, while maintaining your California's stylish interior. **Please note:** the covers offer protection from dirt, but are not waterproof.

Technology.

Kenwood DAB multimedia system.

Make calls. Listen to music and digital radio. Navigate in one go. The Kenwood DAB+ multimedia system offers so much and features 7" touch-screen control, full European navigation with voice directions, Bluetooth® phone connectivity and music streaming, iPhone or iPod control and charge, DVD, CD, USB and SD card music playback and HDMI and MHL on-screen mirroring for iPhone and Android. **Please note:** some features only work when the vehicle is stationary.

Merchandise

BEST SELLER

Camper van money box.
(subject to availability)
Save up for your next trip with our range of cool T1 split-screen camper money boxes. Made from slipcast ceramic and beautifully decorated in a range of designs, they're a fun way collect coins.

VW camper cookbook.
Packed full of full-colour images of classic campers and tasty recipes that are ideal for cooking while out-and-about in your camper.

California towel.
Perfect after taking to the waves, this high quality 100% cotton velour beach towel features striking California graphics, a white underside and measures a generous 90cm x 180cm.

Thermo mug.
Featuring a stylish metallic exterior and a printed Volkswagen Commercial Vehicles logo, the thermo mug helps to keep your drink either hot or cold, whatever the weather!

Men's chronograph watch.
Quality is at the core of this tough, but stylish, chronograph watch. It features a stainless steel case, domed glass lens, raised logo and a soft, but robust sports strap. Water-resistant to 10 atmospheres, it comes in an elegant gift box.

California duffel bag.
Closed with twin drawstrings, this tough California duffel bag is made from 100% polyester and features an exterior zip pocket for keys and other small objects. The bag can be carried with a shoulder strap or carry handle.

California 5-panel cap.
Made from 100% cotton and featuring California graphics and a bright yellow 'sandwich' stripe, this one-size fits all cap looks great when on the beach.

California unisex t-shirt.
(see below)
This quality unisex blue T-shirt features California graphics and is available in the following sizes: XS, S, M, L, XL and XXL.

BEST SELLER

Polished chrome VW keyring.

Silver T1 keyring.
Featuring a lacquered satin metal finish, this solid 3D T1 van keyring really is a cut above the rest and exudes quality. It's designed to add a touch of class to any road trip.

California sun tent.
Lightweight, water-resistant, wind-proof and sturdy, this bright yellow, 100% polyester sun tent offers certified UV protection and features California graphics and a handy side pocket. Pitched size: 230 x 100 x 105cm.

Service and warranties.

Finance and insurance.¹

When it comes to paying for your vehicle, we've got options including Contract Hire and Finance Lease, or Hire Purchase. We can also offer you competitive insurance.

A choice of packages.²

Whether you prefer to lease your vehicle, with none of the concerns of ownership and the freedom to change models easily, or purchase outright to own the vehicle, we're here to help you consider your options.

You can go flexible, by choosing a payment plan that suits your finances, with options to reduce your monthly costs and your repayment period. Or choose a fixed monthly price that allows you to budget confidently for the longer term.

You can even include your road tax and servicing costs to arrive at one simple, all-inclusive payment. For more information, pick up a finance brochure, or ask at your Van Centre.

Volkswagen insurance.

Volkswagen Commercial Vehicles Insurance¹ provides cost-effective and comprehensive motor insurance³, as well as gap insurance⁴, which helps replace your vehicle and protect you from any financial shortfall if it's written off.

Insurance benefits include:

- Complimentary 5-day insurance cover to allow you to drive your vehicle away.
- All repairs performed by approved repairers.
- Volkswagen Genuine Parts[®] used on all repairs.
- Courtesy vehicle provided during repair following an accident.
- Cover for breakage and damage to glass.
- In-vehicle personal belongings cover (up to £250).
- Vehicle recovery.
- 90-day European Union cover.
- Legal expenses cover (up to £100,000).

For more information about motor and gap insurance products, ask at your Van Centre, call **0330 303 6942**, or visit insurewithwcv.co.uk.

¹Business Vans Awards 2014 and 2015: Best Service Package for Van Owners.

²Class 4 MOT only. This option is available to all new and used vehicles up to four years old or with less than 80,000 miles on the clock. Services must be used consecutively prior to vehicle reaching eight years old.

Servicing and support.

We're here to keep you moving, with our range of three award-winning⁵ servicing and maintenance options, as well as free Roadside Assistance. Some exclusions apply. For more detail, please visit www.volkswagen-vans.co.uk/aftersales.

Pay monthly.

This option is available for vehicles that are less than 12 months old and have covered less than 10,000 miles. It makes budgeting easier by splitting the cost of servicing into fixed monthly payments – whether you want Service only, Service and Maintenance or Service, Maintenance and Tyres.

Pay upfront.⁶

If you can pay for more than one service upfront, we'll help by reducing your costs. Buy two upfront and you'll receive one interim and one full service at a discounted rate. Buy four and you'll receive two interim and two full services, with your next MOT also included.

Pay on demand.

If you're looking for freedom and flexibility with your servicing, it's good to know we're ready when you are. So with our third option, you can choose to pay for your services as and when you need them, with our National Service Pricing. Ask your Van Centre for an up-to-date pricing guide.

Roadside Assistance.

We understand the need to keep you mobile. That's why all new vans come with three-year, unlimited mileage roadside cover. Should the unexpected happen, one call gets you straight through to a team trained to help you through any breakdown or accident. Supporting you every day will be a team of vehicle technicians, fully-trained by Volkswagen and carrying the latest diagnostic equipment, specialist tools and parts.

Assistance benefits include:

- Assistance at home, by the roadside or place of work.
- Recovery to your preferred location.
- Onward travel, for you and your cargo.
- Cover 24 hours a day, 365 days a year.
- Free cover for three years (on new vehicles).
- Unlimited mileage.
- European cover.
- Option to extend cover beyond three years.

Warranties.

You can count on us long after you purchase your California, thanks to its comprehensive three-year, 100,000 mile warranty. While your California is under warranty, we'll fix any defect in manufacture or workmanship free of charge, even if you purchase and service the vehicle at different Van Centres. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual. For more detail, please visit www.volkswagen-vans.co.uk/aftersales.

Extended warranty.

You can also extend your warranty beyond the three-year, 100,000 mile period, choosing either Comprehensive or Major Component cover, as a one-off or monthly payment. For more detail of cover levels, along with terms and conditions, please visit volkswagenwarranty.co.uk where you'll also be able to obtain a quote and purchase an extended warranty.

Paint and body warranty.

Your California's exterior paintwork is covered against manufacturing defects for a period of three years, while its body sections and panels are covered against rusting through from the inside for 12 years. Some exclusions apply and the vehicle must be cared for using the guidance in your owner's manual.

¹Volkswagen Commercial Vehicles Insurance and Volkswagen Commercial Vehicle Financial Services are trading names of Volkswagen Financial Services (UK) Limited, Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR, which is authorised and regulated by the Financial Conduct Authority (FCA). Registered in England and Wales No. 2835230. Volkswagen Financial Services (UK) Limited financial services register number is 311988.

²An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Volkswagen Commercial Vehicle Financial Services.

³Volkswagen Commercial Vehicles Motor Insurance from Volkswagen Insurance Service (Great Britain) Limited is sold and administered by Ageas Retail Limited. Registered in England and Wales No. 1324965. Registered Office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA.
